RE: National Minimum Wage Naming Scheme Press Release

We wrote to you recently informing you that you would be named publicly under the National Minimum Wage Naming Scheme via a BEIS press release. This e-mail is to notify you that a press release will be published on 31 December with your details, alongside other employers that have not complied with the National Minimum Wage law.

We have attached a copy of the press release for your information.

We are sharing the press release as a courtesy; it is strictly embargoed until 0001 on Thursday 31 December. This means that media will not be allowed to report on it until that time. We would be grateful if you could respect the embargo and also refrain from issuing any public comment before that time.

Yours sincerely,
