Director,			
assistant director,			
Head of Service,			
Service Manager.	<p>S40(2) personal data third party exemption</p> <p>This exemption applies because service managers are below senior management level and do not make key strategic decisions unlike senior management who are accountable for decisions made about the service.</p> <p>We accept that releasing this information would reinforce the Council's commitment to being an open and transparent organisation, serving to maintain public confidence in the Council, there is therefore a public interest in this information being disclosed.</p> <p>However on balance we do not consider that the legitimate public interest would outweigh the interests of the data subjects in this case and that it would not be fair to disclose their personal details (names) into the public domain, given that disclosure under the Freedom of Information Act is disclosure to the world at large.</p> <p>To do so would breach the first Data Protection</p>		

	<p>principle, which requires us to process personal data fairly and lawfully.</p> <p>It is for this reason that the Council have withheld this information under 40(2) by virtue of section 40(3)(a)(i) of the Act.</p>

Please note, the following applies, if the response includes council officers (or other officers) names.

If you are a company that intends to use the names and contact details of council officers (or other officers) provided for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference. You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link www.ico.org.uk

For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.
