Dear Dr. Birnbaum,

Thank you for meeting with us this evening to discuss the primary expansion.

We would like to confirm that the Governors of Dorchester Primary are committed to the primary expansion of Key Stage 1.

We understand that this will be by building a three class base with toilets attached to the nursery.

We also understand that there are no guarantees for the replacement or the expansion of Key Stage 2 at the present time.

On that basis we are happy to be included in the primary expansion consultation.

Yours sincerely,

Louise Austin
