Dear Mr Tyes

Freedom of Information Request.

I write with reference to your email of March 6th 2009, in which you make the following request:

“Please could you tell me the age, gender, nationality and disability breakdown of your staff in general and the children's team in particular. Please also confirm the current staff turnover of the children's team also broken down by gender, age, nationality and disability. Please confirm how many people have requested family friendly working and how many have been successful – broken down by gender.”

Your request has been dealt with under the Freedom of Information Act and I can confirm that we do hold some the information requested.

I have attached a spreadsheet that shows a breakdown of staff by age, gender and disability both for the organisation as a whole and specifically for Children's Services. There is also a table which shows the staff turnover for Children's services. We do not hold information relating to the nationality of officers.

Information relating how many people have requested family friendly working and how many were successful is not held centrally – this information is held by line managers and in order to extract and collate it, we would be required to approach every officer with line management responsibilities. We have estimated that this will cost more than the appropriate limit to establish are therefore refusing this request on these grounds under s.12(2) of the Freedom of Information Act.

The appropriate limit is specified in regulations and for local government is set at £450 as specified by The Freedom of Information and Data Protection (Appropriate Limit and Fees) Regulations 2004. It is Cambridgeshire County Council's policy not to fulfil any requests that exceed this limit. I have attached our [charging policy](#) for your information.

If you are unhappy with the service you have received in relation to your request and wish to make a complaint or request a review of our decision, you should write to Helen Maneuf, Head of Audit, Scrutiny & Information Governance, Box RES 1405, Shire Hall, Cambridge CB3 0AP within 40 days of the date of this response.

If you are not content with the outcome your complaint, you may apply directly to the Information Commissioner for a decision. Generally, the ICO cannot make a decision unless you have exhausted the complaints procedure provided by the Council. The Information Commissioner can be contacted at: The Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire SK9 5AF.

Yours sincerely

Sarah Priestley
Information Governance Officer.
