Dear Rohan Singhal,

Your request was received on 7 May 2020 and I am dealing with it under the terms of the Freedom of Information Act 2000 ('the Act').

You asked:

*I would like three pieces of data [about applicants to Medicine], from the 2017, 2018 and 2019 entries, broken down by individual colleges and year. These are: the average number of 8/9's at GCSE, average BMAT score (broken down per section) and interview score.*

This information is attached insofar as it is held: the University does not hold interview scores as this aspect of undergraduate admissions is managed by the Colleges, each of which is a separate legal entity and public authority under the Act.

Please note that the attached document should not be copied, reproduced or used except in accordance with the law of copyright.

If you are unhappy with the service you have received in relation to your request and wish to make a complaint or request an internal review of this decision, you should contact us quoting the reference number above. The University would normally expect to receive your request for an internal review within 40 working days of the date of this letter and reserves the right not to review a decision where there has been undue delay in raising a complaint. If you are not content with the outcome of your review, you may apply directly to the Information Commissioner for a decision. Generally, the Information Commissioner cannot make a decision unless you have exhausted the complaints procedure provided by the University. The Information Commissioner may be contacted at: The Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF (<https://ico.org.uk/>).
