[FOI Request 2009/54 – F0056187]

Dear Mr Clark,

**Re: Freedom of Information (Scotland) Act 2002 – Request for Information**

Thank you for your email which was received by the University on [insert date and time] requesting a Review of our actions, as detailed below.

**I am writing to request an internal review of University of Glasgow's handling of my FOI request 'Review of Finance System's implementation'.**

**A full history of my FOI request and all correspondence is available on the Internet at this address:**

**[http://www.whatdotheyknow.com/request/review\\_of\\_finance\\_systems\\_implem](http://www.whatdotheyknow.com/request/review_of_finance_systems_implem)**

**Your response is vague and says very little. Surely the justification for the implementation of our finance system is a bit more comprehensive than what you are telling me. Also I did not ask about the salary of your finance director, I asked about the salary increase (in percentage terms).**

The University acknowledges receipt of your Request for a Review and confirms that it will respond to you within the time scales required by the Freedom of Information (Scotland) Act 2002 and will contact you if the University requires any further information.

Yours sincerely,
