19 August 2019

Dear Mr Bradfield,

I write in response to the above-referenced Freedom of Information Act (FOIA) request submitted on 16 August 2019. The Office of the Police and Crime Commissioner (OPCC) for Thames Valley has now considered this request, which for clarity, has been repeated below:

<u>Request</u>	<u>Response</u>
<p>My questions that i want to ask under the Freedom of Information Act are the following:</p> <ol style="list-style-type: none">1. Judge Simon Oliver is a Berkshire Freemason. Does the Police know this and has Judge Simon Oliver been investigated for this? The link to Mr Oliver in his Freemason attire is on the following link: https://judgesbehavingbadlyblog.files.wordpress.com/2018/02/4.jpg?w=429&h=5372. How many complaints have been made against Judge Simon Oliver in the last 7 years to the police?3. Has the Police received any complaints against Judge Simon Oliver taking bribes in court?4. Does Judge Simon Oliver play golf with the Borough Commander and come to the Reading police station Christmas parties?5. Judge Simon Oliver has been accused by substantial number of people that he makes request for sexual favours in return for favoured judgements? He has also been accused of 'nipple tweaking' in the courtroom. This would be regarded as a sexual assault. Has the Police received any	<p>The OPCC can confirm that there is no information held in relation to your request.</p>

<p>complaints to this effect and can i have a copy of the complaint and response?</p> <p>6. Judge Simon Oliver is also accused of sitting as a Court of Protection judge prior to 2015 in several cases when he did not hold a nominated license, can the Police clarify how many Court of protection cases Judge Simon Oliver sat prior to 2015? And have any allegations of fraud been made against him?</p> <p>7. Are there any investigation records on file for Judge Simon Oliver and can i have a copy of these?</p> <p>8. Has Judge Simon Oliver been investigated in the past by the police for taking bribes or any other crimes?</p>
