Dear Runshi,

### Freedom of Information Request

Thank you for your email of 17<sup>th</sup> September 2021 requesting admissions statistics for the University of Edinburgh's MSc Regenerative Medicine and Tissue Repair programme.

You requested the number of applications, offers made, and acceptances for the 2018/19, 2019/20, and 2020/21 academic years. This programme was first introduced for the 2019/20 academic year, so I have provided the information for the 2019/20 and 2020/21 academic years.

Academic Year	Number of Applications	Number of Offers	Number of Acceptances
2019/20	8	6	5
2020/21	21	11	0

The term acceptances here refers to the number of applicants holding a UF offer who have not withdrawn their application at the end of the cycle. An applicant is UF if they have accepted an offer of a place and have met any conditions associated with that offer. Please note that a small number of these applicants may not go on to matriculate at the University, or may withdraw soon after the start of their degree.

### Right to review

If you are dissatisfied with this response, you may ask the University to conduct a review of this decision by contacting the University's Records Management Section ([www.ed.ac.uk/records-management/about/contact](http://www.ed.ac.uk/records-management/about/contact)) in writing (e.g. by letter or email) or in some other recorded form (e.g. audio or video tape). You should describe the original request, explain your grounds for dissatisfaction, and include an address for correspondence. You have 40 working days from receipt of this letter to submit a review request. When the review process has been completed, if you are still dissatisfied, you may appeal to the Scottish Information Commissioner using the guidance at [www.itspublicknowledge.info/Appeal](http://www.itspublicknowledge.info/Appeal). If you do not have access to the Internet, please let me know and I will provide a copy of the relevant web pages.

### Privacy notice for information request applicants

The University of Edinburgh's request privacy notice, which describes how we use the information you have supplied about yourself and your request, is available on-line at [www.ed.ac.uk/records-management/freedom-information/make-a-request/privacy-notice](http://www.ed.ac.uk/records-management/freedom-information/make-a-request/privacy-notice).
