## **Request for Information**

Dear Miss Smithson,

I am writing regarding your request for information which we received via email on 20/07/2020. In that request you asked for information in relation to returning health practitioners.

We are pleased to provide the following information in response to your specific questions.

**Under the Freedom Of Information Act, I would like to request data on the number of Health Practitioners that have returned to the NHS under your Foundation Trust to support it during COVID-19, including retired practitioners who have returned to service and those who have rejoined the NHS.**

According to our records we have had 1 Staff Nurse returner who came through the official NMC Route.

If you have any queries about our response, please let me know by writing to the above address.

Yours sincerely,

Laura Sillitoe  
Freedom of Information and Information Governance Support Officer
