

**Date: 15/06/2017**

**Wrexham County Borough Council**

**Response/Digest EIR: 7084**

**Department: Environment & Planning (Public Protection)**

**The department does hold the information requested.**

Request:

Air quality

Please provide full details of:

1. Sites and types of air pollution that have been measured as being moderate or higher in the past 5 years?
2. Details of any improvement notices served on any business that has been the cause of air pollution.
3. Details of how many and types of claims that have been made against the Council for illness due to air pollution.
4. Details of the process for a resident to access the Council air pollution monitoring if they feel they are living in an area that has an issue.

Response:

1. This information is available on the Council's website [http://www.wrexham.gov.uk/english/environment/air\\_quality/index.htm](http://www.wrexham.gov.uk/english/environment/air_quality/index.htm) and the Welsh Air Quality website <http://www.welshairquality.co.uk/>
2. Assuming this means Improvement Notices in relation to compliance with Environmental Permits, a permit suspension notice was served on Castle Alloys in October 2014 to stop fugitive emissions (Castle Alloys, Unit 2, Mereside Industrial Park, Fenns Bank Road, Bronington, Wrexham, SY13 6PA.)
3. None
4. Air Quality information is available on the Council's website and the Welsh Air Quality Website
