

What do you think of our service?

We encourage you to tell us about your experience of working with Seetec. We will use your feedback to improve our service when things go wrong, and to thank the staff member that exceeded your expectations.

You may wish to include your contact details

Name:

Telephone number:

Email address:

Address:

Would you like a member of our management team to contact you to discuss your feedback in more detail, or tell you what we have done?

Yes / No

Which centre are you giving feedback about?

Please give details of your feedback including all relevant facts, dates, times and people involved.

Thank You

for telling us about your compliment, comment or complaint. Please post in the confidential postbox at reception and if you asked us to do so, a member of our management team will contact you within 5 working days.
