

## Universal Jobmatch - About cookies

We sometimes place small data files on your computer. These are known as cookies. Most websites do this. We place a small number of cookies on your computer upon your arrival on this website. Please read on to find out more about how and where we use cookies and how to manage them.

### How we use cookies

We use cookies to improve your experience on our site. In addition:

- certain cookies are essential to the proper functioning of the website
- we don't track your personal activities when you're not on our website
- we use analytics cookies to help us understand what content is most useful to our visitors

### The type of cookies we use

The type of cookies we use on this website are for:

- **security** - these cookies help to ensure your account is secure
- **preference** - these cookies are used to store your preferences like language choice and display of job search results
- **analytics** - we track site traffic patterns so we can identify popular site content and potential site problems

### Universal Jobmatch cookies do not store personal data

### Your choices regarding cookies

You can choose to turn off all cookies. You can set these preferences on your browser settings. However, each browser is different so check your browser's Help menu to learn how to modify your cookies. You can also visit [www.aboutcookies.org](http://www.aboutcookies.org) to find out more information about how to manage cookies. If you turn cookies off, you won't have access to many features of this site.
