Dear Mr Haxley,

Your request was received on 6 August 2017 and I am dealing with it under the terms of the Freedom of Information Act 2000 ('the Act').

You asked:

I want to request the scores of successful applicants for Economics for 2017 entry.

Can you list:

-college

-unconditional/conditional offer

-ECAA

-interview scores in each section

The requested information, insofar as it is held, is attached. All interview processes for entry to undergraduate degree courses at the University are set and managed locally by each of the individual Colleges, each of which is a separate legal entity and public authority, and so interview scores are not held. Please note that the attached document should not be copied, reproduced or used except in accordance with the law of copyright.

If you are unhappy with the service you have received in relation to your request and wish to make a complaint or request an internal review of this decision, you should write to Dr Kirsty Allen, Head of the Registrary's Office, quoting the reference above, at The Old Schools, Trinity Lane, Cambridge, CB2 1TN or send an email marked for her attention to foi@admin.cam.ac.uk. The University would normally expect to receive your request for an internal review within 40 working days of the date of this letter and reserves the right not to review a decision where there has been undue delay in raising a complaint. If you are not content with the outcome of your review, you may apply directly to the Information Commissioner for a decision. Generally, the Information Commissioner cannot make a decision unless you have exhausted the complaints procedure provided by the University. The Information
