**HAMPTON COURT STATION REDEVELOPMENT
RANG ANN BIGGS – ELMBRIDGE BOROUGH COUNCIL
TEL NO: 01372 474815**

Rang to find out last night's committee resolution:

2007/2970 - Boathouse scheme – was refused

2008/1600 - Classical scheme – minded to grant subject to referral to full committee

Ann explained that the full planning committee is likely to be a specially arranged date rather than the meeting that is already in the calendar for 18th November.

Will e-mail me with the date later today
