Dear Dr Bevan

I am writing further to my letter of 22 February, with reference to your Freedom of Information request for information about Databases held by the Home Office and agencies.

In that letter, I informed you that we aim to respond to your request by the end of March. I can assure you that the response is under active consideration and is currently undergoing a process of clearance. I will write to you again as soon as I am able to provide you with a substantive response to this request.

Yours truly,

Diana Pottinger
