Dear R Tsui,

Your request was received on 22 October 2019 and I am dealing with it under the terms of the Freedom of Information Act 2000 ('the Act').

You asked:

I am writing to kindly request the following information under the Freedom of Information Act 2000 regarding applicants to PBS from 2017-2020 (the current application cycle) to Pembroke, Homerton, Trinity Hall, and Downing College. Thank you!

The information that I request for each applicant:

- For each course at each college, how many individuals applied, how many were invited to interview (this is all the information I require for the current 2020 cycle if possible), and how many individuals were given direct/pooled offers.*
- Candidates interview scores.*
- Candidates pre-interview assessment scores.*
- Candidates predicted IB (or equivalent) grades.*

The requested information, insofar that it is held, is attached. Information about interviews is not held; all interview processes for entry to undergraduate degree courses at the University are set and managed locally by each of the individual Colleges, each of which is a separate legal entity and public authority under the Act.

Please note that the attached document should not be copied, reproduced or used except in accordance with the law of copyright.

If you are unhappy with the service you have received in relation to your request and wish to make a complaint or request an internal review of this decision, you should contact us quoting the reference
