I would like to see these for each of the undergraduate courses at Cambridge University along with average results for each course scored by conditional offer holders (applicants for 2020 entry), structured as follows: -Average result of the conditional offer holders from UK state schools -Average results of the conditional offer holders from UK private schools -Average results of the conditional offer holders from the EU (non UK applicants)..."

Notes	Apply Year	Figures are grouped by UCAS application year. The 2019 application year ran from applications opening in September 2018 to Confirmation in August 2019.
	Domicile	Domicile information is based on the Area of Permanent Residence declared by applicants at UCAS.
	School Sector/Type	School sector is determined from data provided by UCAS and DfE. The school type of each applicant is derived from the "last educational establishment" (apply centre) according to UCAS.
