Dear Mr Kelvin,

Re: Freedom of Information (Scotland) Act 2002 – Request for Information

Thank you for your email which was received by the University on 28 September 2011 timed 09:57 hours, requesting the following information:

“A recent request 'Annual Cost of MyCampus' returned on the 27th of September stated that the cost of SLP Support and Development Team is £418,000 for the next academic year (or is this now plan/session/program)?

The university's own SLP page lists 51 staff working on this project. There is of course an additional number of other staff (IT and Registry) also working on the SLP 'off balance sheet'. Included on the official list are 27 external consultants whose wage bill has never been disclosed by the university.

My question is - to what does the £418,000 figure refer to? Please add as much detail as you have access to and please state any exclusions in your calculation to the response.”

University's Response

The figure of £418,000 refers to the Student Lifecycle Support and Development Team established with effect from 1/10/2011 and is the expected cost for the financial year 2011/12. The team comprises functional and administration support staff as detailed in our response to request number F0155714.
