Freedom of Information Request 991/20

Response date: 4th January 2021

Under the freedom of information act I am asking for information on a Unidentified Flying Object (UFO) on the 8th of June 2008 when flying over Ministry of Defence St Athan and other Welsh towns. If a video or photos can be provided of these occurrences are still archived, that would be good.

RESPONSE

We have consulted with our Specialist Operations Department who advise that your request for information in 2008 pre-dates the formation of the National Police Air Service (NPAS) by four years. Prior to NPAS we had the Air Support Unit which was a joint unit between South Wales Police and Gwent Police.

Unfortunately, NPAS does not have a separate video or images retained.

The staff working in NPAS have been consulted along with the duty crew who all confirm they do not have retained digital evidence from that time.

Therefore, South Wales Police does not hold the information to answer your request.
