Dear

### **Sector-based work academy**

You are required to take part in the sector-based work academy. This will last for a maximum of six weeks in total and will begin on [date]

The sector-based work academy will consist of three elements:

- 1) A period of Pre-Employment Training
- 2) A Work Experience Placement
- 3) A Guaranteed Job Interview.

You must take part in the whole of the sector-based work academy in order to continue getting Jobseeker's Allowance and/or National Insurance credits.

You must continue to take part until you are notified otherwise by the Jobcentre or you stop claiming Jobseeker's Allowance.

[Insert name of JCP contact] will support you whilst on the sector-based work academy. They will discuss this with you and what help you might need.

During your sector-based work academy, you will be required to confirm to the Jobcentre what you are doing to find work; whether you are available for work and whether you have undertaken any paid work whilst taking part in the sector-based work academy. This will be required on the following dates: xxxxxx/ xxxxxx/ xxxxxx/. You will also need to report any changes in your circumstances to us in the normal way.

When you take part in a sector-based work academy you are also taking part in the Employment, Skills and Enterprise Scheme, which is established in law by The Jobseeker's Allowance (Employment, Skills and Enterprise Scheme) Regulations 2011. If you fail to take part in the sector-based work academy and cannot show good cause, under The Jobseeker's Allowance (Employment, Skills and Enterprise Scheme) Regulations 2011, you could lose your Jobseeker's Allowance for up to 26 weeks. You could also lose your National Insurance credits.

If you cannot attend your sector-based work academy for any reason, please contact your Jobcentre contact immediately. Our telephone number is at the top of this letter.
