**Liverpool
City Council**

Dear A Robins

Information Request 6465979

“1, Why has a top Political reporter from the Liverpool Echo (Liam Thorp) failed to expose this when in 2019 he was told the background details of 'Martin Grant' with links to the Mayor Joe Anderson and David Anderson is Liam Thorp working for Reach PLC and moonlighting for the Anderson family?

2, Why and how can the Times find this out, yet Reach PLC Liverpool Echo hides it?

3, Liam Thorp did the same thing with Cllr Calvert on 'Fox Street Village Ltd' and Hughes PR.

Will the LCC explain why Liam Thorp has never investigated the -Mayor- or members of his family, when sent files and data on this was sent to him over 2 years ago?

4, Why is the London Times always ahead of: Liam Thorp and your local Liverpool Echo, yet the LCC and Mr. Thorp seem to hide this?”

Response

Freedom of information legislation relates to information held and not to responding to speculation, innuendo and expression of opinion. This request is invalid.

This concludes our response.

Yours sincerely
Information Team
