The response is detailed below:-

2. How many plots are on these sites? Unknown.
3. How many people are on these waiting lists? Unknown.
4. Are these waiting lists closed to further applications? Unknown.
5. A study has been carried out which identified 34 sites within the district.

If you disagree with our decision or are otherwise unhappy with how we have dealt with your request in the first instance you may use the Council's Complaints Procedure by writing to the Council for a review of the decision.

If you are not content with the outcome your complaint once the Council's complaints procedure has been followed, you may then apply to the Information Commissioner for a decision. Generally, the ICO cannot make a decision unless you have exhausted the complaints procedure provided by the Council. Yours sincerely
