[FOI Request 2009/29 – F0052778]

Dear Ms Scott,

Re: Freedom of Information (Scotland) Act 2002 – Request for Information

Thank you for your email which was received by the University on 4 April at 1045 hours requesting a Review of our actions, as detailed below.

I am writing to request an internal review of University of Glasgow's handling of my FOI request 'audit details'.

A full history of my FOI request and all correspondence is available on the Internet at this address: http://www.whatdotheyknow.com/request/audit_details_6

My reason for seeking a review is that in relation to the later reports produced by your "out-sourced" internal auditor you have not provided the full report and are therefore in breach of your legal obligation to provide all of the information that I requested.

For example in the 07/08 annual report of Deloitte there are cross-references to page 4 and page 14 and yet these are not provided even although they are very clearly part of the report that I requested.

Similarly in the 2006 report there are cross references to page 8 and page 10 yet these are not provided even although again they are very clearly part of the report that I requested.

In carrying out your review can you please consider:

- 1 Whether the omission of these parts of the reports that I requested was accidental or deliberate.**

- 2 If it was deliberate what was your reason for deliberately withholding this information**
- 3 If it was accidental can you please release the information to me without further delay and investigate how you came to accidentally omit information that you are under a strict legal duty to release.**

The University acknowledges receipt of your Request for a Review and confirms that it will respond to you within the time scales required by the Freedom of Information (Scotland) Act 2002 and will contact you if the University requires any further information.

Yours sincerely,
