Notes	Previous study	Previous study is self-reported by the applicant when submitting their application. This accounts for certain naming convention inconsistencies.
		Some applicants have studied at multiple universities for their undergraduate studies, hence there is a higher number of applicants and offers in the table for 3) and 4) than in the tables for 1) and 2)

For the MPhil in Finance and Economics

1)Total number of applicants for each year with a note of how many of the applicants have studied in China for their undergraduate degree.

	Applicants	of which, studied in China for their undergraduate degree(s)
