Hi Roger

Good afternoon from freezing Brentwood.

It was good to meet you yesterday evening at the Divestment Seminar. I hope you had as easy a trip home as I did.

When we spoke I promised to write to express formally our interest in working with you in the future. I am now pleased to do this by way of the attached letter to Cllr. Jane Storey and a covering letter to you. I trust these are self explanatory but if you need any further information please get in touch.

Best wishes

Jim
