Dear Mr Smith,

Your request was received on 31 January 2019 and I am dealing with it under the terms of the Freedom of Information Act 2000 ('the Act').

You asked:

I would like to request the following information for the A100 Medicine course for 2019 entry, about all current offer holders.

For each offer holder, please may I have the details of:

- 1) Number and proportion of GCSEs at A* (if applicable to student)*
- 2) BMAT result for each section of the test*
- 3) AS-level UMS results/IB results/Highers results (if applicable to student)*
- 4) A-level/IB/Highers grade predictions with subjects studied - you may leave blank for students who do not use these qualifications*
- 5) EPQ grade (if applicable to student)*
- 6) Whether or not they were placed into the winter pool*
- 7) The college which made the offer*

The requested information is attached. The University has not supplied the College of each offer-holder because, coupled with the other information, it believes that individuals could be identified as a result. In presenting the information in this way, the University is engaging the exemption at section 40(3A)(a) of the Act because its release would breach the first data protection principle (the fair, lawful and transparent processing of personal data) as set out in the General Data Protection Regulation. This part of section 40 confers absolute exemption under the Act.
