Dear Mr Travers,

Your request was received on 25 July 2016 and I am dealing with it under the terms of the Freedom of Information Act 2000 ('the Act').

You asked:

I would like to know the percentage of applicants who get an offer to study for a PhD in Physics based on their undergraduate degree class ,i.e., first class or second upper. I would preferably like the data for the last three academic years.

A table listing the previous degrees of all those who received an offer for the PhD in Physics in the past 3 years is attached.

If you are unhappy with the service you have received in relation to your request and wish to make a complaint or request an internal review of this decision, you should write to Dr Kirsty Allen, Head of the Registrary's Office, quoting the reference above, at The Old Schools, Trinity Lane, Cambridge, CB2 1TN or send an email marked for her attention to foi@admin.cam.ac.uk. The University would normally expect to receive your request for an internal review within 40 working days of the date of this letter and reserves the right not to review a decision where there has been undue delay in raising a complaint. If you are not content with the outcome of your review, you may apply directly to the Information Commissioner for a decision. Generally, the Information Commissioner cannot make a decision unless you have exhausted the complaints procedure provided by the University. The Information Commissioner may be contacted at: The Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF (<https://ico.org.uk/>).
