Dear Mr Trice,

**Freedom of information request - RFI 20080558**

It has come to my attention that one of the figures provided to you in the BBC's response to your 27 May 2008 Freedom of Information request requires clarification. I have attached a copy of the BBC's response for ease of reference.

In our response, we advised you that the total number of licences in force in the Channel Islands, at 31 March 2007, was 92,000. It was not made clear however that this Channel Islands figure included the licences in force on the Isle of Man. The Isle of Man figures should have been separated out and I apologise for the error.

Yours sincerely,
