10th September 2018

Dear _____,

Aurora Energy Resources Limited – Retention Area RA1 3D Area - PEDL 164

Further to our recent discussion on this matter, I am writing to formally request the following change to the agreed terms for Retention Area RA1 3D Area in PEDL 164.

The current work programme is to submit a planning application by 30 September 2018 and to drill a well in RA1 to the shallower of 3,000m or 50m into the Bowland High Group by 30 September 2020.

The requested revised work programme is to submit a planning application by 30 September 2019 and to drill a well in RA1 to the shallower of 3,000m or 50m into the Bowland High Group by 30 September 2020.

Should you require any additional information in support of the above request, please do not hesitate to contact me.

Yours sincerely

Ian Roche
Managing Director
