

Freedom of Information – Response – 3300

Request:

Freedom of Information request - Communication between Suffolk County Council and Library Systems and Services (LSSI)

I would like you to provide, by email, details of all communication, including emails, letters, minutes from meetings and internal communications that mention Library Systems & Services (LSSI), Library Systems & Services LLC (LSSI) or LSSI from January 2008 onwards.

Response:

Please see attached documents.

The content of all information sent to delegates who participated in the Industry Day was all put on the website. This can be found at:

www.suffolk.gov.uk/industryday2011

The LSSI document is a note of the meetings that took place at the industry day:

Please note the letter from LSSI to Cllr. Rosemary Clarke dated 25/10/2010 refers to a letter that was sent to Suffolk County Council – ‘You were kind enough to reply very quickly to my letter and I also heard from Cllr. Pembroke and Cllr. Storey’. Suffolk County Council no longer has this letter so unfortunately we are unable to provide you with a copy.
