Your Views

1. Do you support the proposal to relocate pupil attending Willowbank School to a more appropriate educational facility within St Margaret's High School

Yes No Unsure

2. Do you have any comments you would like to make regarding this?

I think it is a great opportunity to integrate children into mainstream (if they are capable of that) in a safe and nurturing environment. It will also take away that feeling that they go to a "special" school, both for them and also pupils at St Margaret's.

3. If you have any further comments you wish to make please provide in space below:

It may not be perfect in terms of space etc but it is way beyond what they had previously.

2. Do you have any comments you would like to make regarding this?

COMMUNITY ISSUES WOULD EXPOSE THESE YOUNG PEOPLE TO GREATER RISK FROM THE DRUG DEALERS ALREADY SCOPING THE SCHOOL BEFORE START OF DAY, INTERVAL + LUNCHTIMES

3. If you have any further comments you wish to make please provide in space below:

OTHER PUPILS FROM ST MARGARETS WOULD POSE A RISK TO THE WILLOWBANK KIDS AND LIKEWISE IF THEY ARE NOT SUPERVISED.

2. Do you have any comments you would like to make regarding this?

I don't think this would be appropriate at all.
 My child is very against this. Giving examples of Willowbank pupils swearing and giving rude gestures as they pass by St-Margaret's pupils.
