

Request	Data	<p>I would like to request the following admission statistics for the postgraduate MCL programme in the Faculty of Law from 2018-19 to 2022-23</p> <p>Total number of applications received and number of offers made each year.</p> <p>The undergraduate institution they attended.</p> <p>Whether or not an offer was made.</p> <p>The class rank of the successful applicants for each year, as expressed through percentage of their batch size, that is, whether the applicants were in the top 5%, top 10%, top 15% of their cohort.</p>
	By	Linda Nilsson
	On	30/12/2022

Notes		<p>Please note that we do not yet have finalised admissions data for the 2022/23 Academic Year. All data reported is drawn from the admissions data for Michaelmas 2022 only. However the courses in question only admit students in Michaelmas Term 2022, therefore their data for the 2022/23 Academic Year will be complete. Please also note that we do not hold information regarding the class rank of applicants.</p>
	Previous institution	<p>This data is provided by the applicant on the application form and reported as provided. In certain cases, this is not provided.</p>
	Suppression	<p>Data has been suppressed (<3) where the number of individuals is fewer than 3 (0, 1 or 2). This is to prevent identification of individual outcomes. The exception to this would be any cases where there were no applicants in the group (i.e. both the applicant and offer holders are 0) - in these cases 0 would be reported as there are no individuals to identify.</p>
