Dear Andrew

Thank you for your email.

We look forward to learning from you the outcome of the consultation around the end of the month.

Best wishes
Alix

Subject: Enquiry concerning content management on HD DTT multiplex

Dear Alix

Enquiry concerning content management on HD DTT multiplex

Thank you for your letter of 27th August. We have invited comments from stakeholders on the proposed variations to the Multiplex B licence by 16th September. We will review the responses received and currently expect to be able to inform you of any changes we intend to make to the licence (if any) around the end of this month. As we have discussed previously with Graham, any decision by Ofcom to vary the licence to allow arrangements of the type contemplated would not have the effect of approving such arrangements under relevant competition laws, which the BBC may wish to consider.

With kind regards

Andrew
