Dear Karl,

Your request was received on 7 April 2014 and I am dealing with it under the terms of the Freedom of Information Act 2000 ('the Act').

You asked:

*Percentage of students achieving 1st or 2:1 in BA Economics  
I would like to request information for the number (percentage) of students who receive a final degree classification of:  
a) 1st class degree  
b) 2:1  
c) 2:2 or below  
for the years 2010-2013*

Cambridge undergraduate degree courses leading to a B.A. qualification are commonly referred to as Triposes (see <http://www.study.cam.ac.uk/undergraduate/courses/structure.html>). Most Triposes are divided into 'Parts' lasting one or two years. Each Part of the Tripos is self-contained; there is no averaging out of Tripos results to give an overall class for the degree awarded. With this in mind, the information you have requested is published as follows:
