

## **All costs are excluding VAT**

**£1000** – Conversion of artwork design to HTML templates

**£1500** - Standard CMS integration

**£600** – Events diary including provision for exhibitions page

**£500** – Who's Here section (tenants directory)

**£250** – integrating group and individual twitter feeds into site.

**£500** – Gallery page

## **Secure Tenant's Area**

Option 1: Private Facebook group integration: **£500**

Option 2: Standard forum system using the tenant's directory details as user accounts: **£500**

Option 3: Bespoke forum, wall & user profiles: **£2500**

## **E-bulletin with signup facility**

Option 1: Integrate with your existing Gmail / Google Contacts: **£500**

Option 2: Third party emailing and tracking system such as [www.campaignmonitor.com](http://www.campaignmonitor.com) : **£500** (plus potential third-party per-email-sent system usage costs)

Option 3: Sage Act integration: Likely cost: **£3k** – (Sage integration requires purchase of a hefty developers licence)

## **Additional Costs**

**£1000** – Initial population of site content (including tenants directory, events, and gallery) – we may be able to improve upon this if you are prepared to contribute.

**£300** – Half a day training session for staff

## **Hosting**

Your brief states you would prefer to retain your existing hosting provider and we would do our best to use that (subject to availability of suitable hosting facilities). Failing that we would charge £35+VAT per month on our shared hosting environment.
