Dear Sirs,

I am replying to your Freedom of Information request to the College, which was received by the Freedom of Information Officer on 2nd July 2018.

For clarity here is your original text:

We are writing to make an open request for all the information to which I am entitled under the Freedom of Information Act 2000.

It would be very much appreciated if you could send your college guidelines on PREVENT, one of the four elements of CONTEST, the government's counter-terrorism strategy.

We also request any risk assessments, safeguarding policies, IT policies or any other college policies that have been amended to comply with the PREVENT duty.

The College's Prevent guidelines and policies are publicly available on the website:

<https://www.sjc.ox.ac.uk/discover/about-college/legal/college-policies/>

Each Prevent policy includes a cover sheet linking to other relevant College policies, as well as providing a procedural history of changes and updates.

If you wish to request a review of this response, you should write to me at the above address in the first instance. The entire set of correspondence will be passed for review to another person in the College. If you are dissatisfied with the outcome of a review, you have the right to make a complaint to the Information Commissioner's Office.

Yours sincerely,

Prof. A. J. Parker
Principal Bursar
