Dear Mr Chiu,

Your request was received on 24 October 2018 and I am dealing with it under the terms of the Freedom of Information Act 2000 ('the Act').

You asked:

Information of all international (who qualify as non UK/EU fee status) offer holders for A100 Undergraduate Medicine Course at Cambridge for 2015,2016,2017 and 2018 entry:

- 1) Predicted Grades or Achieved Grades in A level or equivalent*
- 2) BMAT results for each section*
- 3) Number of international students applied and places offered*
- 4) Nationalities of offer holders*

The requested information is attached. Please note that the attached document should not be copied, reproduced or used except in accordance with the law of copyright. Please note too that the number studying Medicine is subject to a quota decided by the UK Government and this limits the number of offers that can be made to overseas applicants.

If you are unhappy with the service you have received in relation to your request and wish to make a complaint or request an internal review of this decision, you should contact us quoting the reference number above. The University would normally expect to receive your request for an internal review within 40 working days of the date of this letter and reserves the right not to review a decision where there has been undue delay in raising a complaint. If you are not content with the outcome of your review, you may apply directly to the Information Commissioner for a decision. Generally, the Information Commissioner cannot make a decision unless you have exhausted the complaints procedure provided by the University. The Information Commissioner may be contacted at: The Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF (<https://ico.org.uk/>).
