Dear Jo,

Re: Freedom of Information request, our ref: 5687

Thank you for your request for the following information:

"I am writing to request details of the date/year each of the wards/boroughs within your council have committed to becoming carbon neutral, in light of the climate emergency declared by the government last month.

I would also like to know the details of any specific plans in place to help them achieve this goal."

This has been processed under the Freedom of Information Act 2000. In response, we can confirm that we do not hold the requested information. However, the parish councils within our borough are public authorities in their own right, you may wish to contact them individually.

Contact details can be found on our website:
