**Liverpool
City Council**

Dear Mr Jacobs

Freedom of Information Request 692971

Thank you for your recent request received 29 May 2019. Your request was actioned under the Freedom of Information Act 2000 in which you requested the following information –

A. The £500,000 that is still due to the LCC (Council) is this from 'Lin Mari Group or Fox Street Village Developments Ltd or PrimeSite developments Ltd (Kerry Tomlinson)?

B. Why has this payment never been paid in full of either 'Gary Howard or and Kerry Tomlinson' after all these years?

C. When was the last meeting the Mayor of Liverpool held with both these persons and why?

Response:

Liverpool City Council would advise as follows –

- A Invoices have been issued to Fox Street Village Developments Ltd
- B Once construction started, Fox Street Village Ltd submitted a revised planning application 16F/2252. This was approved by Planning Committee, subject to a S106 legal agreement. This permission would have then superseded the planning permissions issued under references 14F/1767 and 15F/1640. However, the developer (Fox Street Village Ltd) did not complete the revised S106 agreement. As such the Council could only seek to recover the sums due under the earlier planning permissions, which the developer has not paid.
- C The Mayor has not held a meeting with either of the individuals or the companies.

This concludes our response.
