Dear David,

### **PRIMARY EXPANSION PROGRAMME**

Thank you very much for coming to see some of the governors and me to discuss the Primary Expansion Programme.

I am writing to confirm that the governors would be very willing to have a further meeting with you early in the spring term to explore the options available. As discussed, it would be very helpful if Stephen Ingram could also be present to provide his assessment of the current situation.

One thing that has occurred to us is that we haven't actually seen the completed feasibility study (although we have the Capital Planning plans), could you please send me a copy before we next meet?

Yours sincerely,

Louise Austin
