Our food-growing survey is now open until 28 February 2018. Please help us better understand what people are doing in Aberdeen at the moment regarding growing their own food by taking a few minutes to fill it in through the link below.

Gale

Can you pass this on to Eric, my machine refuses to recognise him and I am working from home.

Eric

I have spoken to Scottish Government about the potential call in. We should know in the next 2 weeks. We need to work out next steps, whatever the decision. I have also spoken to the applicants about potential ways of complying with the conditions in the event of an approval. The applicant is coming up with new alternatives which would not comply with the conditions. I don't know if these have already been discussed with the City and been rejected or if they are new.

I think we need a round table discussion involving transportation colleagues, For Aberdeenshire I would want myself, [REDACTED] (transport) and [REDACTED] (planning). Happy for either of us to set up a meeting, Town House or Woodhill. My Monday meetings have been cancelled so I could use the time to set up a meeting if you could let me know who you would like to attend from the City.

Regards

Robert
