Dear Ms Curtis

FREEDOM OF INFORMATION ACT REQUEST

Please find detailed below NHS Wirral's response to your request for information made under the Freedom Of Information Act 2000 regarding details of the publicity material for the consultation for the Health Centre, on Warrens.

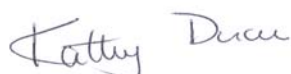

You asked for the name of the distribution company, which is/was responsible for the distribution of the current publicity material for a Health Centre on Warrens during the consultation period including the amount to be paid for this material and distribution.

The company responsible for the distribution of publicity material regarding West Wirral Group Practice was Link Direct, Priory Mews, Monks Ferry, Birkenhead CH41 5AZ and the cost of distribution was £487.50.

In addition, following concerns that multi-occupancy residences may not have received the consultation document, we also undertook a mail out on 23 January 2009 to 84 addresses which cost £38.64.

I hope this sufficiently answers your enquiry but please do not hesitate to contact Davina Schonle, Acting FOI Officer on the number above should you require any further information.

Yours sincerely

Kathy Doran
Chief Executive
