Dear Emma-Jane,

**Re: Freedom of Information Act 2000
Medicine Optimisation Contact Information for GP practices**

Thank you for your information request indicated in bold below, which has now been considered under the Freedom of Information Act 2000 by NHS Eastern Cheshire Clinical Commissioning Group (CCG). I am able to provide you with the following information and responses.

You asked:

We would like to be sent a file containing the contact information the Medicines Optimisation Team have for the GP Practices in your CCG. Please supply email contact details, and / or fax numbers, for each practice. Ideally the file you send should include data, for each practice, for one or more of the following headings: GP Practice Code, GP Practice Name, GP Practice Address, Telephone Number, E-mail Address and Fax Number.

Our response:

Please find enclosed '*NHS ECCCCG Member GP Practice Contact Details*' table detailing the requested information regarding NHS Eastern Cheshire CCG's member GP Practices.

*Please note that some GP Practices do not have a generic email address for enquiries and you therefore may wish to contact the GP Practice directly on the other contact details supplied to ascertain who is the most appropriate person to deal with your enquiry.

If you have any queries or concerns, wish to request a review of our response or are unhappy with the service you have received in relation to this Freedom of Information request, please do not hesitate to contact the Freedom of Information Requests team; details provided at the top of this letter.

If you request a review of our response and are not content with the subsequent outcome, you may apply directly to the Information Commissioner for a decision.
