The rules, procedures and criteria of the Academic Staffing Committee shall be determined from time to time by the Senate.
  - (c) The Academic Staffing Committee shall report to the Senate and the Council the promotion of a member of Academic Staff to a Readership or Senior Lectureship.

4. In cases of urgency, the Vice-Chancellor shall be empowered to appoint a member of Academic Staff to a Readership or Senior Lectureship subject to the following conditions:
  - (a) that the member of Academic Staff has received a definite offer of a Professorship, Readership or Senior Lectureship from another university or an offer at an equivalent level from outside the university sector;
  - (b) that the following are consulted before the offer of a Readership or Senior Lectureship is made: the Pro-Vice-Chancellor (Education), the Pro-Vice-Chancellor (Research), the relevant Executive Dean, the permanent senior staff of the member of staff's Department;
  - (c) that at least two External Assessors appointed by the Vice-Chancellor are unambiguously of the opinion that the member of Academic Staff is a suitable person to appoint to a Readership or Senior Lectureship.

Appointments made in this way will be reported to the Senate and the Council.

## **Ordinance 38**

### **APPOINTMENT OF LECTURERS**

1. When the University Steering Group has resolved that a Lectureship be established in a Department and does not constrain the appointment to be temporary, the following procedure shall be followed:
  - (a) the Vice-Chancellor shall normally appoint the relevant Faculty Executive Dean as Chair of a Selection Committee, and shall appoint to membership of that Committee the Head of the Department to which the post is allocated, and, on the nomination of the Chair of the Selection Committee, up to five other members of whom no member of the Academic Staff shall be appointed who has not been granted permanency of office and of whom at least one shall be a Professor, Reader or Senior Lecturer in a Department different from that to which the post is allocated. If the appointed Chair is unable to take the chair, a Pro-Vice-Chancellor or an Executive Dean shall do so;
  - (b) The vacancy shall be publicly advertised, subject to any constraints laid down by the University Steering Group.
  - (c) The Selection Committee alone shall have the power to resolve the appointment of a person to the vacant Lectureship. The Selection Committee shall report to the Senate and the Council the name of the person appointed to the vacant Lectureship.
  - (d) The Vice-Chancellor may delegate his or her powers as set out in paragraph (a) above to an Executive Dean.
2. The University Steering Group may delegate its powers set out in paragraph 1 to an Executive Dean.

## **Ordinance 39**

### **FUNCTIONS OF THE ACADEMIC STAFF**

1. The Academic Staff shall perform such functions as may from time to time be defined by the Senate, in accordance with the Charter and these Ordinances.
2. It shall be the duty of Professors, Readers, Senior Lecturers, or Lecturers to devote themselves to the advancement of knowledge in their subjects. It shall be the duty of all Academic Staff to give instruction in their subjects to students of the University and to take part in examining, and generally to promote the function of the University as a centre of learning and education. It shall also be their duty to undertake such functions of teaching and administration as may reasonably be assigned to them by the Head of the Department to which their posts are allocated.
3. Professors, Readers and Senior Lecturers shall, provided that they hold permanently established posts in the University, normally be appointed with permanency of office (subject to the provisions of the Ordinances as to termination). Lecturers who have held a permanent appointment in a teaching post in a university may, provided that they hold permanently established posts in the University, be appointed with permanency of office (subject to the provisions of the Ordinances as to termination). Lecturers who are appointed without having held a permanent appointment in a teaching post in a university shall normally be appointed subject to confirmation after a probationary period of three years, and if this appointment as Lecturer is confirmed they shall then have permanency of office (subject to the provisions of the Ordinances as to termination).
4. Decisions as to confirmation of an appointment which has been made with a view to permanency are made by Academic Staffing Committee. The Committee may make a decision on confirmation at any point prior to the end of the probationary period and the decision will be based on evidence that, having regard to his or her standing, experience and the opportunities which have been afforded to him or her, the member of Academic Staff

under review has met the criteria laid down for probationary staff by the Committee.

5. Members of Academic Staff may undertake consultancy work in accordance with the terms of the University's Consultancy Policy, or other additional paid work with the permission of the Vice-Chancellor.

## **Ordinance 40**

### **RESEARCH LEAVE AND LEAVE OF ABSENCE**

This Ordinance applies only to those Academic Staff ('eligible Academic Staff') who have a contractual requirement to carry out research.

1. Each member of eligible Academic Staff employed as a Lecturer, Senior Lecturer, Reader or Professor has an entitlement to research leave. The fundamental purpose of research leave is to enable eligible Academic Staff to undertake research that contributes to the University's mission and research strategy and to the further development of the individual as a scholar.
2. The entitlement is one term of research leave with full salary for each six terms' service as a member of the full time eligible permanent or probationary Academic Staff. Temporary Academic Staff are not entitled to research leave. However, if a member of the temporary Academic Staff becomes permanent or probationary, he or she can count his or her length of service as a member of the temporary Academic Staff for the purpose of accruing entitlement to research leave, provided that he or she is eligible for research leave. Part time Academic Staff who are eligible for research leave are entitled to research leave on a pro-rata basis. A term of research leave will start half-way between the end of the preceding term and the start of the term to be taken as research leave, and will end half-way between the end of the term taken as research leave and the start of the term in which duties re-commence. If more than one term of research leave is taken consecutively then the research leave will end half-way between the end of the final term and the start of the term in which duties re-commence.

For the purpose of accruing entitlement to research leave, time spent on maternity leave will count towards entitlement. Time spent on paid leave of absence (funded, for example, by a Research Council or academic foundation) which results in research that contributes to the University's mission will also count towards entitlement. Time spent on unpaid leave of absence, research leave or extended sick leave will not count towards entitlement. However, the Pro-Vice-Chancellor (Research) may

agree to the counting of time spent on unpaid leave of absence or sick leave if this is clearly in the interests of the Department concerned.

3. Providing an eligible academic member of staff has accrued the necessary entitlement then research leave will be granted subject to the following conditions:
  - (a) that the work to be undertaken during a period of research leave is of benefit to the University, the Department and the individual member of staff;
  - (b) that the application has been signed by the Head of Department (and, if appropriate, Research Director) who will comment on whether he or she approves the application in relation to content and timing;
  - (c) that the research leave will be spent on the work specified in the application for leave;
  - (d) that the member of staff submits a report on the study undertaken at the end of the period of research leave which indicates how far the stated objectives of the research leave have been achieved. In certain circumstances a member of staff may for good reason change his or her plans provided that a case has been made to his/her Head of Department.
  - (e) A satisfactory report on the research undertaken during a period of research leave is required before further applications for research leave can be approved.
4. Application for research leave for a particular term or terms shall be made by the member of staff, using the appropriate form, at least two terms before the first day of the term from which research leave is requested.

The Pro-Vice-Chancellor (Research) will be responsible for approving research leave applications. If the Pro-Vice-Chancellor (Research) does not approve an application he or she will give the reason(s) to the individual.
5. During a period of research leave a member of Academic Staff shall not be required to undertake teaching or administrative duties.
6. Members of staff are reminded that the purpose of research leave is to enhance the research profile of the University and the individual. It is not intended to function as an indirect subsidy for the research output of other universities. For that reason special provisions apply where a member of staff tenders his/her resignation immediately before or during a period of research leave. Following discussions with the member of staff, the University reserves the right to withdraw approval of research leave at the point where a member of staff tenders his/her resignation. The options to be discussed with the member of staff will be:
  - (a) To allow the member of staff to continue with his/her research leave where the planned programme of research is agreed to be in the interests of the University, the

Department and the individual member of staff.

- (b) To terminate the research leave and require the member of staff to undertake such teaching, research and administrative duties as reasonably allocated by the Head of Department.
- (c) To waive the notice period in order to allow the member of staff to leave his/her employment with the University early and take up his/her new post.

In the event that neither (a), (b) nor (c) above are agreed and the member of staff does not return to work, the University will stop pay during what will then be deemed a period of unauthorised absence.

## **Ordinance 41**

### **GRIEVANCE, DISCIPLINE, DISMISSAL AND RELATED MATTERS**

#### **Part I Construction, Application and Interpretation**

##### **Construction**

1. This Ordinance or any Regulation made under this Ordinance shall be construed in every case to give effect to the following guiding principles, that is to say:
  - (a) to ensure that Academic Staff have freedom within the law to question and test received wisdom, and to put forward new ideas and controversial or unpopular opinions, without placing themselves in jeopardy of losing their jobs or privileges;
  - (b) to enable the University to provide education, promote learning and engage in research efficiently and economically; and
  - (c) to apply the principles of justice and fairness.

##### **Reasonableness of Decisions**

2. No provision in Part II or Part III shall enable the body or person having the duty to reach a decision under the relevant Part to dismiss any member of the Academic Staff unless the reason for his or her dismissal may in the circumstances (including the size and administrative resources of the University) reasonably be treated as a sufficient reason for dismissing him or her.

##### **Application**

3.
  - (1) This Ordinance shall apply:
    - (a) to the persons defined as "Academic Staff" in Ordinance 34;
    - (b) to the Registrar and Secretary, the Librarian, Academic Staff and designated Senior Support Staff and

- (c) to the Vice-Chancellor to the extent and in the manner set out in the Annex to this Ordinance.

- (2) In this Ordinance any reference to "Academic Staff" is a reference to persons to whom this Ordinance applies.

##### **Interpretation**

##### **Meaning of "dismissal"**

4. In this Ordinance "dismiss" and "dismissal" mean dismissal of a member of the Academic Staff and:
  - (a) include remove or, as the case may be, removal from office; and
  - (b) in relation to employment under a contract, shall be construed in accordance with section 55 of the Employment Protection (Consolidation) Act 1978.

##### **Meaning of "good cause"**

5.
  - (1) For the purposes of this Ordinance "good cause" in relation to the dismissal or removal from office or place of a member of the Academic Staff, being in any case a reason which is related to conduct or to capability or qualifications for performing work of the kind which the member of the Academic Staff concerned was appointed or employed to do, means:
    - (a) conviction for an offence which may be deemed by a Tribunal appointed under Part III to be such as to render the person convicted unfit for the execution of the duties of the office or employment as a member of the Academic Staff; or
    - (b) conduct of an immoral, scandalous or disgraceful nature incompatible with the duties of the office or employment; or
    - (c) conduct constituting failure or persistent refusal or neglect or inability to perform the duties or comply with the conditions of office; or

  - (2) In this paragraph:
    - (a) "capability", in relation to such a member, means capability assessed by reference to skill, aptitude, health or any other physical or mental quality; and
    - (b) "qualifications", in relation to such a member, means any degree, diploma or other academic, technical or professional qualification relevant to the office or position held by that member.

##### **Meaning of "redundancy"**

6. For the purposes of this Ordinance dismissal shall be taken to be a dismissal by reason of redundancy if it is attributable wholly or mainly to:

- (a) the fact that the University has ceased, or intends to cease, to carry on the activity for the purposes of which the member of the Academic Staff concerned was appointed or employed by the University, or has ceased, or intends to cease, to carry on that activity in the place in which the member concerned worked; or
- (b) the fact that the requirements of that activity for members of the Academic Staff to carry out work of a particular kind, or for members of the Academic Staff to carry out work of a particular kind in that place, have ceased or diminished or are expected to cease or diminish.

#### **Incidental, Supplementary and Transitional Matters**

- 7.
- (1) In any case of conflict, the provisions of this Ordinance shall prevail over those of any other Ordinances and Regulations. Provided that Part III of and the Annex to this Ordinance shall not apply in relation to anything done or omitted to be done before the date on which the instrument making these modifications was approved under subsection (9) of section 204 of the Education Reform Act 1988.
  - (2) Nothing in any appointment made, or contract entered into, shall be construed as over-riding or excluding any provision made by this Ordinance concerning the dismissal of a member of the Academic Staff by reason of redundancy or for good cause: Provided that nothing in this sub-paragraph shall prevent waivers made under section 142 of the Employment Protection (Consolidation) Act 1978 from having effect.
  - (3) Nothing in any Ordinance or Regulation made there under shall authorise or require any officer of the University to sit as a member of any Committee, Tribunal or body appointed under this Ordinance or to be present when any such Committee, Tribunal or body is meeting to arrive at its decision or for the purpose of discussing any point of procedure.
  - (4) In this Ordinance references to numbered Parts, paragraphs, and sub-paragraphs are references to Parts, paragraphs, and sub-paragraphs so numbered in this Ordinance.

#### **Part II Redundancy**

##### **Purpose of Part II**

- 8.
- This Part enables the Council, as the appropriate body, to dismiss any member of the Academic Staff by reason of redundancy.

#### **Exclusion From Part II of Persons Appointed or Promoted Before 20 November 1987**

- 9.
- (1) Nothing in this Part shall prejudice, alter or affect any rights, powers or duties of the University or apply in relation to a person unless:
    - (a) his or her appointment is made, or his or her contract of employment is entered into, on or after 20th November 1987; or
    - (b) he or she is promoted on or after that date.
  - (2) For the purposes of this paragraph in relation to a person, a reference to an appointment made or a contract entered into on or after 20th November 1987 or to promotion on or after that date shall be construed in accordance with subsections (3) to (6) of section 204 of the Education Reform Act 1988.

#### **The Appropriate Body**

- 10.
- (1) The Council shall be the appropriate body for the purposes of this Part.
  - (2) This paragraph applies where the appropriate body has decided that it is desirable that there should be a reduction in the Academic Staff:
    - (a) of the University as a whole; or
    - (b) of any school, department or other similar area of the University by way of redundancy.
- 11.
- (1) Where the appropriate body has reached a decision under paragraph 10(2) it shall appoint a Redundancy Committee to be constituted in accordance with sub-paragraph (3) of this paragraph to give effect to its decision by such date as it may specify and for that purpose:
    - (a) to select and recommend the requisite members of the Academic Staff for dismissal by reason of redundancy; and
    - (b) to report their recommendations to the appropriate body.
  - (2) The appropriate body shall either approve any selection recommendation made under sub-paragraph (1), or shall remit it to the Redundancy Committee for further consideration in accordance with its further directions.
  - (3) A Redundancy Committee appointed by the appropriate body shall comprise:
    - (a) a Chair; and
    - (b) two members of the Council, not being persons employed by the University; and
    - (c) two members of the Academic Staff nominated by the Senate.

#### **Notices of Intended Dismissal**

- 12.
- (1) Where the appropriate body has approved a selection recommendation made under paragraph 11(1) it may authorise an officer of the University as its delegate to dismiss any member of the Academic Staff so selected.

- (2) Each member of the Academic Staff selected shall be given separate notice of the selection approved by the appropriate body.
- (3) Each separate notice shall sufficiently identify the circumstances which have satisfied the appropriate body that the intended dismissal is reasonable and in particular shall include:
  - (a) a summary of the action taken by the appropriate body under this Part;
  - (b) an account of the selection processes used by the Redundancy Committee;
  - (c) a reference to the rights of the person notified to appeal against the notice and to the time within which any such appeal is to be lodged under Part V (Appeals); and
  - (d) a statement as to when the intended dismissal is to take effect.

### **Part III Discipline, Dismissal and Removal from Office Disciplinary Procedures**

13.

- (1) Minor faults shall be dealt with informally.
- (2) Where the matter is more serious but falls short of constituting possible good cause for dismissal the following procedure shall be used:

#### **Stage 1 - Oral Warning**

If conduct or performance does not meet acceptable standards the member of the Academic Staff will normally be given a formal ORAL WARNING. The member will be advised of the reason for the warning, that it is the first stage of the disciplinary procedure and of the right of appeal under this paragraph. A brief note of the oral warning will be kept but it will be spent after 12 months, subject to satisfactory conduct and performance.

#### **Stage 2 - Written Warning**

If the offence is a serious one, or if a further offence occurs, a WRITTEN WARNING will be given to the member of the Academic Staff by the Executive Dean. (For posts within Professional Services coming within the scope of this ordinance a written warning will be issued by the appropriate Head of Section). This will give details of the complaint, the improvement required and the timescale. It will warn that a complaint may be made to the Registrar and Secretary seeking the institution of charges to be heard by a Tribunal appointed under paragraph 16 if there is no satisfactory improvement and will advise of the right of appeal under this paragraph. A copy of this written warning will be kept but it will be disregarded for disciplinary purposes after two years subject to satisfactory conduct and performance.

#### **Stage 3 - Appeals**

A member of the Academic Staff who wishes to appeal against a disciplinary warning shall

inform the Registrar and Secretary within two weeks. The appropriate Pro-Vice-Chancellor shall hear all such appeals and his or her decision shall be final.

### **Preliminary Examination of Serious Disciplinary Matters**

14.

- (1) If there has been no satisfactory improvement following a written warning given under Stage 2 of the procedure in paragraph 13, or in any other case where it is alleged that conduct or performance may constitute good cause for dismissal or removal from office, a complaint seeking the institution of charges to be heard by a Tribunal appointed under paragraph 16 may be made to the Registrar and Secretary who shall bring it to the attention of the Vice-Chancellor.
- (2) To enable the Vice-Chancellor to deal fairly with any complaint brought to his or her attention under sub-paragraph (1) he or she shall institute such investigations or enquiries (if any) as appear to him or her to be necessary.
- (3) If it appears to the Vice-Chancellor that a complaint brought to his or her attention under sub-paragraph (1) relates to conduct or performance which does not meet acceptable standards but for which no written warning has been given under paragraph 13 or which relates to a particular alleged infringement of rules, regulations or byelaws for which a standard penalty is normally imposed in the University or within the School, Department or other relevant area, or is trivial or invalid he or she may dismiss it summarily, or decide not to proceed further under this Part.
- (4) If the Vice-Chancellor does not dispose of a complaint under sub-paragraph (3) he or she shall treat the complaint as disclosing a sufficient reason for proceeding further under this Part and, if he or she sees fit, he or she may suspend the member on full pay pending a final decision.
- (5) Where the Vice-Chancellor proceeds further under this Part he or she shall write to the member of the Academic Staff concerned inviting comment in writing.
- (6) As soon as may be following receipt of the comments (if any) the Vice-Chancellor shall consider the matter in the light of all the material then available and may:
  - (a) dismiss it himself or herself; or
  - (b) refer it for consideration under paragraph 13; or
  - (c) deal with it informally himself or herself if it appears to the Vice-Chancellor appropriate to do so and if the member of the Academic Staff agrees in writing that the matter should be dealt with in that way; or
  - (d) direct the Registrar and Secretary to prefer a charge or charges to be

considered by a Tribunal to be appointed under paragraph 16.

- (7) If no comment is received within 28 days the Vice-Chancellor may proceed as aforesaid as if the member concerned had denied the substance and validity of the alleged case in its entirety.

#### **Institution of Charges**

15.

- (1) In any case where the Vice-Chancellor has directed that a charge or charges be preferred under paragraph 14(6)(d), he or she shall request the Council to appoint a Tribunal under paragraph 16 to hear the charge or charges and to determine whether the conduct or performance of the member of the Academic Staff concerned constitutes good cause for dismissal or otherwise constitutes a serious complaint relating to the member's appointment or employment.
- (2) Where the Council has been requested to appoint a Tribunal under paragraph 16 the Registrar and Secretary or, if he or she is unable to act, another officer appointed by the Vice-Chancellor shall take charge of the proceedings.
- (3) The officer in charge of the proceedings shall formulate, or arrange for the formulation of, the charge or charges and shall present, or arrange for the presentation of, the charge or charges before the Tribunal.
- (4) It shall be the duty of the officer in charge of the proceedings:
- (a) to forward the charge or charges to the Tribunal and to the member of the Academic Staff concerned together with the other documents therein specified, and
  - (b) to make any necessary administrative arrangements for the summoning of witnesses, the production of documents and generally for the proper presentation of the case before the Tribunal.

#### **The Tribunal**

16.

A Tribunal appointed by the Council shall comprise:

- (a) a Chair; and
- (b) one member of the Council, not being a person employed by the University; and
- (c) one member of the Academic Staff nominated by the Senate.

#### **Provisions Concerning Tribunal Procedure**

17.

- (1) The procedure to be followed in respect of the preparation, hearing and determination of charges by a Tribunal shall be that set out in Ordinance made under this paragraph.

- (2) Without prejudice to the generality of the foregoing such Ordinances shall ensure:

- (a) that the member of the Academic Staff concerned is entitled to be represented by another person, whether such person be legally qualified or not, in connection with and at any hearing of charges by a Tribunal;
- (b) that a charge shall not be determined without an oral hearing at which the member of the Academic Staff concerned and any person appointed by him or her to represent him or her are entitled to be present;
- (c) that the member of the Academic Staff and any person representing the staff member may call witnesses and may question witnesses upon the evidence on which the case against him or her is based; and
- (d) that full and sufficient provision is made:
  - i. for postponements, adjournments, dismissal of the charge or charges for want of prosecution, remission of the charge or charges to the Vice-Chancellor for further consideration and for the correction of accidental errors; and
  - ii. for appropriate time limits for each stage (including the hearing) to the intent that any charge thereunder shall be heard and determined by a Tribunal as expeditiously as reasonably practicable.

#### **Notification of Tribunal Decisions**

18.

- (1) A Tribunal shall send its decision on any charge referred to it (together with its findings of fact and the reasons for its decision regarding that charge and its recommendations, if any, as to the appropriate penalty) to the Vice-Chancellor and to each party to the proceedings.
- (2) A Tribunal shall draw attention to the period of time within which any appeal should be made by ensuring that a copy of Part V (Appeals) accompanies each copy of its decision sent to a party to the proceedings under this paragraph.

#### **Powers of the appropriate Officer where charges are upheld by Tribunal**

19.

- (1) Where the charge or charges are upheld and the Tribunal finds good cause and recommends dismissal or removal from office, but in no other case, the appropriate officer shall decide whether or not to dismiss the member of the Academic Staff concerned.
- (2) In any case where the charge or charges are upheld, other than where the appropriate officer has decided under sub-paragraph (1) to dismiss the member of the Academic Staff concerned, the action available to the

appropriate officer (not comprising a greater penalty than that recommended by the Tribunal) may be:

- (a) to discuss the issues raised with the member concerned; or
- (b) to advise the member concerned about his or her future conduct; or
- (c) to warn the member concerned; or
- (d) to suspend the member concerned for such period as the appropriate officer shall think fair and reasonable, not to exceed 3 months after the Tribunal's decision; or
- (e) any combination of any of the above or such further or other action under the member's contract of employment or terms of appointment as appears fair and reasonable in all the circumstances of the case.

#### **Appropriate Officers**

20.

- (1) The Vice-Chancellor shall be the appropriate officer to exercise the powers conferred by paragraph 19 and any reference to the appropriate officer includes a reference to a delegate of that officer.
- (2) Any action taken by the appropriate officer shall be confirmed in writing.

#### **Part IV Removal for Incapacity on Medical Grounds**

21.

- (1) This Part makes separate provision for the assessment of incapacity on medical grounds as a good cause for dismissal or removal from office.
- (2) In this Part references to medical grounds are references to capability assessed by reference to health or any other physical or mental quality.
- (3) In this Part references to the appropriate officer are references to the Vice-Chancellor or an officer acting as his or her delegate to perform the relevant act.
- (4) References to the member of the Academic Staff include, in cases where the nature of the alleged disability so requires, a responsible relative or friend in addition to (or instead of) that member.

22.

- (1) Where it appears that the removal of a member of the Academic Staff on medical grounds would be justified, the appropriate officer:
  - (a) shall inform the member accordingly; and
  - (b) shall notify the member in writing that it is proposed to make an application to the member's doctor for a medical report and

shall seek the member's consent in writing in accordance with the requirements of the Access to Medical Reports Act 1988.

- (2) If the member shares that view the University shall meet the reasonable costs of any medical opinion required.
- (3) If the member does not share that view the appropriate officer shall refer the case in confidence, with any supporting medical and other evidence (including any medical evidence submitted by the member), to a Board comprising one person nominated by the Council; one person nominated by the member concerned or, in default of the latter nomination, by the Senate; and a medically qualified Chair jointly agreed by the Council and the member or, in default of agreement, to be nominated by the President of the Royal College of Physicians.
- (4) The Board may require the member concerned to undergo medical examination at the University's expense.

#### **Termination of Employment**

23.

If the Board determines that the member shall be required to retire on medical grounds, the appropriate officer shall direct the Registrar and Secretary or his or her delegate to terminate the employment of the member concerned on those medical grounds.

#### **Part V Appeals**

##### **Purpose of Part V**

24.

This Part establishes procedures for hearing and determining appeals by members of the Academic Staff who are dismissed or under notice of dismissal or who are otherwise disciplined.

##### **Application and Interpretation of Part V**

  - (c) to appeals against dismissal otherwise than in pursuance of Part II or Part III;
  - (d) to appeals against discipline otherwise than in pursuance of Part III; and
  - (e) to appeals against decisions reached under Part IV and "appeal" and "appellant" shall be construed accordingly.
- (2) No appeal shall however lie against:
  - (a) a decision of the appropriate body under paragraph 10(2);

- (b) the findings of fact of a Tribunal under paragraph 18(1) save where, with the consent of the person or persons hearing the appeal, fresh evidence is called on behalf of the appellant at that hearing;
  - (c) any finding by a Board set up under paragraph 22(3).
- (3) In this Part references to "the person appointed" are references to the person appointed by the Council under paragraph 28 to hear and determine the relevant appeal.
- (4) The parties to an appeal shall be the appellant and the Registrar and Secretary and any other person added as a party at the direction of the person appointed.

#### **Institution of Appeals**

26.

A member of the Academic Staff shall institute an appeal by serving on the Registrar and Secretary, within the time allowed under paragraph 27, notice in writing setting out the grounds of the appeal.

#### **Time for Appealing and Notices of Appeal**

27.

- (1) A notice of appeal shall be served within 28 days of the date on which the document recording the decision appealed from was sent to the appellant or such longer period, if any, as the person appointed may determine under sub-paragraph (3).
- (2) The Registrar and Secretary shall bring any notice of appeal received (and the date when it was served) to the attention of the Council and shall inform the appellant that he or she has done so.
- (3) Where the notice of appeal was served on the Registrar and Secretary outside the 28 day period the person appointed under paragraph 28 shall not permit the appeal to proceed unless he or she considers that justice and fairness so require in the circumstances of the case.

#### **Persons Appointed to Hear and Determine Appeals**

28.

- (1) Where an appeal is instituted under this Part the Council shall appoint a person described in sub-paragraph (2) to hear and determine that appeal.
- (2) The persons described in this sub-paragraph are persons not employed by the University being persons holding, or having held, judicial office or being barristers or solicitors of at least ten years' standing.
- (3) The person appointed shall sit alone unless he or she considers that justice and fairness will best be served by sitting with two other persons.
- (4) The other persons who may sit with the person appointed shall be:

- (a) one member of the Council not being a person employed by the University; and
- (b) one member of the Academic Staff nominated by the Senate.

#### **Provisions Concerning Appeal Procedures and Powers**

29.

- (1) The procedure to be followed in respect of the preparation, consolidation, hearing and determination of appeals shall be that set out in paragraphs 2 and 3 below.
- (2) Without prejudice to the generality of the foregoing such Ordinances shall ensure:
  - (a) that an appellant is entitled to be represented by another person, whether such person be legally qualified or not, in connection with and at any hearing of his or her appeal;
  - (b) that an appeal shall not be determined without an oral hearing at which the appellant, and any person appointed by him or her to represent him or her are entitled to be present and, with the consent of the person or persons hearing the appeal, to call witnesses;
  - (c) that full and sufficient provision is made for postponements, adjournments, dismissal of the appeal for want of prosecution and for the correction of accidental errors; and
  - (d) that the person appointed may set appropriate time limits for each stage (including the hearing itself) to the intent that any appeal shall be heard and determined as expeditiously as reasonably practicable.
- (3) The person or persons hearing the appeal may allow or dismiss an appeal in whole or in part and, without prejudice to the foregoing, may:
  - (a) remit an appeal from a decision under Part II to the Council as the appropriate body (or any issue arising in the course of such an appeal) for further consideration as the person or persons hearing the appeal may direct; or
  - (b) remit an appeal arising under Part III for re-hearing by a differently constituted Tribunal to be appointed under that Part; or
  - (c) remit an appeal from a decision of the appropriate officer under Part IV for further consideration as the person or persons hearing the appeal may direct; or
  - (d) substitute any lesser alternative penalty that would have been open to the appropriate officer following the finding by the Tribunal which heard and pronounced upon the original charge or charges.

## **Notification of Decisions**

30.

The person appointed shall send the reasoned decision, including any decision reached in exercise of his or her powers under paragraph 29(3)(a), (b) or (c), on any appeal together with any findings of fact different from those come to by the Council as the appropriate body under Part II or by the Tribunal under Part III, as the case may be, to the Vice-Chancellor and to the parties to the appeal.

## **Part VI Grievance Procedures**

### **Purpose of Part VI**

31.

The aim of this Part is to settle or redress individual grievances promptly, fairly and so far as may be, within the school, department or other relevant area by methods acceptable to all parties.

### **Application**

32.

The grievances to which this Part applies are ones by members of the Academic Staff concerning their appointments or employment where those grievances relate:

- (a) to matters affecting themselves as individuals; or
- (b) to matters affecting their personal dealings or relationships with other staff of the University, not being matters for which express provision is made elsewhere in this Ordinance.

### **Exclusion and Informal Procedures**

33.

- (1) If other remedies within the school, department or other relevant area have been exhausted the member of the Academic Staff may raise the matter with the Head of the school, department or other relevant area.
- (2) If the member of the Academic Staff is dissatisfied with the result of an approach under sub-paragraph (1) or if the grievance directly concerns the Head of the school, department or other relevant area, the member may apply in writing to the Vice-Chancellor for redress of the grievance.
- (3) If it appears to the Vice-Chancellor that the matter has been finally determined under Part III, IV or V or that the grievance is trivial or invalid, he or she may dismiss it summarily, or take no action upon it. If it so appears to the Vice-Chancellor he or she shall inform the Council accordingly.
- (4) If the Vice-Chancellor is satisfied that the subject matter of the grievance could properly be considered with (or form the whole or any part of):
  - (a) a complaint under Part III;
  - (b) a determination under Part IV; or
  - (c) an appeal under Part Vhe or she shall defer action upon it under this Part until the relevant complaint,

determination or appeal has been heard or the time for instituting it has passed and he or she shall notify the member and the Grievance Committee accordingly.

- (5) If the Vice-Chancellor does not reject the complaint under sub-paragraph (3) or if he or she does not defer action upon it under sub-paragraph (4) he or she shall decide whether it would be appropriate, having regard to the interests of justice and fairness, for him or her to seek to dispose of it informally. If he or she so decides he or she shall notify the member and proceed accordingly.

### **Grievance Committee Procedure**

34.

If the grievance has not been disposed of informally under paragraph 33(5), the Vice-Chancellor shall refer the matter to the Grievance Committee for consideration.

35.

The Grievance Committee to be appointed by the Council shall comprise:

- (a) a Chair; and
- (b) one member of the Council not being a person employed by the University; and
- (c) one member of the Academic Staff nominated by the Senate.

### **Procedure in Connection with Determinations; and Right to Representation**

36.

The procedure in connection with the consideration and determination of grievances shall be determined in Ordinances in such a way as to ensure that the aggrieved person and any person against whom the grievance lies shall have the right to be heard at a hearing and to be accompanied by a friend or representative.

### **Notification of Decisions**

37.

The Committee shall inform the Council whether the grievance is or is not well-founded and if it is well-founded the Committee shall make such proposals for the redress of the grievance as it sees fit.

**Annex** (See Paragraph 3(1)(c))

- (3) If it appears to the Chair of the Council that a complaint made to him or her under sub-paragraph (1) does not raise a *prima facie* case or is trivial or invalid, he or she may recommend to the Council that no further action be taken upon it.
  - (4) When the Council has appointed a Tribunal under sub-paragraph (2) it shall instruct a solicitor or other suitable person to formulate a charge or charges and to present, or arrange for the presentation of, the charges before the Tribunal.

  - (8) Persons appointed to hear such an appeal shall be persons independent of the University holding, or having held, judicial office or being barristers or solicitors of at least 10 years' standing and the person so appointed shall, subject to the principles of justice and fairness, determine the procedure to be adopted in hearing the appeal.
  - (9) A person appointed shall send the reasoned decision on the appeal, together with any findings of fact different from those come to by the Tribunal and his or her recommendations, if any, as to the appropriate penalty, to the Vice-Chancellor and to the Chair of the Council.
  - (10) Where a charge or charges have been upheld by the Tribunal and not dismissed on appeal, the Chair of the Council shall decide whether or not to dismiss the Vice-Chancellor.
2. Where a complaint is to be referred to a Tribunal under this Ordinance, the Chair of the Council may suspend the Vice-Chancellor from his or her duties and may exclude the Vice-Chancellor from the

precincts of the University or any part thereof without loss of salary.

3. "Good cause" in this Annex has the same meaning as in paragraph 5 of this Ordinance.
4. For the purpose of the removal of the Vice-Chancellor for incapacity on medical grounds, Part IV of this Ordinance shall have effect subject to the following modifications:
  - (a) for references to a member of the Academic Staff there shall be substituted references to the Vice-Chancellor;

### 1.3.

If a person fails so to register, the offer of

admission to the programme of study will lapse. It should be noted that, notwithstanding this Regulation, attendance is normally required on academic grounds from the first day of commencement of the programme of study. The University reserves the right, on academic grounds, not to allow students to register after term has started.

Such cases will be referred to the Academic Registrar for consideration under the appropriate University procedures and the student concerned may be required to withdraw from or be refused admission to the University.

### 1.6.

and Three, and Taught Postgraduates in Stage Four.

2.4.

The duration, syllabus and rules pertaining to progression and assessment for programmes of study leading to undergraduate and taught graduate/postgraduate awards shall be defined and published annually in the relevant programme specification.

2.5.

First-year students registered on full-time courses may be permitted to change their degree within the first two teaching weeks of the academic year or, on successful completion of the relevant module, at the end of the first year of study, subject to the approval of the Executive Dean or his/her deputy and to the availability of places on the degree they wish to enter.

2.6.

The Executive Dean or his/her deputy may permit a student to follow as part of his or her study for the degree of Bachelor an approved programme of study at an overseas university or comparable institution approved for the purpose in each case.

2.7.

Students may be admitted to programmes of study which are not assessed and to programmes of study leading to the grant of credits which may be accumulated towards an award of the University.

2.8.

For each undergraduate programme of study there is a maximum period within which a student must complete his or her studies. The maximum period is set from the date when the student is first admitted to sub-degree or an undergraduate programme at the University of Essex. Transfers of programme are still included in the original maximum period. Academic stages in which the student has undertaken a period of intermission are still included in the original maximum period. The Executive Dean or his/her deputy may consider requests for an extension to the maximum period of study in cases of ill-health or other exceptional circumstances. Details of the maximum period of study for each award are published in the Undergraduate Rules of Assessment.

2.9.

For the purpose of applying University policies and procedures, students studying on Integrated Masters Awards will be regarded as Undergraduate students in Stages One, Two

#### 2.10.

Students may be admitted to a programme of study leading to a dual award of the University of Essex and one or more awarding institution(s). The dual award arrangements shall be entered into formally between the University and the partner institution(s) before any candidates are admitted to the programme. The details of the programme shall be published in the relevant programme specification.

# Principal Regulations for Taught Masters Programmes

3.1.

In the Graduate School the following taught Masters degrees are conferred: Master of Arts (MA), Master of Fine Arts (MFA), Master of Public Enterprise and Management (MPEM), Master of Public Health (MPH)<sup>2</sup>, Master of Science (MSc), Master of Laws (LLM), Masters by Research (MRes), and the following integrated masters awards: Master of Ecology (MEcol), Master of Engineering (MEng), Master in Science (MSci), Master of Marine Biology (MMarBiol).

## ADMISSIONS

3.2.

A person wishing to be accepted as a student for a taught Masters degree must apply through the Head of Department concerned to be admitted as a registered graduate student within the Graduate School.

3.3.

A candidate for a Masters degree must satisfy one of the following admissions criteria:

- (a) hold a Bachelors (Honours) degree awarded by an institution or body with degree awarding powers in the UK;
- (b) be a graduate of first-cycle higher education as defined by the Bologna Declaration or a person holding a degree-level qualification from a recognised overseas institution;
- (c) be a person who is deemed to demonstrate an academic standard equivalent to a Bachelors (Honours) degree, documented through professional or vocational achievement.

In the case of applicants who are not native speakers of English, evidence must be produced of a high level of ability in the language, including writing.

3.4.

Students may be admitted to a programme of study leading to a dual award of the University of Essex and one or more awarding institution(s). The dual award arrangements shall be entered into formally between the University and the partner institution(s) before any candidates are admitted to the programme. The details of the programme shall be published in the relevant programme specification.

---

<sup>2</sup> This programme is being discontinued from the academic year 2014-15

A student studying for a dual award shall normally spend at least half their time at the University and the rest of the time at the partner institution(s).

## REGISTRATION ARRANGEMENTS

3.5.

Students must register as graduate students of the University and must comply with the Charter, Statutes, Ordinances and Regulations of the University; they must register annually at the beginning of each academic year after acceptance until they present themselves for examination for the degree.

## MASTERS DEGREE REQUIREMENTS

3.6.

A Masters degree may be conferred on students who have followed a taught Masters programme approved by the Senate on the recommendation of the relevant Faculty Board and consisting of systematic courses of lectures and other teaching, and the undertaking of a dissertation or its equivalent, which shall comprise no more than half the work of the programme of study.

Such students shall:

- (a) spend at least three terms of full-time study in the University or six terms of part-time study;
- (b) be assessed by assignments prescribed in the regulations for the programme of study. In addition students shall present, in a manner acceptable to the Senate, a dissertation or its equivalent as prescribed in the regulations for the programme; candidates are personally responsible for all expenditure connected with the preparation of a thesis or dissertation. Students may also be required to present themselves for an oral examination.

Modular study may be followed for a maximum period of six years.

The attendance requirements do not apply to study by distance learning.

3.7.

A dissertation or its equivalent submitted for a Masters degree may not incorporate, whether in the same or different form, work which has been submitted to this or to any other university for a degree unless the subject of the research is an extension or continuation of research begun for such a degree. In such a case the extent of the material and the degree if any obtained should be indicated (the student may be required to produce the work previously submitted).

A student must state generally in the preface to the dissertation and specifically in references the sources from which the

material is derived and the extent to which the candidate has used the work of others including collaborators.

3.8.

Apart from quotations, the dissertation must be presented in English unless the relevant Executive Dean or his/her deputy has given permission in advance for it to be in another language.

3.9.

Assessment in each taught Masters programme shall take place at the time or times described in regulations or otherwise approved by the relevant Faculty Board for that programme. With the consent of the relevant Executive Dean or his/her deputy, a candidate may be permitted to submit the dissertation after the approved time.

3.10.

Masters degrees will be awarded by the Senate on the recommendation of a Board of Examiners appointed by the Faculty Board.

#### **CONTINUATION PERIOD**

3.11.

Students who have completed the minimum period of study prescribed by the Senate and who have not yet presented themselves for examination will be required on registration to pay an appropriate 'continuation' fee as determined from time to time by the University. Such students shall be entitled to be examined (but not re-examined), to obtain any supervision required and to use University facilities including the Library. They shall be subject to the Charter, Statutes, Ordinances and Regulations of the University at any time they are present in the University.

## **Principal Regulations for Graduate and Postgraduate Diplomas and Certificates**

3.12.

In the Graduate School, graduate and postgraduate Diplomas and Certificates are offered.

3.13.

Candidates shall follow a programme of study approved by the Senate on the recommendation of the relevant Faculty Board. The regulations for each programme shall prescribe the period of study, whether in or outside the University, and the examinations and any other forms of assessment required.

3.14.

A person wishing to be accepted as a student for a Diploma or Certificate programme must apply through the Head of Department concerned to be admitted as a registered student within the Graduate School.

3.15.

Diplomas and Certificates shall be granted by the Senate on the recommendation of a Board of Examiners appointed by the Faculty Board.

3.16.

For all purposes of higher degree regulations, programmes of study leading to a Graduate or Postgraduate Diploma or Certificate of the University shall be treated as if they lead to a Masters of the University.

## **Principal Regulations for Research Degrees**

4.1.

In the Graduate School the following research degrees are conferred: Masters by Dissertation (MA or MSc by Dissertation), Master of Philosophy (MPhil), Doctor of Medicine (MD), Doctor of Philosophy (PhD) and Professional Doctorate.

*Note:* The Senate has approved *The Code of Practice for Research Degree Programmes* relating to postgraduate training and research, which is available online at: [www.essex.ac.uk/academic/docs/regs/prdcod e.shtm](http://www.essex.ac.uk/academic/docs/regs/prdcod e.shtm).

#### **PROVISIONS REGARDING ADMISSION**

4.2.

A person wishing to be accepted as a student for a research degree must first apply to the Head of the Department concerned to be admitted by the Executive Dean or his/her deputy of the Graduate School as a registered graduate student within the Graduate School.

The applicant must satisfy the admissions criteria set out in 4.3 and propose a field of study in which the department is able to offer supervision.

The Head of Department will recommend such applicants for admission to the Executive Dean or his/her deputy.

When an applicant is accepted for admission to a research degree, the Executive Dean or his/her deputy shall approve the appointment of a member or members of the Academic or Research staff of the University as the student's supervisor or supervisors.

It may be appropriate for an applicant to register for a research degree with a reduced minimum period due to previous and appropriate study undertaken elsewhere

(subject to Regulation 4.48). In such instances the Head of Department will recommend such applicants for admission with a reduced minimum period to the Executive Dean or his/her deputy.

## **ADMISSIONS CRITERIA**

### **4.3.**

In the case of applicants who are not native speakers of English, evidence must be produced of a high level of ability in the language, including writing.

## **MASTERS BY DISSERTATION, MASTER OF PHILOSOPHY AND INTEGRATED PHD**

- (c) be an applicant who is deemed by the Executive Dean or his/her deputy to demonstrate an academic standard equivalent to a Masters degree, documented through professional or vocational achievement.

## **PROFESSIONAL DOCTORATE**

Applicants for admission for the degree of Professional Doctorate must satisfy the following admissions criterion:

Be an applicant who in addition to meeting the criteria for admission to the degree of Doctor of Philosophy has appropriate professional qualifications and experience.

## **APPLICANTS NOT RESIDENT IN THE UK (DISTANCE LEARNING)**

### **4.4.**

Persons not normally resident within the UK may, on the recommendation of the Head of Department, be accepted by the Executive Dean or his/her deputy as students for a research degree by Distance Learning, either full or part-time. The Department or Centre recommending an offer must satisfy the Executive Dean or his/her deputy that expertise at the University makes it particularly appropriate for the student to undertake research here. An applicant must meet the relevant admissions criteria set out in 4.3 above. The Executive Dean or his/her deputy must be satisfied in each individual case that:

- (a) the applicant is equipped with the necessary basic research skills (or where not, that arrangements have been made for the acquisition of such skills);
- (b) details of supervisory arrangements for applicants accepted under this regulation are specified individually as appropriate (pro-rata for part-time study) and will include the frequency and mode of contact between supervisor and student, the extent of face-to-face contact envisaged, periods of time to be spent at the University, access to local facilities and expertise where relevant (most commonly in the place of employment), and arrangements for written reports on research and progress.

Meetings of supervisory boards will normally be held at the University of Essex.

## **REGISTRATION ARRANGEMENTS**

4.5.

Students accepted for admission to a research degree must register as graduate students of the University and must comply with the Charter, Statutes, Ordinances and Regulations of the University; they must register annually at the beginning of each academic year after acceptance until they present themselves for examination for the degree.

## **MINIMUM AND MAXIMUM PERIODS**

4.6.

The normal minimum and maximum periods of study are shown in Appendix 1.

4.7.

During the minimum period a full-time student is expected to undertake supervised study and research in the University. A part-time student is expected to attend for regular visits for the purpose of supervision, research training and supervisory boards.

4.8.

The Executive Dean or his/her deputy may permit transfer from one mode of study to another, eg from full-time to part-time, (including distance learning) or vice-versa and change of degree title. The minimum/maximum period will be adjusted pro-rata. Students are not allowed to transfer from full-time study to part-time study in the final term of their minimum period or during their completion period.

4.9.

In exceptional circumstances, the Executive Dean or his/her deputy may reduce the minimum period of study, provided that:

- (a) no more than three terms of the period shall be waived (for a PhD) (pro-rata for other awards and part-time students);
- (b) the Executive Dean or his/her deputy is satisfied that the student has completed his or her study and research and is ready to submit the thesis.

4.10.

Students admitted to a PhD (not a Professional Doctorate) will be initially registered for an MPhil/PhD. Their registration status will be subject to confirmation (see 4.30).

## **RESEARCH DEGREE REQUIREMENTS**

4.11.

For all the University's research degrees a student shall:

- (a) attend such classes, seminars and personal consultations as the supervisor(s) shall require at times arranged by the supervisor(s);

- (b) attend supervisory board meetings as required, and produce work and/or other evidence of progress as required by the supervisor and other board members;

- (c) submit, in accordance with the regulations and rules governing presentation of such work, a dissertation/thesis for examination under a title which has been approved by the Head of Department.

4.12.

At the end of each academic year during his/her minimum period, a student may be permitted to proceed to the next year by the departmental Research Students' Progress Committee (see 4.33 on change of status and discontinuation). The Research Students' Progress Committee's decision will be reported to the Executive Dean or his/her deputy of the Graduate School, accompanied by appropriate supporting documents. The Research Students' Progress Committee may also recommend that a student's registration status be downgraded or discontinued to the Executive Dean or his/her deputy. The Executive Dean or his/her deputy may accept or reject the recommendation. Students may submit an appeal against the recommendation that their registration status be downgraded or discontinued using the Appeals Procedure against a Progress Decision – Postgraduate Research Students (see Appeals Procedure against a Progress Decision – Postgraduate Research Students).

## **DOCTOR OF PHILOSOPHY DEGREE BY PROGRAMME**

4.13.

A student shall follow a three-year programme approved by the Senate. In addition to the requirements set out in 4.11 and 4.12 above the programme commences with a six-month, intensively taught, initial period of training at the end of which the study will be formally assessed as specified at the time of admission.

## **DOCTOR OF MEDICINE**

4.14.

The degree of Doctor of Medicine is offered as a programme of supervised research. The requirements are as for other research degrees.

Students shall be jointly supervised by a member of the Academic or Research staff of the University and an appropriately qualified and experienced associate supervisor employed by an NHS Trust associated with the University of Essex.

## INTEGRATED PHD

4.15.

A student shall follow a four-year programme approved by the Senate.

The first year shall comprise an intensively taught initial period of training at the end of which the student will be formally assessed.

On successful completion, the first year will be followed by three years of supervised research following the requirements set out in 4.11 and 4.12 above.

In addition, during the second year, the student will receive further training in professional and research skills, which will be formally assessed.

## PROFESSIONAL DOCTORATE

4.16.

Students shall follow a programme of study approved by the Senate. The requirements for each programme shall prescribe the period of study, whether in or outside the University and the form of assessment required of students.

## COMPLETION PERIOD

4.17.

The stage between the end of the minimum period and the end of the maximum period is known as the completion period.

At the end of the prescribed minimum period, a student may be permitted to proceed to a twelve-month completion period by the Research Students' Progress Committee. The Research Students' Progress Committee shall decide that a student can proceed to the completion period where it is satisfied that the student has completed written work of sufficient quality and quantity to provide clear evidence that the student is in a position to write up the remainder of the thesis and submit within the twelve-month completion period.

4.18.

In the case of science departments, the student must have completed all experimentation/laboratory work and submitted a thesis plan. In addition the student must have submitted the following written work of a satisfactory quality:

Degree	Word count for submission of written work to the Supervisory Board
PhD	20,000
Professional Doctorate	15,000
MPhil/MD	15,000
Masters by Dissertation	10,000

4.19.

For other disciplines, the student must have completed all fieldwork/data collection, where appropriate, and have a substantial proportion of the thesis written in draft of a satisfactory quality.

4.20.

The Supervisory Board will base its judgement on whether the student can proceed to the completion period on the quality and quantity of the written work submitted to it at the end of the minimum period. The Research Students' Progress Committee's decision will be reported to the Executive Dean or his/her deputy of the Graduate School, accompanied by appropriate supporting documents.

4.21.

Where the student is not ready to proceed to the completion period because there is no realistic expectation that the student will be in a position to present the thesis for examination within the completion period, even though the quality of the work is of the required standard, then the Executive Dean or his/her deputy may extend the minimum period, on the recommendation of the departmental Research Students' Progress Committee.

4.22.

A student who is not permitted to proceed to the completion period shall pay in advance the appropriate full-time fee (pro-rata for part-time students) for the additional terms of his/her extended minimum period.

## PROFESSIONAL DOCTORATES

4.23.

There is no completion period for students on full-time Professional Doctorate programmes. If a student is not ready to submit his/her thesis at the end of the minimum period the Executive Dean or his/her deputy, on the recommendation of the Board of Examiners, shall extend the minimum period.

The appropriate full-time fee is payable for the additional terms of the extended minimum period.

For students on part-time Professional Doctorate programmes the arrangements in 4.17-4.22 apply.

## COMPLETION FEE

4.24.

Students who are permitted to proceed to completion will be required on registration to pay an appropriate 'completion' fee as determined from time to time by the University. Such students shall be eligible to be examined (the fee does not cover re-examination), to obtain any supervision and

advice required and to use the University Library and IT facilities. Students in their completion period will be permitted to use laboratories only in special circumstances and with the permission of the Head of Department, subject to the payment of a termly laboratory bench fee. Students paying the completion fee shall be subject to the Charter, Statutes, Ordinances and Regulations of the University.

## **MAXIMUM PERIOD**

### **From 2008-09**

4.25.

A student shall normally submit his/her dissertation/thesis for examination within one calendar year of the end of the prescribed minimum period of study. A further extension will only be agreed in exceptional circumstances.

This does not apply to students on full-time Professional Doctorates (see 4.23) where the minimum and maximum periods are the same.

### **Before 2008-09**

4.26.

A student shall normally submit his/her dissertation/thesis for examination within one calendar year of the prescribed minimum period of study. If the dissertation/thesis is not ready for examination within this period, a further completion period of one calendar year may be permitted. A further extension will only be agreed in exceptional circumstances.

## **PAID DUTIES**

4.27.

Students who are registered as full-time students may with the consent of their supervisors undertake paid duties in the University for a maximum of eighteen hours per week averaged across the year. Students employed to teach at the University should normally have a maximum teaching load of six teaching hours per week and not more than a total of eighteen effort hours per week.

Tier 4 sponsored students must adhere to the regulations relating to the maximum number of hours of paid work permitted by their work permit.

Students funded by a Research Council studentship/scholarship must adhere to relevant terms and conditions of their studentship/scholarship relating to paid work.

## **PERMISSION TO CONDUCT RESEARCH OUTSIDE THE UK**

4.28.

Except as provided for by specific regulations, the minimum period of supervised study and research for a research degree shall be spent in full-time study at the University of Essex.

For the degrees of MPhil and PhD, the student's Head of Department may give permission, in individual cases, for part of the minimum period to be spent conducting research outside the UK. This shall be for approved purposes including the full-time collection of material in the field and full-time study at a particular place. The Head of Department shall in each case approve the place of study outside the UK and shall approve the proposed arrangements for supervision away from the University of Essex, including attendance by the student at the University of Essex and visits by University staff. Any approved periods of Study Away must be reported to the Graduate School.

Except in special circumstances approved by the Executive Dean or his/her deputy, a student may not spend the first two terms of study away from the University of Essex. All students must spend at least three terms of full-time supervised study and research for the degree of PhD at the University of Essex, and two terms for the degree of MPhil.

## **LEAVE OF ABSENCE (INTERMISSION)**

4.29.

Permission may be given to students to withdraw temporarily (intermit) from the University during the course of a research degree programme with a view to returning at a later date. Students must make a written application to their department and must give acceptable reasons for their request. The application for intermission must be supported by the student's supervisor. The Head of the student's department, or his or her nominee, will consider the request and come to a decision whether or not to give permission to the student to intermit from the University. In some cases, the Head/nominee may refer the request to the Executive Dean or his/her deputy who will make a decision whether or not to give permission to intermit.

The Head/nominee or Executive Dean or his/her deputy may prescribe conditions which shall be fulfilled before the student may resume their programme of study. If permission is given, the student will be registered as an intermitting student for the whole of the period of their absence and will comply with the Charter, Statutes, Ordinance and Regulations of the University.

An intermitting student may be required to pay an appropriate fee as determined from time to time by the University.

A student may apply for a period of intermission at any point during their minimum period; however periods of intermission will be linked to the University's term dates. During the completion year, requests for intermission

will normally only be approved on medical grounds and other exceptional circumstances. A student who is permitted or required to intermit from the University shall receive no supervision and is not entitled to attend any modules or training events, and is not expected to be present at the University. Students' computing accounts will remain active throughout the intermission period. In the term prior to returning from intermission, limited library borrowing rights are available.

All students are required to re-register upon return to the University following a period of intermission. Students who fail to do so within 28 days will be deemed to have withdrawn permanently and may be re-admitted only with the permission of the Academic Registrar.

Note: All decisions to grant intermission are governed by a set of guidelines that are published by the Registry.

#### **CONFIRMATION – PHD STUDENTS ONLY**

4.30.

The regulations concerning confirmation apply to PhD students, including those on Integrated PhD programmes, but not to students on Professional Doctorates. For students on an Integrated PhD the process of confirmation occurs in the third year.

#### **For students admitted from October 2008**

All intending PhD students are initially registered as MPhil/PhD. During the second year of full-time study (or the equivalent for part-timers) a student's PhD registration may be confirmed. Until this point intending PhD students are registered as MPhil/PhD. The Research Students' Progress Committee shall decide that a student's PhD status be confirmed only if it is satisfied that the student has produced work of sufficient quality and quantity to provide evidence of appropriate PhD-level progress. The Research Students' Progress Committee's decision will be reported to the Executive Dean or his/her deputy of the Graduate School, accompanied by appropriate supporting documents.

In exceptional cases, if the departmental Research Students' Progress Committee was satisfied that a student had produced work of sufficient quality and quantity to provide evidence of appropriate PhD-level progress and agreed milestones for confirmation had been met, PhD status could be confirmed at the end of the first year (or equivalent for part-timers).

A student whose PhD status is confirmed shall have his/her registration changed to PhD.

If a student's PhD status is not confirmed at the first meeting of the Research Students' Progress Committee in the second year (or

equivalent), their progress will be re-evaluated at the second meeting in the year.

If a student's PhD status is not confirmed at the second meeting, the Research Students' Progress Committee shall recommend to the Executive Dean or his/her deputy that the student's status be changed to MPhil or Masters by Dissertation. The Executive Dean or his/her deputy may accept or reject the recommendation. Where the recommendation to change the student's status is accepted by the Executive Dean or his/her deputy the minimum period of study will be reduced accordingly.

#### **APPEALS PROCEDURE**

4.31.

Students admitted for the degree of MPhil/PhD whose PhD status is not confirmed following re-evaluation of their progress by a second Research Students' Progress Committee may submit an appeal against the recommendation that their registration status be changed using the Appeals Procedure against a Progress Decision – Postgraduate Research Students (see Appeals Procedure against a Progress Decision – Postgraduate Research Students).

#### **UPGRADING**

4.32.

A student for the degree of Masters by Dissertation may be permitted to transfer to the degree of MPhil MPhil/PhD, or PhD by the departmental Research Students' Progress Committee. The Executive Dean or his/her deputy may permit students to count the period of study begun for the Masters towards the minimum period of study required for the degree of MPhil, MPhil/PhD or PhD.

A student for the degree of Master of Philosophy may be permitted to transfer to the degree of Doctor of Philosophy by the departmental Research Students' Progress Committee. The Executive Dean or his/her deputy may permit students to count the period of study begun for the MPhil towards the minimum period of study required for the degree of PhD.

#### **CHANGE OF STATUS AND DISCONTINUATION**

4.33.

The Executive Dean or his/her deputy may, after a report from the departmental Research Students' Progress Committee, require a student to discontinue as a research degree student, if, in the view of the Research Students' Progress Committee and the Executive Dean or his/her deputy, the student's progress is unsatisfactory at any stage.

After receiving a report from the departmental Research Students' Progress Committee that the progress of the student is unsatisfactory, the Executive Dean or his/her deputy may also, at any stage, agree that the registration status of a student for the degree of MPhil, MPhil/PhD or PhD be changed to either the degree of MPhil or of Masters by Dissertation.

### **APPEALS PROCEDURE**

4.34.

Students may submit an appeal against the recommendation that their registration status be changed to MPhil or Masters by Dissertation from MPhil, MPhil/PhD or PhD, or discontinued using the Appeals Procedure against a Progress Decision – Postgraduate Research Students (see Appeals Procedure against a Progress Decision – Postgraduate Research Students).

### **Submission and Examination of the thesis/dissertation**

Note: Please read 'dissertation' for 'thesis' for students for the degree of MSc or MA by Dissertation.

4.35.

Requirements for the award:

### **MASTERS BY DISSERTATION**

4.36.

A candidate submitting a dissertation for a Mastership is required to present the results of research carried out during the approved period of study and should demonstrate advanced understanding of the area of study. The dissertation should set out the relationship between the candidate's work and the wider field of knowledge, and should be expressed clearly and concisely.

In the case of a thesis involving original creative output, for the degree of Masters by Dissertation, the thesis must embody the results of research carried out/or output created during the approved period of study and should demonstrate advanced understanding of the area of study. The thesis must contain a commentary which addresses the originality and artistic relevance of the work.

The dissertation should set out the relationship between the candidate's work and the wider field of knowledge/the genre, and should be expressed clearly and concisely.

## PROFESSIONAL DOCTORATE

4.40.

A thesis submitted by a candidate for the doctorate must embody the results of research carried out during the approved period of study. In the thesis and the oral examination the candidate is required to conduct and present original investigations that make a significant contribution to the nature of practice within the profession or to the way theory is applied, to understand the relationship of the theme of the investigations to a wider field of knowledge and to express him/herself clearly and concisely.

### Word length

4.41.

Degree	Maximum word length <sup>3</sup>
Masters by Dissertation	30,000
MPhil	50,000
Doctor of Medicine	65,000
PhD	80,000
Professional Doctorate	40,000

These word lengths exclude any references and bibliography.

The thesis shall incorporate a summary of the work not exceeding 300 words in length which is part of the thesis. A thesis submitted for examination must not normally exceed the maximum word length for the degree specified in the above table unless previously submitted for a higher award. In cases where the thesis exceeds the maximum word length the Executive Dean or his/her deputy must approve the extended word length before submission.

4.42.

Apart from quotations, the thesis and summary must be in English, unless the Executive Dean or his/her deputy has given permission in advance for it to be in another language.

## STRUCTURE OF THE THESIS

4.43.

A candidate who is about to submit a thesis must give at least two months' prior notice in

---

<sup>3</sup> Maximum word lengths for a thesis including creative output may vary depending on the format of the thesis submission. Nominal word lengths for each format are to be approved by the Graduate School and published to students.

writing to the Executive Dean or his/her deputy. The title of the thesis must be approved by the Head of Department.

4.44.

Because the basis for conferment of the degree is an account of the candidate's own research and scholarship, the form of a thesis may vary but, except with the express permission of the Executive Dean or his/her deputy, a thesis must consist of an investigation by one author of a unified theme of research.

4.45.

Normally two copies of a thesis shall be submitted to the Registry. Students should retain a third copy to be made available if required. The thesis must be presented with double spacing on A4 paper.

4.46.

Only material which is freely available for publication may be incorporated into a thesis, unless the Executive Dean or his/her deputy permits otherwise.

4.47.

A student must state, generally in a preface to the thesis and specifically in references, the sources from which the material is derived, and the extent to which the candidate has used the work of others, including, when permitted by the Executive Dean or his/her deputy under the provisions of Regulation 4.44 above, collaborators.

4.48.

A thesis may not incorporate, whether in the same or different form, work which has been submitted to this or to any other university for a degree unless the subject of the research is an extension or continuation of research begun for such a degree. In such a case the extent of the material and the degree if any obtained should be indicated (the candidate may be required to produce the work previously submitted). An exception will apply where the thesis is resubmitted after unsuccessful submission for a higher award (see 4.55-4.56).

4.49.

Before eligibility for conferment of the degree may be determined by the Executive Dean or his/her deputy the candidate shall deposit with the University two copies of the thesis bound in book form with stiff covers showing the year of presentation and the name of the candidate on the spine. The candidate is personally responsible for all expenditure connected with the preparation of a thesis or dissertation.

4.50.

One copy of the thesis of a successful candidate will be retained in the University Library, and will become the property of the University. (See Regulations 11.46-11.50).

The second copy will be retained in the Department concerned.

### Appointment of Examiners

4.51.

A candidate for a research degree shall be examined by at least two persons appointed for the purpose by the Executive Dean or his/her deputy. The examiners shall include a member of the Academic or Research staff of the University of Essex, as the internal examiner, and an external examiner. In cases where a re-examination is necessary and the internal examiner has left the University after the original examination he or she shall normally continue to act as the internal examiner for the re-examination. No person who has been a supervisor of the candidate's work shall be appointed as an examiner nor shall such a person be present at an oral examination of that candidate except in special circumstances to be approved in each individual case by the Executive Dean or his/her deputy with the agreement of the external examiner. Notwithstanding the foregoing, a person who has temporarily supervised the candidate's work for not more than twelve months in the absence of the permanent supervisor may, in exceptional circumstances, be appointed an examiner, provided that he or she has not acted as a temporary supervisor during any part of the twelve months before the candidate is examined. No person who has a professional or personal relationship with the candidate that might give rise to a conflict of interest shall be appointed as an examiner. Except with the prior permission of the Executive Dean or his/her deputy both examiners (or, where more than two are appointed, all examiners) shall be present when an oral examination is held.

For the examination of a candidate for the degree of Doctor of Medicine the external examiner shall normally be medically qualified and/or experienced in the relevant area of research.

As determined in individual cases, the Executive Dean or his/her deputy may appoint an Independent Chair, who is a senior member of the Academic or Research staff of the University of Essex, to oversee the conduct of the oral examination.

### Oral examination

4.52.

The candidate must attend an oral examination, except that the Executive Dean or his/her deputy may, on sufficient grounds submitted by the examiners, excuse a candidate from the oral examination.

## Examination Results

### FOR ALL RESEARCH DEGREES

4.53.

Examiners may recommend one of the following:

- (a) pass – no corrections required;
- (b) pass with *minor typographical/presentational corrections* – the student makes the corrections prior to binding the thesis;

Revisions must be made and the thesis submitted within two months;

If a revised thesis is required, as a result of the examiners' decision to refer the thesis or allow a failed thesis to be resubmitted for a lower award, there shall be a further oral examination, except when the Executive Dean or his/her deputy, on sufficient grounds submitted by agreement of both examiners, excuses a candidate from a further oral

examination. Students who are referred will be required to register and pay the relevant fee and the re-examination fee even if working away from the University.

## MASTER OF PHILOSOPHY

4.56.

In addition, the examiners may recommend one of the following:

- (a) award of a Masters by Dissertation – the candidate has not met the requirements for an MPhil but has met the requirements for the degree of Masters by Dissertation. No corrections are required but the candidate must amend the title page of the thesis;

They must also specify the referral period required, which should not normally be less than four months or exceed 12 months.

## Publication of Result

4.57.

A candidate shall normally be informed of the result of the examination within not more than one month from the date of the oral examination.

Candidates are entitled to receive copies of the examiners' reports on their thesis on request, when examining is complete.

## Failure to agree

4.58.

In the event of disagreement on the result to be recommended, the examiners may, after

due consideration between themselves, certify that their failure to agree on a result is irreconcilable. Two new examiners shall then be appointed. The new examiners shall examine the thesis and shall also conduct an oral examination. The new examiners may recommend to the Executive Dean or his/her deputy any result which was open to the original examiners and their decision on the recommendation shall be final, subject only to any right of appeal which may be given under the provisions of other Regulations.

## **Appeals Procedure**

4.59.

A student for a research degree whose examination result is 'fail', 'referred', or is the award of or option to re-submit for a lower degree, may submit an appeal against that decision using the Appeals Procedure against an Examination Decision (Thesis) (see Appeals Procedure against an Examination Decision (Thesis)).

Student status commences at first registration for a programme of study and continues, unless it is otherwise terminated, until the award is conferred or granted.

5.2.

All prospective or continuing students must register each year at the required times in accordance with procedures approved from time to time by the University. The University reserves the right, on academic grounds, not to allow students to register after term has started. Only exceptionally and with the special permission of the Academic Registrar will prospective or continuing students be allowed to register late. A late fee will be charged in such cases, of an amount to be determined from time to time by the Academic Registrar.

5.3.

Students who have commenced a programme of study but who fail to re-register or are prevented by the operation of other Regulations from re-registering by the end of the period of twenty-eight days starting with the first day of the Autumn term shall be deemed to have withdrawn permanently from the University and from their programme of study and shall thereupon cease to be students of the University. This Regulation does not apply to students excluded temporarily by the Vice-Chancellor, continuation students or completion students, whose registration is governed by Regulations 5.14. and 5.15. respectively.

5.4.

In accepting an offer of a place at the University students agree to be bound by all the relevant provisions of the Charter, Statutes, Ordinances and Regulations of the University, which include the Code of Student Conduct. This undertaking is confirmed at Registration.

5.5.

All prospective or continuing students, full-time or part-time, will sign at Registration a statement undertaking that they will comply with the Charter, Statutes, Ordinances and Regulations of the University.

5.6.

Students shall notify the University as soon as possible of any subsequent change in the information which they have given at Registration relating to name, address, choice of module, choice of options, and source of financial support.

5.7.

A student who loses his/her Registration Card must inform the University immediately, and a duplicate Registration Card may be issued on payment of a fee determined from time to time by the University.

5.8.

All students are required to register with a doctor in the vicinity of their term-time residence within four weeks of registering with the University. Students who register with a doctor other than the Health Centre on the Colchester campus may be required to notify the University of his/her name.

5.9.

No prospective or continuing student will be permitted to attend lectures, classes or laboratories or to use the University Library, computing or any other facilities of the University until he/she has registered and paid or made satisfactory arrangements to pay the tuition fees due.

5.10.

Fees and other charges must be paid at the times prescribed by the University. Students who have not paid fees and other charges including accommodation charges by the required date will be liable for a late payment charge of an amount, or rate of interest, to be determined from time to time by the University. Fee refunds will only be made in accordance with the policy published by the Director of Finance.

5.11.

The use of University facilities may be withdrawn from students who have not paid or made satisfactory arrangements to pay the tuition fees due to the University. In the context of this Regulation the term 'University facilities' is to be interpreted to comprise all forms of academic instruction and supervision, the Albert Sloman Library, computing facilities and residential accommodation owned or administered by the University. A student who incurs a debt at another academic institution for which the University of Essex is liable to repay that institution during the programme of study will be deemed to be in debt to the University of Essex and therefore subject to Regulations 6.5. and 6.28. until the debt is paid.

Except with the permission of the Director of Finance no student who is in debt to the University may register for a further period of study in the University.

5.12.

Persons who hold office in the Students' Union and are not otherwise registered as students shall be required to register as full-time occasional students, without fee, during their period of office and will abide by the Charter, Statutes, Ordinances and Regulations of the University.

5.13.

Former students who have withdrawn permanently or been required to withdraw permanently or been deemed to have withdrawn permanently from the University may be re-admitted to a programme of study and become students of the University only with the permission of the Academic Registrar.

5.14.

Students who have completed the minimum period of study prescribed by the Senate for the programme which they are following and who are required under Regulations or rules to register and pay a continuation fee are required to register each year as continuation students and shall remain subject to the Charter, Statutes, Ordinances and Regulations of the University. A continuation student who fails so to register will nevertheless be deemed to have done so and will be permitted and required to pay the appropriate continuation fee in arrears until his or her programme of study is completed or his or her permanent withdrawal from the University is recorded by the Registry; a student who fails to register and pay the appropriate fee as required each year will not however be entitled to use University facilities.

5.15.

Students who have completed the minimum period of study prescribed by the Senate for the programme which they are following and who are required under Regulations to register and pay an annual completion fee, as prescribed from time to time, are required to register each year as completion students and shall remain subject to the Charter, Statutes, Ordinances and Regulations of the University. Completion students may, however, be permitted to pay prescribed fees termly. Students who, by the end of the specified period have not presented themselves for examination, fail to pay, or make acceptable arrangements to pay, the appropriate completion fee shall be deemed to have withdrawn permanently from the University and from their research degree and shall thereupon cease to be students of the University.

5.16.

Completion students must present themselves for examination by the end of the final term (including the relevant vacation period) of their completion year. Where a student has extenuating circumstances that affect their ability to submit their thesis by the agreed deadline they may request an extension to their submission deadline of up to two weeks without having to register for the next term or pay the prescribed fee for that period. Requests for an extension must be made to the Registry in advance of the existing deadline. Students who fail to present themselves for examination by the deadline shall be deemed

to have withdrawn permanently from the University and from their research degree unless they are permitted a further period of completion (subject to Regulations 4.25 and 4.26) for which they must register and pay the prescribed fee for that period.

5.17.

Other cases which are not governed by Regulation 5.16 where a student has extenuating circumstances that affect their ability to submit their thesis by the agreed deadline will be considered by the Executive Dean or his/her deputy of the Graduate School on a case-by-case basis.

**TEMPORARY WITHDRAWAL (INTERMISSION)**

5.18.

Permission may be given to students to withdraw temporarily (intermit) from the University during their programme of study with a view to returning at a later date. Students must make a written application to their Department and must give acceptable reasons for their request. The Head of the student's department, or his/her nominee, will consider the request and come to a decision whether or not to give permission to the student to intermit from the University. In some cases, the Head/nominee may refer the request to the Executive Dean or his/her deputy who will make a decision whether or not to give permission to intermit. The Head/nominee or Executive Dean or his/her deputy may prescribe conditions which shall be fulfilled before the student may resume their programme of study.

If permission is given, the student will be registered as an intermitting student for the whole of the period of their absence, and will comply with the Charter, Statutes, Ordinances and Regulations of the University.

An intermitting student may be required to pay an appropriate fee as determined from time to time by the University.

All students are required to re-register upon return to the University following a period of intermission. Students who fail to do so within 28 days will be deemed to have withdrawn permanently and may be re-admitted only with the permission of the Academic Registrar.

Special procedures apply to students applying to intermit after the sixth week of the Spring term (ie week 21) of a final year undergraduate course or week 30 in the first and second year of an undergraduate course (see Regulation 5.19).

5.19.

Students following a final year undergraduate course will be permitted to intermit from the University only if the request has been made to the relevant Head of Department, or his or her nominee or the Executive Dean or his/her deputy, before the Monday of the sixth week of the Spring

term (ie week 21) in the year in question. The final deadline to request permission to intermit in the first and second years is 4pm on Friday of week 30 (or the working day two weeks immediately prior to the first day of the examination period). Exceptionally the Executive Dean or his/her deputy may approve requests after this date. If permission is given, regulation 5.18 above applies.

If permission is not given, students must submit themselves, or will be deemed to have submitted themselves, for assessment in the main examination period in the normal way (see also Regulation 6.25. relating to the award of aegrotat degrees).

5.20.

A student who is permitted or required to intermit from the University is not entitled to attend any teaching and is not expected to be present at the University. Students' computing accounts will remain active throughout the intermission period. Limited library borrowing rights are available.

Note: All decisions to grant intermission are governed by a set of guidelines that are published by the Registry.

# Regulations relating to Academic Affairs

## Administration of Teaching

6.1.

Lectures and classes will begin on the hour. To enable students to move from one to the next, lectures and classes shall end not later than ten minutes to any hour.

6.2.

Availability of optional modules may be subject to student demand and timetabling constraints. Every effort is made to timetable optional modules in such a way that clashes are minimised. However, where a student is enrolled for two modules with a timetable clash between lectures, the student is required to change one of the conflicting modules. Students may request special permission from the Executive Dean or his/her deputy to be exempted from this requirement. Each request will be judged on its merits.

## Administration of Examinations

6.3.

The main examination period shall take place in May/June. Examinations for specific groups of students may take place at other times. Resit examinations shall normally take place in the first full week of September.

6.4.

Students must comply with the requirements of the Examinations Office in relation to examination entry. Alterations to examination entry after the published deadline will be made at the discretion of the Registrar and Secretary and may be subject to a fine.

6.5

The result of any examination taken by a student who is in debt to the University will not receive formal recognition by the University, unless otherwise determined by the Registrar and Secretary after consideration of individual circumstances.

6.6.

Attendance at all examinations associated with the approved programme of study is compulsory and any student who fails to present himself or herself for such an examination at the time and place published by the Registrar and Secretary, except when prevented from doing so by illness or other sufficient cause, will be deemed to have failed in that part of the examination. Misreading of the examination timetable will not be regarded as 'sufficient cause'.

6.7.

Invigilators shall have the power to remove any candidate from the examination room for good cause.

6.8.

No candidate will be admitted to the examination room later than 55 minutes after the start of any examination of more than one hour's duration. No candidate will be permitted to leave the examination room permanently during the first 55 minutes or during the last 30 minutes of an examination of more than one hour's duration. For examinations with a duration of up to one hour candidates will be admitted to the examination room up to 10 minutes after the start of the examination and will be permitted to leave the examination room permanently only with the permission of the invigilator.

6.9.

Where a candidate is unable for good cause to attend a written examination in the place arranged for the examination permission may be given by the Registrar and Secretary for the examination to be held elsewhere, provided that it is simultaneous and invigilated.

6.10.

Project or other work which is part of an examination must be submitted by the required date, otherwise such work may be left out of account in the assessment of the examination result.

## Assessment

6.11.

Modules may be assessed by coursework or by examination or by a combination of both. Coursework may include class tests, project work, field work and laboratory work and other appropriate forms of assessment. The detailed methods and rules of assessment for individual modules are available from Departmental Offices or their equivalent.

6.12.

Students are examined at the end of each year of their course and must satisfy the examiners before being permitted to proceed. Examinations for groups of students on specified modules or courses may take place at times other than the main examination period in May/June.

6.13.

Students who do not satisfy the examiners in the examinations may be permitted to re-sit specified examinations, to undertake a repeat period of study, full-time or part-time, or be required to leave the University.

6.14.

In degree courses of three years' duration, the final class of degree will normally be based upon the assessment of the second and final years of

study. In degree courses of four years' duration, the assessment of the third year of study may be taken into account in assessing the final class of degree. The detailed rules of assessment for the award of first degrees are approved by the Senate and are available from the Registry.

## Academic Progress

6.15.

Students will be permitted to proceed with their programmes of study only if their progress is satisfactory.

6.16.

The progress of each student shall be reviewed at regular intervals during the academic year by academic departments. Where necessary Heads of Department or, in the case of students following joint degrees, the Director of the course, shall inform the Executive Dean or his/her deputy of any student whose progress gives cause for concern. The Executive Dean or his/her deputy Dean may refer a student to the Progress Committee, which shall be appointed annually by the Board. In such cases the Progress Committee shall act on behalf of the Board and may require a student whose progress is unsatisfactory to withdraw from the University. First and Second Year Boards of Examiners may also require a student whose progress is unsatisfactory to withdraw from the University. A student who is required to withdraw from the University on the grounds of unsatisfactory progress has the right of appeal in accordance with the procedures approved by the Senate.

6.17.

Heads of Department or, in the case of students following joint degrees, the Director of the course, shall inform the Executive Dean or his/her deputy of any student whose performance suggests that *prima facie* the student will be unable to meet the requirements for obtaining a pass at the end of the year. The cases of such students will normally be dealt with by the Executive Dean or his/her deputy who will normally write to the students to warn them of the gravity of their situation and the likelihood that they will fail the year or the award for which they are registered.

6.18.

A student who is prevented by ill health or other serious impediment from meeting the normal requirements of his or her programme of study for more than six consecutive weeks, may not, except with the permission of the Deputy Vice-Chancellor, count that term as part of the requirements of the programme of study for which he/she is registered.

## Cheating

6.19.

(a) It is an academic offence for a student to engage in unfair academic practices or to cheat in any examination, or in any other

submitted part of his or her University work, whether or not such work is formally assessed. A student may be found guilty of an academic offence whether or not there has been intention to deceive; that is, a judgement that negligence has occurred is sufficient to determine guilt.

Academic offences include:

- i. Plagiarism, that is, using or copying the work of others (whether written, printed or in any other form) without proper acknowledgement in any assignment, examination or other assessed work.
- ii. Repeating work previously submitted for another assignment without full acknowledgement of the extent to which that previous work has been used.
- iii. Falsifying data or evidence.
- iv. Submitting a fraudulent claim of extenuating circumstances.
- v. Assisting another student to commit an academic offence.
- vi. Submitting written work produced collaboratively unless this is explicitly allowed.
- vii. Copying the work of another candidate or otherwise communicating with another candidate in an examination.
- viii. Introducing any written, printed or electronically stored information into an examination other than material expressly permitted in the instructions for that examination.
- ix. Defacing or interfering with exam script booklets.

This list is not exhaustive.

(c) Allegations of academic offences shall be dealt with in accordance with procedures determined by the Senate. Previous offences shall be taken into account.

6.20.

In submitting any piece of work (eg dissertation, thesis, essay or report) a student shall acknowledge any assistance received or any use of the work of others.

## Award and Conferment of Degrees

6.21.

A candidate who has fulfilled the requirements of the prescribed programme of study and has satisfied the examiners for the degree of Foundation Degree in Arts or Foundation Degree in Science shall be eligible for conferment of the degree in one of the following classes:

Pass

Merit

Distinction.

6.22.

A candidate who has fulfilled the requirements of the prescribed programme of study and has satisfied the examiners for the degree of Bachelor of Arts or Bachelor of Science or Bachelor of

Engineering or Bachelor of Laws (Ordinary) shall be eligible for conferment of the degree. These awards are unclassified.

6.23.

A candidate who has fulfilled the requirements of the prescribed programme of study and has satisfied the examiners for the degree of Bachelor of Arts or Bachelor of Science or Bachelor of Engineering or Bachelor of Laws or Bachelor of Business Administration with Honours shall be eligible for conferment of the degree in one of the following classes:

Class I

Class II Division i

Class II Division ii

Class III

6.24.

Candidates who do not satisfy the examiners in the final examinations of the final year of study for the degree may be re-assessed in accordance with the rules of assessment for Undergraduate awards. Marks will be capped excepted where a candidate is repeating the year. Candidates will be required to undertake the appropriate registration and pay the fee determined by the University. Students who are not fully registered shall not be permitted in the intervening year to receive instruction or supervision at the University of Essex. Students who are given the opportunity to be re-assessed shall be subject to the Statutes, Ordinances, and Regulations of the University at any time they are present in the University.

The following conditions apply only to candidates under the rules of assessment which applied before 2007-08: Candidates who satisfy the examiners in the final examinations for the degree of Bachelor at the second attempt shall be eligible for conferment an Honours degree at the Third Class level only and course level marks will be capped at the pass mark, unless the Board of Examiners has specified otherwise, normally in cases where candidates are being re-assessed for the purpose of demonstrating achievement of all programme learning outcomes or where extenuating circumstances have been taken into account.

6.25.

In the case of illness or other sufficient cause affecting a candidate an honours degree and occurring after the Sunday of the sixth week of the Spring term (ie week 21) of the candidate's final year course of study but before the end of the final examinations, the candidate may on the recommendation of the Board of Examiners concerned and at least one external examiner be eligible for conferment of an aegrotat degree. Candidates who were required to be examined during the January examination period in their final year, and who were affected by illness or other sufficient cause which occurred during this

period, and which was not an ongoing problem, may also be considered for an aegrotat degree. Candidates who have conferred on them an aegrotat degree may present themselves for examination for the honours degree at the next available opportunity which will normally be within one year. Such candidates shall be required to register partially and to pay an appropriate fee as determined from time to time by the University. They shall be subject to the Statutes, Ordinances and Regulations of the University at any time they are present in the University. It shall be open to the examiners to recommend conferment of an Honours degree under conditions prescribed in Regulation 6.23. to candidates who present themselves for examination under this Regulation.

6.26.

- (a) The Chair of a Board of Examiners may suspend any particular decision of the Board where:
  - i. the decision contravenes either a University regulation, policy, or procedure;
  - ii. the decision, in the judgement of the Chair, leads to unfairness or inconsistency.
- (b) In signing the grids at the conclusion of the Board meeting, the Chair shall indicate next to his/her signature that he/she has not approved the decision relating to the relevant candidate number(s).
- (c) The Chair shall then refer the decision to a sub-Committee of Senate by notifying the Vice-Chancellor's Office. The sub-committee shall be chaired by the Vice-Chancellor or his/her nominee, and shall consist of not fewer than three further members of Senate who are also senior members of academic staff. Where possible, the members should be chosen from disciplines cognate with that in the case under consideration. The sub-committee shall review the facts of the case and taken an independent and final decision. Any decision open to the original Board of Examiners shall be available to the sub-Committee. The sub-committee may wish to view the grids of other students in order to ensure consistency.
- (d) The decision of the sub-committee shall not require the agreement of external examiners but the external examiner shall be informed of the decisions.

6.27.

No student, past student, or other person may represent himself or herself as a graduate of the University of Essex until such time as a degree of the University has been conferred.

6.28.

Except with the special permission of the Senate no degree of the University shall be conferred upon, or certificate or diploma of the University granted to, a person who is in debt to the University in respect of that qualification (see also Regulation 6.5).

6.29.

Students who are eligible for conferment of degrees may have them conferred upon them either at a congregation for the conferment of degrees or in absentia.

6.30.

Students attending a congregation of the University for the conferment of a degree or otherwise shall be required to wear dress suitable to the occasion.

## **Intellectual Property Rights**

6.31.

Intellectual property rights generated by a student in the course of his/her study lie with the student, except in specific cases relating to commercial exploitation where agreement has been reached between the University and the student or where otherwise covered by an existing agreement between the student and his/her sponsoring body.

## Admission to the Library

11.2.

All members of the University as defined in Ordinance 1 are entitled to use the Library as readers. On written request, the Librarian may, at his discretion, admit other persons as readers and may require them to furnish a written recommendation; in cases of doubt the Librarian may refer such requests to the Library Committee, whose decision will be final. External readers associated with commercial organisations and businesses will be charged a fee, at a rate determined from time to time by the Senate, if they are permitted to use the Library as readers.

11.3.

The right of borrowing from the Library under the conditions laid down in the Regulations is granted to the following readers:

members of Council and members of the academic, academic related, research, senior support and support staff; registered students of the University; other persons for purposes of special study, at the discretion of the Librarian in each case. External readers associated with commercial organisations and businesses will be charged a fee, at a rate determined from time to time by the Senate, if they are granted borrowing rights.

## Registration

11.4.

No person may use the University Library until he or she has signed a Library registration card agreeing to abide by the Library Regulations. It is the reader's responsibility to ensure that the addresses given on his or her registration card are kept up to date.

11.5.

Persons using the Library should at all times carry with them their Library borrower's or reader's ticket or other means of identifying themselves as registered users of the Library. Such identification may be requested at any time by Library staff.

## Borrowing

### GENERAL

11.6.

Here and elsewhere the term 'book' is deemed to cover all types of Library material.

11.7.

With the exception of certain categories noted in 11.8. below, all books may be borrowed from the Library. No books shall be removed from the Library unless the borrower has first had the loan duly recorded at the Circulation Desk. All borrowers must produce a borrower's card when borrowing books from the Library. If a Library borrower's card is lost or stolen, the matter should be reported to the Library Circulation Desk, and, in the case of students, to the Registry. Library cards may be replaced upon application to the Registry, in the case of students, and to the Circulation Desk, in the case of all other borrowers, on payment of a charge determined from time to time by the Senate.

11.8.

Reference books, dictionaries, atlases, etc, certain abstracting and bibliographical periodicals, current and unbound parts of all other periodicals\*, and books of special value or rarity may not be removed from the Library. This restriction may be extended temporarily at any time to books in heavy demand. Other books in much demand may be issued only for such limited periods as the Librarian deems advisable.

\*Current numbers of periodicals may for the present be borrowed overnight by members of the academic, academic related, research and senior support staff of the University from 5pm to 10am on Monday to Friday and from 12 noon on Saturday to 10am on Monday (4.30pm to 10am on Monday to Thursday, 4.30pm on Friday to 10am on Monday in vacation). This provision is subject to review by the Library Committee.

11.9.

A borrower remains responsible for a book as long as the loan record remains uncanceled. Books borrowed by one reader must not be passed on to another but must, in all cases, be

formally returned to the Library and re-issued at the Circulation Desk.

### **PERIOD OF LOAN**

11.10.

Members of Council and members of the academic, academic related, research and senior support staff may borrow books other than those in categories referred to in 11.8. above for any period up to the last Friday of the current term.

11.11.

Graduate students may borrow books for any period up to the last Friday of the current term.

11.12.

Undergraduate students may borrow books for any period up to two weeks during term.

11.13.

Members of support staff may borrow books as in 11.12. above.

11.14.

The latest date for return will be stamped inside all books borrowed under Regulations 11.10, 11.11, 11.12 and 11.13.

### **NUMBER OF VOLUMES**

11.15.

Borrowers as defined in 11.10. above shall be allowed to have at one time not more than thirty books borrowed from the Library.

11.16.

Students may borrow the following number of books at any one time:

- (a) Undergraduate students: fifteen books
- (b) Masters students: twenty books
- (c) Doctoral programme students: twenty-five books.

11.17.

Borrowers as defined in 11.13. above may borrow up to five books at any one time.

11.18.

Books in excess of these numbers may be borrowed only in special circumstances and by permission of the Librarian.

11.19.

Two or more volumes constituting a single work but not two or more volumes of the same periodical are counted as one book.

### **BORROWING (OTHER THAN BY UNDERGRADUATES)**

11.20.

Borrowers, as defined in Regulations 11.10. and 11.11. above, may borrow books for the next term two weeks before the end of the current term.

### **VACATION BORROWING (UNDERGRADUATE)**

11.21.

All books borrowed for a vacation must be returned by the first Wednesday of the next term.

11.22.

Books may be borrowed for vacations two weeks before the end of the term.

### **RECALL AND RETURN OF BOOKS ON LOAN**

11.23.

Any book may be recalled from a borrower when it has been on normal loan for five days and must be returned to the Library immediately.

11.24.

No recall notices will be sent to individual borrowers in advance of a general recall date, that is to say, the last Friday of each term (see Regulations 11.10. and 11.11.), but the Librarian will remind borrowers of these recall dates by means of a notice posted in the Library and included in the University newsletter. No recall notices will be sent for books on restricted loan (see Regulation 11.8.) unless requested by another reader.

11.25.

Borrowers who do not return books by the date for a recall under Regulations 11.10, 11.11, 11.12, 11.13 and 11.21, or by the date or time for return of books on restricted loan under Regulation 11.8, or who do not return books on the third day (Saturdays and Sundays excluded) during term, or on the tenth day (Saturdays and Sundays excluded) during vacation after a specific recall notice has been issued by the Librarian under Regulation 11.23, will incur fines from the recall date at a rate determined from time to time by the Senate.

11.26.

A borrower who retains a restricted loan beyond the prescribed period will lose the privilege of borrowing this category of books for a specified period at the discretion of the Librarian.

11.27.

No further loans of any kind will be made to a borrower who has books in his/her possession which he/she has failed to return in response to a recall notice.

11.28.

Reminders about the recall of books will be sent on the first day they are overdue, with periodic reminders thereafter including a note of the fines which have accrued.

11.29.

A reminder or a specific recall notice will be sent via University e-mail and, for printed correspondence, to the address which they have notified to the Registrar & Secretary in

accordance with Regulation 5.5, or, in the case of staff, to their home address.

11.30.

Borrowers and readers will be held responsible for any book in their charge and will be required to pay the cost of replacement or repair of any book lost, damaged or defaced, together with an administrative charge determined from time to time by the Senate to cover the cost of ordering, cataloguing and other processing of books which have been lost.

NOTE: The Senate has determined that the administrative charge at present shall be £6 per volume.

11.31.

When the amount of fines levied under the Library Regulations equals or exceeds the cost of replacing the book, including the administrative charge, the borrower will be charged for the book as if it were lost (see Regulation 11.30. above).

11.32.

Fines will be collected at the Circulation Desk of the Library and books will not be accepted without the payment of any fines due.

11.33.

Fines and charges for lost books will be regarded as debts to the University and in the case of non-payment a defaulter will be excluded from all further use of the Library until such debts have been paid.

11.34.

If the amount of a fine is in question the Librarian's decision shall be final.

NOTE: The Senate has determined that the rate of fines at present shall be 50p per day (Sundays excluded) for books borrowed under Regulation 11.10, 11.11, 11.12, 11.13 and 11.21, and £1 per day (Sundays excluded) for books which have been recalled under Regulation 11.23. For Short Loan Collection books which are borrowed under Regulation 11.8 the rate of fine shall be £1 per overdue hour or part thereof.

## **Annual Inspection**

11.35.

An inspection of the Library will be held annually at the end of each academic year, or whensoever the Librarian deems necessary. All books on loan must be brought to the Library Circulation Desk beforehand for return or renewal.

## **General**

11.36.

Silence is to be observed in all public reading areas.

11.37.

Smoking, the consumption of food and drink, and the use of matches or open lights are forbidden in all parts of the Library open to readers.

11.38.

Bags brought into the Library must be offered for examination if requested by a member of the Library staff when readers leave the Library.

11.39.

Containers of liquids may not be brought into the Library.

11.40.

The marking and defacing of books is strictly forbidden.

11.41.

The reservation of seats in the public reading areas of the Library is not permitted. Books and other articles left for any length of time on chairs and tables may be removed by the Library staff. Articles left in these areas at closing time will be cleared away. The Library accepts no responsibility for personal belongings left in the building.

11.42.

All readers leaving the Library in the possession of books or papers must show them to a member of the Library staff on demand. The knowing removal of Library books contrary to the Library Regulations is strictly forbidden and would render the person liable to the disciplinary procedures of the University.

11.43.

A warning bell will be rung twenty minutes before closing time. All readers must vacate the Library by closing time, and may be asked to vacate their seats after the bell has been rung.

11.44.

The Librarian shall report to the Vice-Chancellor any person whose conduct in the Library is, in his or her opinion, disorderly; such persons shall be excluded from all further use of the Library pending the Vice-Chancellor's decision. No person excluded from the University precincts pursuant to the powers of the Council, the Senate or the Vice-Chancellor may make use of the Library.

## **Inter-Library Loans**

11.45.

Books borrowed from other libraries are subject in each case to the conditions imposed by the lending library.

## **University of Essex Theses**

11.46.

One print copy of all theses for which a research degree has been conferred under University regulations will be deposited in the University Library. It will be bound in accordance with the rules laid down by the University. The author will empower the Librarian to allow the print copy of the thesis to be copied in whole or in part without further reference to the author on the understanding that such authority may be given in respect of single copies made for study purposes and will be subject to normal conditions of

acknowledgement. The Librarian is similarly empowered to allow the digitisation of the thesis, or the retention of an existing digital copy of the thesis, by the British Library or its agents for the purpose of making its content available on the World Wide Web.

11.47.

Print theses will be available in the Library for reference, and digital copies will be made available by the University, the British Library or its agents, except when permission to consult or digitise a thesis has been withheld at the special request of the author for a period not exceeding five years agreed with the University.

11.48.

Theses may be lent to an approved library for consultation in that library on receipt of an application from the librarian.

11.49.

The University may publish the title and summary of the thesis in any way it sees fit and may authorise others to do so.

11.50.

Any person wishing to consult a thesis must sign an undertaking (on the form provided):

- a. not to reproduce the thesis or any substantial portion of it or to quote extensively from it or otherwise make substantial public usage of it without obtaining the written permission of the author;
- b. that due acknowledgement will in each case be made whenever such information is published.

The author may empower the Librarian to give such permission.

# Code of Student Conduct in Residential Accommodation

## INTRODUCTION

This code provides a framework for resolving complaints and dealing with incidents and allegations of misconduct that arise within University-owned, managed or administered accommodation. This code aims to resolve issues as efficiently and effectively as possible to assist residents in maintaining the quiet enjoyment of their accommodation, by ensuring that all residents are fully informed about the obligations and responsibilities of the University as Landlord and the resident as Tenant.

### Scope

Only full-time registered students at the University will be entitled to occupy student accommodation owned, managed or administered by the University and designated for student occupation. The Registrar and Secretary will have the discretion to allow part-time registered students or University or visiting staff to occupy student accommodation if that is necessary for the better operation of the accommodation, or if the accommodation is surplus to student requirements.

Each occupier of student accommodation must enter into a contract with the University before taking up occupation. The contract will set out the period that the student accommodation will be made available and the applicable charges (as determined by Council from time to time). The contract will also set out the standard terms and conditions that the occupiers must observe and signify an agreement to abide by the Residents' Conduct Regulations contained within this code.

### Permitted Occupiers

A permitted occupier is a person or persons who is permitted to live with a registered Student in that accommodation and is then named in the University's offer of student accommodation.

### Behaviour of guests

Students residing in University-owned, managed or administered accommodation will be held responsible for the conduct of their guests and any permitted occupier and for any damage caused by their guests or permitted occupier whilst they are on the University site. Guests may only be invited in accordance with the rules and regulations of the University. No person who has been excluded by the Registrar and Secretary from any University site may be invited as a student guest.

## Partner Institutions

Students eligible for an award of the University of Essex following a programme of study validated by the University but delivered by a partner institution are registered with the relevant partner institution and come under the jurisdiction of the regulations for student conduct of the partner institution concerned. The University of Essex as Landlord may, however, instigate legal proceedings against a student studying at a partner institution following discussion with the person responsible for student conduct at the partner institution.

## BROAD PRINCIPLES

### Burden of Proof

The operation of this code is not a criminal process and therefore allegations of breaches of the Residents' Conduct Regulations need not be proved 'beyond a reasonable doubt'. The standard of proof applied is the 'balance of probabilities', which means that when assessing the evidence objectively, the view is that it is more likely than not that the allegation is true.

### Alcohol and Drug Use

Being under the influence of alcohol or drugs will not normally be accepted as a mitigating factor or an excuse for behaviour leading to breaches of the Residents' Conduct Regulations.

### Mental Health, Illness or Disability

Where there is concern that mental health, illness or disability may have impacted or continues to impact negatively on a student's behaviour and/or conduct, the proceedings may be adjourned at any stage for the matter to be considered by the Academic Registrar, who will determine whether proceedings are resumed under either the *Mental Health Crisis Intervention Policy*, the *Code of Student Conduct in Residential Accommodation*, the *Code of Student Conduct*, the *Fitness to Practice Procedure* or any other procedure or policy as appropriate.

### Advice, Support, Representation and Guidance

All students have the right to be accompanied at any stage in the procedure described in this Code by a member of the University or a representative of the Students' Union, who provide independent advice, support, guidance and representation for students. Non-members of the University and legal representatives are not permitted to be present at any stage of the Residents' Conduct process.

### Confidentiality

The operation of this code seeks to protect individual confidentiality at all stages throughout the operation of these procedures and the University will seek to ensure that confidentiality is maintained. This approach will not prevent the

University from disclosing information where necessary for the discharge of its duties or as required by law, nor will it prevent the University, where appropriate from disclosing information about any outcome under this procedure.

### **Recording of Offences**

Records relating to Residents' Conduct offences will be held by the Associate Proctor (Residents' Conduct) or his/her nominee, on a central database and will not normally be included in the student's centrally held academic file.

Records of Residents' Conduct cases are destroyed six years after the termination of the student's relationship with the University.

### **Monitoring**

The Student Conduct Officer will monitor the number of Residents' Conduct cases considered and submit an annual anonymised report to the Student Conduct Panel. The Student Conduct Panel will consider the findings of the report and submit a summary report annually to the University's Senate and the University's Student Experience Committee.

### **ROLES AND RESPONSIBILITIES**

Under these procedures, the following persons shall be deemed to be the authorised persons for dealing with student conduct in the residences:

#### **The Associate Proctor (Residents' Conduct)**

The Associate Proctor (Residents' Conduct), or his/her nominee, will have the power to respond to misconduct in accommodation owned or managed by the University. The Associate Proctor (Residents' Conduct) is an appropriate member of the University's Professional Services staff with responsibility for this area of work as part of their substantive role.

#### **The Residents' Support Network**

The Residents' Support Network (RSN) is an accommodation based service managed by the Deputy Director of Student Support (Residence Life). The aim of the RSN is to provide an environment within which students can have a positive experience of living and learning. Areas of accommodation are assigned to Residents' Assistants (RAs) who will get to know their residents, work with students to encourage communication and organise a range of social activities to promote integration. The other element is to respond to concerns and complaints that residents may have by operating an on-call rota which operates from 5pm to 9am on weekdays and at weekends.

### **The Proctor**

The Proctor is a permanent member of the Professional Services. S/he is responsible for investigating alleged breaches of the Student Conduct Regulations and has the power to impose a range of penalties, including the payment of fines and repair/replacement costs for minor offences. More serious cases are referred by the Proctor to the Student Conduct Officer for consideration by a Student Conduct Committee and the investigating Proctor is required to attend to present the case against the student.

### **The Student Conduct Officer**

The Student Conduct Officer is appointed by the Council on the recommendation of the Vice-Chancellor and is an officer of the University and fulfils a number of duties.

The Student Conduct Officer chairs the Student Conduct Panel and reports annually to Senate on all matters relating to student conduct that have been investigated during the preceding academic year. In addition s/he considers all referrals from the Proctor of serious offences and all appeals in the first instance and convenes Student Conduct Committees and Committees of Appeal as appropriate.

### **The Student Conduct Panel**

The Student Conduct Panel is a Committee of the Senate. Its membership consists of the Student Conduct Officer (*Chair*), the Vice-Chancellor, members of academic staff appointed by the Senate and student representation.

The Panel has two main functions, firstly to report annually to the Senate on all conduct cases considered during the previous academic year and to comment on the overall consistency of the resolutions of the Conduct Committees and of the Proctor. Individual cases are not discussed unless they are reported by the Student Conduct Officer. The Student Conduct Regulations and Procedures are also reviewed and recommendations are made to the Senate regarding any additions, amendments or deletions.

Panel members also make up the pool of trained volunteers from which members of Student Conduct Committees are drawn.

### **Students' Union Advice Centre**

The Students' Union Advice Centre provides a "Confidential, Independent and Impartial" service that is not part of the University. They provide support and guidance to students throughout the process and seek to ensure that the University procedures are properly adhered to. In addition to

advising students on their cases, the Advice Centre is also able to provide trained advisers to accompany students to meetings with the Associate Proctor (Residents' Conduct), the Proctor and Student Conduct Committees. Students are actively encouraged at every opportunity to engage with the service.

### Conflict of Interest

Although it is intended that the named post holders will undertake these functions in the majority of cases, there may be special circumstances, including a conflict of interest, requiring another post holder to undertake the functions assigned to the post holder referred to in the document.

## RESIDENTS' CONDUCT REGULATIONS

The following behaviour shall normally be treated as a minor breach of the Residents' Conduct Regulations and will normally result in action being taken by the Associate Proctor (Residents' Conduct) or his/her nominee:

- 1) attempting or inciting others to infringe a regulation;
- 2) exhibiting indecent or abusive language or behaviour in University student accommodation;
- 3) exhibiting disorderly behaviour in University student accommodation;
- 4) creating or causing to be created, excessive noise which causes discomfort, inconvenience or annoyance to authorised users of University student accommodation;
- 5) behaviour that is discourteous, disrespectful or uncooperative towards a member of the University;
- 6) committing theft of foodstuffs or other minor items within University student accommodation;
- 7) smoking in an area of student accommodation;
- 8) misusing fire prevention equipment or fire fighting appliances within University student accommodation;
- 9) sounding or raising of a malicious fire alarm within University student accommodation;
- 10) failing to immediately evacuate any part of University student accommodation, when a fire alarm sounds or returning before being told it is safe to do so by a fire officer or authorised member of the University staff;
- 11) interfering with, or impeding, or failing to comply with any member of the University in carrying out his/her duty or proper function within University student accommodation;
- 12) failing to disclose name and other relevant details to an employee of the University when it is reasonable to require that such information be given;

- 13) interfering with any mechanical, electrical or other services or installations within University student accommodation without the authority to do so;
  - 14) causing actual or potential damage to, or defacement, misappropriation or unauthorised use of University student accommodation;
  - 15) behaving in a manner within University student accommodation that amounts to harassment, as defined by the University's *'Guidelines for Dealing with Harassment and Bullying'*;
  - 16) behaving in a manner which obstructs, frustrates or disrupts:
    - i. any meeting or other function (including social or sporting activities) authorised to take place within University student accommodation;
    - ii. the satisfactory conduct of the administrative work associated with the provision of University student accommodation;
  - 17) publishing any matter (including expressed orally or in writing, sign or visible representation, including electronically) which is threatening, abusive or insulting or constitutes harassment or makes others fear violence, including:
    - i. by printing or displaying in University student accommodation or
    - ii. by publishing or distributing to any visitor or member of the University within University student accommodation;
    - iii. by using in any form of meeting or gathering within University student accommodation;
  - 18) using social media in a way that constitutes a breach of any other Residents' Conduct Regulation or the terms and conditions of the accommodation contract;
  - 19) failing to comply with the terms and conditions of the contract for accommodation;
- The following behaviour shall normally be treated as a serious breach of the Residents' Conduct Regulations which may result in conduct action being taken by the Proctor according to the provisions of the University's Code of Student Conduct:
- 20) using, selling or possessing within the University any controlled drug<sup>8</sup>;
  - 21) possessing within the University any offensive weapon<sup>9</sup>;

<sup>8</sup> As defined by the Misuse of Drugs Act 1971 and the Regulations promulgated thereunder or any legislation for the time being in force modifying or replacing the Act.

<sup>9</sup> as defined in the Prevention of Crime Act 1953 or, without good cause, any article as defined in Section 139 of the Criminal Justice Act 1988 and the Regulations promulgated there under or any legislation for the time being in force modifying or replacing that Act;

- 22) exhibiting threatening, intimidating or violent behaviour;
- 23) committing theft within the University;
- 24) behaviour that is likely to cause injury or impair safety on University premises;
- 25) interfering with or impeding, by the use of intimidation, violence, threat of violence or physical obstruction, the supply or delivery of any goods or services to the University, or interfering with or impeding the entry into the University of any lawful visitor;
- 26) failing to comply with a resolution previously imposed by the Associate Proctor (Residents' Conduct) or his/her nominee;
- 27) making an allegation which is deemed to be vexatious or malicious.

## **RESIDENTS' CONDUCT PROCEDURES**

The purpose of this procedure is:

- 1) to establish whether a particular incident(s) took place and whether a Resident was involved in that incident;
- 2) to establish whether a resident or an authorised guest of a resident is in breach of the Residents' Conduct Regulations;
- 3) to determine what action should be taken against a resident who has breached the Residents' Conduct Regulations.

### **Minor breach of Residents' Conduct Regulations**

#### **Referral to the the Associate Proctor (Residents' Conduct)**

When, in the opinion of the Associate Proctor (Residents' Conduct) or his/her nominee, misconduct may have occurred within University student accommodation and action against a student is justified, s/he will supervise an investigation. In investigating the matter s/he may convene meetings to formally discuss the allegations with the subject of the complaint, the person making the complaint and any other persons involved.

#### **Attendance at a meeting with the Associate Proctor (Residents' Conduct)**

Students who fail to attend a meeting with the Associate Proctor (Residents' Conduct) or his/her nominee, without good reason, will be subject to a fine. Repeated failure to attend meetings or unauthorised absence from a meeting will result in either the Associate Proctor (Residents' Conduct) proceeding in the student's absence, including the imposition of an appropriate penalty where necessary or a direct referral of the matter to the Proctor for consideration.

## **Joint Hearings**

If two or more students are involved in related misconduct, the Associate Proctor (Residents' Conduct) or his/her nominee may at his/her discretion deal with the cases together.

## **Advice, Support, Representation and Guidance**

All students are permitted to bring a student or employee of the University or Students' Union to the meeting with the Associate Proctor (Residents' Conduct) or his/her nominee and are actively encouraged to do so.

## **Penalties**

Following investigation the Associate Proctor (Residents' Conduct) or his/her nominee will determine the severity of the breach. S/he may deal with minor breaches regardless of whether the student admits or denies guilt. In such cases the Assistant Proctor (Residents' Conduct) or his/her nominee, has the power, on behalf of the Proctor and Senate, to make one or more of the following resolutions:

- i. That the allegation should be dismissed and no further action taken.
- ii. To issue a formal written warning to the student.
- iii. To require the student to make an apology and or restitution to parties affected by the breach of regulations.
- iv. To confiscate without compensation, any item prohibited by the terms and conditions of the Residents' Contract.
- v. To require the student to have no contact, or restricted contact, with a specified person or persons.
- vi. To impose a fine not exceeding £150 except in relation to allegations of the unwarranted sounding or raising of a fire alarm within the University, for which the Associate Proctor (Residents' Conduct) or his/her nominee has the authority to impose a maximum fine of £500.
- vii. To require the student to pay the whole or part of the cost of repair to, or replacement value of, any property that has been damaged or stolen.
- viii. To require a student to attend a specified course or programme and to pay a reasonable cost for such a course or programme.
- ix. To require the student to move to alternative University student accommodation.
- x. To recommend to Accommodation Essex that the student should be refused University student accommodation in the future.
- xi. To exclude the student from the whole or any specified part or parts of the University student accommodation and its precincts for

- a defined period or periods, including suspension of any non-academic facilities.
- xii. Any other proportional action specified by the Associate Proctor (Residents' Conduct) or his/her nominee as s/he thinks proper.

Penalties will not last beyond the student's current programme of study. The imposition of a penalty, or part thereof, may be suspended pending any further breach of the same or other Residents' Conduct Regulations for a specified period of time.

### **Formal Notification**

Students will be formally notified in writing, of the outcome of the investigations and subsequent decision and advised of the procedure for submitting an appeal.

All outcomes are monitored by the Student Conduct Officer.

### **Serious or Persistent breach of Residents' Conduct Regulations**

#### **Referral to the Proctor**

If after investigation the Associate Proctor (Residents' Conduct) determines that the case is a serious breach of the Residents' Conduct Regulations or where there has previously been a series of minor offences, the case will be referred to the Proctor for investigation under the University's *Code of Student Conduct*. This does not prevent the Associate Proctor (Residents' Conduct) or his/her nominee from referring the case to the police.

The Associate Proctor (Residents' Conduct) will send a written notification to the student concerned, of the referral, the allegation or allegations and draw his/her attention to the University's *Code of Student Conduct Procedures*.

#### **Temporary Exclusion from Accommodation**

When, in the opinion of the Proctor, it is necessary for the protection of any person, property, the reputation of the University or the student him/herself, the Proctor may request the student to leave University student accommodation immediately or request the student to move to alternative University student accommodation pending the outcome of conduct proceedings. In such cases conduct proceedings will be initiated at the earliest opportunity. The Proctor may not suspend or relocate a student unless the student has been given the opportunity to make representations in person to the Proctor. Where for any reason it appears to the Proctor that it is not practicable for the student to attend in person, the student will be entitled to make written representation.

## **RESIDENTS' CONDUCT APPEALS PROCESS**

### **Grounds for Appeal**

A student has the right of appeal to a Student Conduct Committee of Appeal, against any resolution of the Associate Proctor (Residents' Conduct) or his/her nominee on one or more of the following grounds:

- (a) That there is material evidence now available which was not previously reasonably available; or
- (b) That the Associate Proctor (Residents' Conduct) or his/her nominee departed from the Residents' Conduct Procedures in a manner that may be prejudicial to the interests of the accused student; or
- (c) That the facts set out in the findings of the Associate Proctor (Residents' Conduct) or his/her nominee do not warrant the resolution that there was a breach of regulations; or
- (d) That the penalty imposed by the Associate Proctor (Residents' Conduct) or his/her nominee was unreasonable with regard to all the circumstances of the case.

### **Written Notice of Appeal**

A student may exercise their right to appeal by completing an Appeal Form, setting out concisely the grounds for appeal (as described above) and sending it to the Student Conduct Office at [studentconduct@essex.ac.uk](mailto:studentconduct@essex.ac.uk) within fifteen working days of the date on the letter containing the official notification of the outcome of conduct proceedings. The Student Conduct Officer has absolute discretion to extend this submission deadline to thirty working days from the date on the official outcome letter, providing that the student is able to show to the satisfaction of the Student Conduct Officer, that circumstances beyond his/her control prevented the standard time limit being adhered to and that injustice would result from adhering to it.

### **Convening a Student Conduct Committee of Appeal**

Upon receipt of an appeal the Student Conduct Officer will determine whether the grounds set out in the appeal merit referral to a Student Conduct Committee of Appeal, or whether the appeal should be dismissed. The student will be informed of the Student Conduct Officer's decision within ten working days from receipt of the appeal.

On referring the case to a Conduct Committee of Appeal the Student Conduct Officer will request from the Associate Proctor (Residents' Conduct) or his/her nominee, against whose decision the appeal is made, a Statement of the Case. This Statement will include details of the charge or charges in respect of which the decision was made, a brief summary of the evidence and of the relevant findings, the decision, details of any

penalty imposed, a brief comment as to the reason for such findings, decision and penalty and any further information which the Associate Proctor (Residents' Conduct) or his/her nominee, considers to be relevant.

Within fifteen days of the lodging of the appeal, the Student Conduct Office will provide the student with a copy of the Statement of Case, details of the practical arrangements for the appeal hearing and the names of members of the Student Conduct Committee of Appeal, together with a reply slip which must be returned to the Student Conduct Office, within five working days of the date of the letter. The student has the right to object to any member of the proposed Conduct Committee of Appeal and the grounds for any objection must be clearly stated and the Student Conduct Officer will rule whether the objection is valid.

### **Withdrawing an Appeal**

The student may, within ten days of the despatch of the Statement of the Case by the Student Conduct Officer, withdraw the appeal. A student who fails to withdraw the appeal within this period must proceed with it unless the Student Conduct Committee of Appeal gives permission for its withdrawal.

### **Attendance at Student Conduct Committees**

Students are required to attend any meeting of a Student Conduct Committee of Appeal. Students who fail to attend a Student Conduct Committee of Appeal, without good reason will be subject to a fine and the appeal will automatically be dismissed.

### **Advice, Support, Representation and Guidance**

All students are permitted to bring a student or employee of the University or Students' Union to help him/her in presenting their appeal to the Committee and are actively encouraged to do so.

### **Composition of a Student Conduct Committee of Appeal**

A Student Conduct Committee of Appeal will consist of two appointed members of the Student Conduct Panel (who shall constitute the quorum and one student member of the University selected from a pool of trained student volunteers. One of the two appointed academic members of the Committee will act as Chair of the proceedings and will have an additional casting vote upon a tie. No member of the Student Conduct Committee of Appeal will be from the same Department/School/Centre as the student subject to proceedings.

### **Order of Proceedings**

The order of proceedings for a Student Conduct Committee of Appeal will normally be as follows:

- (a) Introduction of those present;
- (b) The Chair determines on what grounds the student is appealing and which charges/penalties are being appealed;
- (c) The Associate Proctor (Residents' Conduct) or his/her nominee sets out his/her view regarding their original resolution;
- (d) The student presents the case for the appeal and is present with their representative whenever oral evidence is being heard by the Committee;
- (e) The Committee has the opportunity to question both the Associate Proctor (Residents' Conduct) or his/her nominee and the student;
- (f) Either party may call witnesses who shall attend only to present their evidence and to answer any questions that the Committee or the other party may put to them through the Chair. Once their evidence has been heard and there are no more questions, witnesses are required to withdraw;
- (g) The Associate Proctor (Residents' Conduct) or his/her nominee and student are invited to provide a final summary;
- (h) The Associate Proctor (Residents' Conduct) or his/her nominee and the student withdraw whilst the Panel reach their verdict upon guilt where this is being appealed;
- (i) The Associate Proctor (Residents' Conduct) or his/her nominee and the student return for the delivery of the verdict upon guilt where this is being appealed;
- (j) If the Committee confirms the decision to find the student guilty of a breach of the Conduct Regulations, the student is given the opportunity to put forward a case for mitigation of penalty;
- (k) The Associate Proctor (Residents' Conduct) or his/her nominee informs the Committee of any previous breaches of the Residents' Conduct Regulations;
- (l) The Associate Proctor (Residents' Conduct) or his/her nominee and the student withdraw whilst the Committee consider whether the penalty under appeal appropriate;
- (m) The decision of the Committee is then presented orally to the student.

### **Student Conduct Committee of Appeal Resolutions**

A Conduct Committee of Appeal will make one or more of the following resolutions:

- (a) Rescind the resolution of the Associate Proctor (Residents' Conduct) or his/her nominee, that the student be found guilty and that any consequential penalties should also be rescinded;
- (b) Confirm that the student be found guilty;
- (c) Either confirm or amend a penalty issued by Associate Proctor (Residents' Conduct) or his/her nominee, provided that any amendment is consistent with the powers of the Associate Proctor (Residents' Conduct) or his/her nominee that made the original resolution. It should be noted that this means that penalties may be increased as well as decreased.

### **Procedural Irregularity**

Any appeal following the formal conclusion of the Student Conduct Committee of Appeal may be made on the grounds of procedural irregularity only, specifically that the Committee departed from the prescribed procedures. A student who wishes to appeal against the outcome of these procedures on the grounds of procedural irregularity should write to the Academic Registrar

within four weeks of the date of the Student Conduct Committee of Appeal hearing, setting out in detail the nature of the evidence to support the claim that there were procedural irregularities in the process. If prima facie there is evidence to support the claim then the case will be reviewed by the Pro-Vice-Chancellor (Education). If the Pro-Vice-Chancellor determines that there were procedural irregularities in the process then the case will be referred to a new Student Conduct Committee of Appeal.

### **The Office of the Independent Adjudicator (OIA)**

The Office of the Independent Adjudicator for Higher Education (OIA) provides an independent scheme for the review of student complaints or appeals. When the University's internal procedures for dealing with complaints and appeals have been exhausted, the University will issue a Completion of Procedures letter. Students wishing to avail themselves of the opportunity of an independent review by the OIA must submit their application to the OIA within three months of the issue of the Completion of Procedures letter. Full details of the scheme are available on request and will be enclosed with the Completion of Procedures letter.

# Code of Student Conduct

## INTRODUCTION

The Code of Student Conduct is built on the principle that all students are expected to maintain a standard of conduct which supports the University's commitment to excellence in education and scholarship and promotes good order and the good name and reputation of the University.

In accepting an offer of a place at the University, students agree to be bound by all relevant provisions of the Charter, Statutes, Ordinances and Regulations of the University, which include this Code of Student Conduct.

### Scope

The Student Conduct Regulations and Procedures apply in relation to any activities engaged in, or services and facilities enjoyed, as a student of the University, or in the vicinity of any premises owned, leased or managed by the University. Disciplinary action may also be taken against a student in respect of any alleged misconduct wherever and whenever it may have taken place when it is considered necessary to protect the interests and reputation of the University and its members.

### Behaviour of Guests

Members of the University will be held responsible for the conduct of their guests and for any damage caused by their guests whilst they are on the University site. Guests may only be invited in accordance with the rules and regulations of the University. No person who has been excluded by the Registrar and Secretary from any University site may be invited as a student guest.

### Partner Institutions

Students eligible for an award of the University of Essex following a programme of study validated by the University but delivered by a partner institution are registered with the relevant partner institution and come under the jurisdiction of the regulations for student conduct of the partner institution concerned. This code of conduct does not, therefore, apply to students registered at partner institutions.

## BROAD PRINCIPLES

### Burden of Proof

The University's Student Conduct Procedures are not a criminal process and therefore allegations of

breaches of the Conduct Regulations need not be proved 'beyond a reasonable doubt'. The standard of proof applied is the 'balance of probabilities', which means that, when assessing the evidence objectively, the view is that it is more likely than not that the allegation is true.

### Alcohol and Drug Use

Being under the influence of alcohol or drugs will not normally be accepted as a mitigating factor or an excuse for behaviour leading to breaches of the Student Conduct Regulations.

### Mental Health, Illness or Disability

Where there is concern that mental health, illness or disability may have impacted or continues to impact negatively on a student's behaviour and/or conduct, the proceedings may be adjourned at any stage for the matter to be considered by the Academic Registrar, who will determine whether proceedings are resumed under either the *Mental Health Crisis Intervention Policy*, the *Student Code of Conduct*, the *Fitness to Practice Procedures* or any other procedure or policy as appropriate.

### Advice, Support, Representation and Guidance

All students have the right to be accompanied at any stage during the procedure described in the Student Code of Conduct by a member of the University or a representative of the Students' Union Advice Centre, which provides independent advice, support, guidance and representation for students. Non-members of the University and legal representatives are not permitted to be present at any stage of the conduct process.

### Criminal Investigations and Convictions

Students are required to notify the Proctor immediately of any conviction of a criminal offence in a court of law or formal caution for a criminal offence by a police officer<sup>10</sup>.

In cases of alleged breaches of conduct which would also constitute serious offences under criminal law, the Conduct Procedures will not be invoked or will be suspended until the matter has either been prosecuted, or a decision not to prosecute has been taken, at which time the Student Conduct Officer will decide whether disciplinary action will be taken or continued. Conviction by the Police or in a Criminal Court will be taken as conclusive evidence that the alleged offence has occurred, and no further investigation will be required by the University.

<sup>10</sup> For the purposes of internal disposal, a conviction includes being put on probation, being given absolute or conditional discharges, being bound over or being given a formal caution. Students need not declare parking or speeding offences which are subject to fixed penalties.

Under the circumstances, the focus of any subsequent University conduct proceedings will include an assessment of the risk posed to staff or students. Any penalty imposed by the criminal court will be taken into account.

Whilst criminal investigations are underway, the student is obliged to keep the University informed of any progress and/or change in status regarding his/her case. The Proctor, or nominee, will review the case on a monthly basis and will make recommendations to the Student Conduct Officer if any action is required during this period.

Where the victim of an alleged offence chooses not to report the matter to the police or does not co-operate with their inquiries, and irrespective of whether or not a preference for internal disposal has been indicated, the University reserves the right not to invoke the Student Conduct Procedures.

In cases where an allegation is withdrawn, the University reserves the right to continue with its investigations and invoke internal Conduct Procedures or refer the matter to the Police as appropriate.

In the case of a criminal conviction, where proceedings (including bail conditions, period of time spent on remand, period of time served in custody following conviction) result in a student being absent from his/her studies for a period of fewer than 12 months the student will normally be required to intermit from their studies for this period. It is the student's responsibility to notify the Student Conduct Office of the date of their release from custody and the matter will then be referred to a Student Conduct Committee to determine whether the nature of the offence poses an ongoing risk to the University community, and whether there are any outstanding matters of concern that have not been addressed by the criminal proceedings.

In the case of a criminal conviction, where proceedings (including bail conditions, period of time spent on remand, period of time served in custody following conviction) result in a student being absent from his/her studies for a period of more than 12 months, the student will be deemed withdrawn from the University. The student may then reapply for admission to the University, and as part of the standard readmission process will be required to declare criminal convictions to be considered prior to a decision regarding an offer of a place. For further information on admissions procedures in respect of criminal convictions see [www.essex.ac.uk/dbs/documents/student\\_membership\\_and\\_crb\\_policy.pdf](http://www.essex.ac.uk/dbs/documents/student_membership_and_crb_policy.pdf)

### **Conduct in University-Owned or Managed Accommodation**

On entering into a contract for University-owned or administered accommodation, students confirm that they will abide by the terms and conditions of their tenancy agreement. Breaches of these terms and conditions will be dealt with in

accordance with the procedures set out in the Residents' Conduct Procedures.

### **Professional Misconduct**

For students subject to the *Fitness to Practise Procedure*, conduct which affects professional suitability may also be referred to other relevant University authorities to be handled in accordance with the appropriate procedures.

### **Conferral of Degrees**

Except with the special permission of the Senate, no degree of the University will be conferred upon, or certificate or diploma of the University granted to, a person who is subject to on-going action in accordance with the procedures contained in this Code of Student Conduct, including the hearing of any appeal under the procedures or outstanding criminal investigations or proceedings.

### **Study Abroad**

Serious breaches or repeated minor breaches of conduct are considered by Student Conduct Committees. Students sanctioned by a Student Conduct Committee for a breach of the Student Conduct Regulations are automatically prohibited from undertaking study abroad as a component of their degree programme.

Students have a right of appeal against this automatic prohibition and may exercise this right by following the Procedure for Dealing with Prospective Study Abroad Students with a record of Serious Misconduct.

### **Confidentiality**

The operation of the Student Code of Conduct seeks to protect individual confidentiality at all stages.

Throughout the operation of these procedures, the University will seek to ensure that confidentiality is maintained. This approach will not prevent the University from disclosing information where necessary for the discharge of duties or as required by law, nor will it prevent the University, where appropriate, from disclosing information about any outcome under this procedure.

### **Recording of Offences**

Records relating to conduct offences will be held by the Student Conduct Office on a central database and will not normally be included in the student's centrally held academic file.

Records of conduct cases are destroyed by the Student Conduct Office six years after the termination of the student's relationship with the University.

## Monitoring

The Student Conduct Officer monitors the number of conduct cases considered and submits an annual anonymised report to the Student Conduct Panel. The Student Conduct Panel considers the findings of the report and submits a summary report annually to the University's Senate and the University's Student Experience Committee.

## ROLES AND RESPONSIBILITIES

### Student Conduct Office

The Student Conduct Office co-ordinates all aspects of the administration and delivery of the Student Code of Conduct across all University campuses. All matters related to Student Conduct should be addressed to this office in the first instance. Contact details can be found at: [www2.essex.ac.uk/academic/offices/discipline/index.htm](http://www2.essex.ac.uk/academic/offices/discipline/index.htm).

### The Proctor

The Proctor is a permanent member of the Professional Services. S/he is responsible for investigating alleged breaches of the Student Conduct Regulations and has the power to impose a range of penalties, including the payment of fines and repair/replacement costs for minor offences. More serious cases are referred by the Proctor to the Student Conduct Officer for consideration by a Student Conduct Committee and the Proctor is required to attend to present the case against the student.

### The Student Conduct Officer

The Student Conduct Officer is appointed by the Council on the recommendation of the Vice-Chancellor and is an Officer of the University and fulfils a number of duties.

The Student Conduct Officer chairs the Student Conduct Panel and reports annually to the Senate on all matters relating to student conduct that have been investigated during the preceding academic year. In addition, s/he considers all referrals from the Proctor of serious offences and all appeals in the first instance and convenes Student Conduct Committees and Committees of Appeal as appropriate.

### The Student Conduct Panel

The Student Conduct Panel is a Committee of the Senate. Its membership consists of the Student Conduct Officer (*Chair*), the Vice-Chancellor, members of academic staff appointed by the Senate and student representation.

The Panel has two main functions: firstly, to report annually to the Senate on all conduct cases considered during the previous academic year and to comment on the overall consistency

of the resolutions of the Conduct Committees and of the Proctor. Individual cases are not discussed unless they are reported by the Student Conduct Officer. Secondly, the Student Conduct Regulations and Procedures are also reviewed and recommendations are made to the Senate regarding any additions, amendments or deletions.

Panel members also make up the pool of trained volunteers from which members of Student Conduct Committees are drawn.

### Students' Union Advice Centre

The Students' Union Advice Centre is a "confidential, independent and impartial" service that is not part of the University. It provides support and guidance to students throughout the process and seek to ensure that the University procedures are properly adhered to. In addition to advising students on their cases, the Advice Centre is also able to provide trained advisors to accompany students to meetings with the Proctor and Student Conduct Committees. Students are actively encouraged to engage with the service at every opportunity.

### Conflict of Interest

Although it is intended that the named post holders will undertake these functions in the majority of cases, there may be special circumstances, including a conflict of interest, where another post holder will be substituted.

## **STUDENT CONDUCT PROCEDURES**

### **Minor Incidents**

#### **Investigating Allegations**

When, in the opinion of the Proctor, misconduct may have occurred and action against a student is justified, the Proctor shall supervise an investigation. In investigating the matter, the Proctor will usually convene a series of meetings to formally discuss the allegations with the subject of the complaint, the person making the complaint and any other persons involved. In cases where the alleged offence/s involve/s more than one student, all or any of the cases may be dealt with at the same time.

#### **Attendance at a meeting with the Proctor**

Meetings with the Proctor take precedence over all other academic and social engagements and attendance is mandatory during term-time. Students who fail to attend a meeting with the Proctor without good reason, will be subject to a fine. Repeated failure to attend meetings or unauthorised absence from a meeting will result in either the Proctor proceeding in the student's absence, including the imposition of an appropriate penalty where necessary or a referral of the matter to the Student Conduct Officer for consideration by a Student Conduct Committee.

#### **Joint Hearings**

If two or more students are involved in related misconduct, the Proctor may at his/her discretion deal with the cases together.

#### **Advice, Support, Representation and Guidance**

All students are permitted bring a student or employee of the University or Students' Union Advice Centre to the meeting with Proctor and are actively encouraged to do so.

#### **Penalties**

Following investigation, the Proctor will determine the severity of the breach. The Proctor may deal with minor breaches regardless of whether the student admits or denies guilt. It is at the Proctor's discretion what constitutes a minor breach of the Regulations. In such cases, the Proctor has the power, on behalf of Senate, to make one or more of the following resolutions:

- a. That the allegation should be dismissed and no further action taken.
- b. To issue a formal written warning to the student.
- c. To require the student to make an apology and/or restitution to the parties affected by the breach of regulations.
- d. To confiscate without compensation, any item prohibited by the rules and regulations relating to the possession of offensive weapons on University premises.
- e. To require the student to have no contact, or restricted contact, with a specified person or persons.
- f. To impose a fine not exceeding £250, except in relation to allegations of the unwarranted sounding or raising of a fire alarm within the University, for which the Proctor has the authority to impose a maximum fine of £500.
- g. To require the student to pay the whole or part of the cost of repair to, or replacement value of, any property that has been damaged or stolen.
- h. To require a student to attend a specified course or programme and to pay a reasonable cost for such a course or programme.
- i. To require the student to move to alternative University accommodation.
- j. To recommend to Accommodation Essex that the student should be refused University accommodation in the future.
- k. To exclude the student from the whole or any specified part or parts of the University and its precincts for a defined period or periods, including suspension of any non-academic facilities.
- l. Any other proportional action specified by the Proctor as he/she thinks proper.

#### **Penalties Relating to Minor Criminal Convictions**

In relation to a case referred as a consequence of a student being convicted of a minor criminal offence in a court of law or formally cautioned for a minor criminal offence by a police officer, the Proctor will take into account the safety of persons and property and good order in the University and its precincts, when imposing one or more of the following resolutions:

- a. That the charges against the student should be dismissed and no further action taken;
- b. To issue a formal written warning to the student;
- c. To confiscate without compensation, any item prohibited by the rules and regulations relating to the possession of offensive weapons on University premises;

- d. To require the student to attend a specified course or programme and to pay a reasonable cost for such a course or programme;
- e. To recommend to Accommodation Essex that the student may not be allocated accommodation in the future;
- f. To exclude the student from the whole or any specified part or parts of the University and its precincts for a defined period or periods, including suspension of any non-academic facilities;
- g. Any other proportional action specified by the Proctor as he/she thinks proper.

Penalties will not last beyond the student's current programme of study. The imposition of a penalty, or part thereof, may be suspended pending any further breach of the same or other conduct regulations for a specified period of time.

### **Formal Notification**

Students will be formally notified in writing of the outcome of the Proctor's investigations and subsequent decision and advised of the procedure for submitting an appeal. All outcomes are monitored by the Student Conduct Officer.

### **Serious Incidents**

#### **Referral to the Student Conduct Officer**

If the Proctor determines the case to be of a more serious nature or where there has previously been a series of minor offences, the case will be referred to the Student Conduct Officer. This does not prevent the Proctor from referring the case to the police.

Students will be formally notified in writing, of the referral, the allegation/s and draw his/her attention to the Conduct Procedures.

Upon receiving a referral from the Proctor the Student Conduct Officer will convene a Student Conduct Committee to consider the charges against the student.

#### **Temporary Exclusion from Accommodation**

When, in the opinion of the Proctor it is necessary for the protection of any person, property, the reputation of the University or the student him/herself, the Proctor may request the student to leave University student accommodation immediately or request the student to move to alternative University Student Accommodation pending the outcome of conduct proceedings. In such cases conduct proceedings will be initiated at the earliest opportunity. The Proctor may not suspend or relocate a student unless the student has been given the opportunity to make representations in person to the Proctor. Where for any reason it appears to the Proctor that it is

not practicable for the student to attend in person, the Student will be entitled to make written representation.

### **Temporary Exclusions**

The Vice-Chancellor may, pending a conduct hearing or a criminal trial, suspend or exclude a student who is the subject of a complaint of misconduct or against whom a criminal charge is pending or who is the subject of a police investigation.

Suspension or exclusion pending a hearing is not used as a penalty. The power to suspend or exclude under this provision is designed to protect a member or members of the University community and will only be used where the Vice-Chancellor is of the opinion that it is urgent and necessary to take such action. Written reasons for the decision will be recorded and notified to the student.

Normally, a student will not be suspended or excluded by the Vice-Chancellor unless he or she has been given an opportunity to make representations in person to the Vice-Chancellor. In cases of great urgency, the Vice-Chancellor may suspend or exclude a student with immediate effect, provided that they are offered the opportunity to make representations to the Vice-Chancellor within five days of the suspension or exclusion coming into effect, or as soon as possible thereafter if it is impracticable under the circumstances. If it is not possible for the student to attend in person, the student will be permitted to make written representations.

A decision to temporarily suspend or exclude a student will be kept under review by the Vice-Chancellor. Should the holding of a disciplinary hearing or criminal trial be delayed for whatever reason, and where the suspension or exclusion has continued for at least four weeks, the student may request a review of the decision. A review will be conducted by three independent members of the Senate and the student will be given the opportunity to submit written representations and to make representations in person. Should the suspension or exclusion continue after the review, it will remain under constant review by the Vice-Chancellor and, at the request of the student, be subject to further independent reviews at four-weekly intervals thereafter, until a disciplinary hearing or criminal trial is held.

The power to temporarily suspend or exclude a student, pending a disciplinary hearing or a criminal trial, is delegated to an appropriate senior office-holder and will be carried out in accordance with the procedure above. In all cases where the delegated power is exercised, the student retains the right to make representations to the Vice-Chancellor.

### **Convening a Student Conduct Committee**

The Student Conduct Office will inform each student in writing that their case has been referred to a Conduct Committee and the substance of the referral. Details of the practical arrangements for the hearing will be included together with a reply slip which must be returned to the Student Conduct Office, within five days of the date of the letter, indicating whether he/she admits to having committed the cited breach/es and whether he/she has any objection to any of the members of the Committee. The grounds for any objection must be clearly stated and the Student Conduct Officer will rule whether the objection is valid.

If two or more students are involved in related misconduct, the Student Conduct Officer may determine that the cases are considered together by the same Committee.

### **Attendance at Student Conduct Committees**

Students are required to attend any meeting of a Student Conduct Committee appointed by the Student Conduct Officer. The Conduct Committee will proceed in the student's absence, should he/she fail to attend the hearing without good reason.

### **Advice, Support, Representation and Guidance**

All students are permitted to bring a student or employee of the University or Students' Union Advice Centre to help him/her in presenting his/her case to the Committee and are actively encouraged to do so.

### **Evidence**

Evidence will normally be presented orally but written evidence or electronic evidence may also be submitted for examination. The Chair has the power to determine whether any material appears irrelevant or appears unduly repetitive.

### **Witness Evidence**

It is the responsibility of the student charged and the Proctor to arrange for their respective witnesses to give oral evidence or to submit any written statements. A witness giving oral evidence may be cross-examined. A witness not available for cross-examination may submit evidence in writing, but written evidence may be given less weight than evidence presented in person. The Committee may choose to disregard evidence from witnesses who are not prepared to have their names revealed to the Committee.

### **Composition of a Student Conduct Committee**

A Student Conduct Committee will consist of two appointed members of the Student Conduct

Panel (who shall constitute the quorum) and one student member of the University selected from a pool of trained student volunteers. One of the two appointed academic members of the Committee will act as Chair of the proceedings and will have an additional casting vote upon a tie. No member of the Student Conduct Committee will be from the same Department, School or Centre as the student subject to the proceedings.

### **Order of Proceedings**

The order of proceedings for a Student Conduct Committee will normally be as follows:

- a. Introduction of those present;
- b. The Proctor sets out the allegation/s of misconduct;
- c. The student responds to the allegation/s and is present with their representative whenever oral evidence is being heard by the Committee;
- d. The Committee has the opportunity to question both the Proctor and the student;
- e. Either party may call witnesses who shall attend only to present their evidence and to answer any questions that the Committee or the other party may put to them through the Chair. Once their evidence has been heard and there are no more questions, witnesses are required to withdraw;
- f. The Proctor sums up the allegation/s;
- g. The student provides a final summary;
- h. The Proctor and the student withdraw whilst the Panel reach their verdict;
- i. The Proctor and the student return for the delivery of the verdict;
- j. If the Committee finds the student guilty of a breach of the Conduct Regulations, the student is given the opportunity to put forward a case for mitigation of penalty;
- k. The Proctor informs the Committee of any previous breaches of the Student Conduct Regulations by the student;
- l. The Proctor and the student withdraw whilst the Committee consider an appropriate penalty;
- m. The decision of the Committee is then presented orally to the student.

### **Adjourning a Student Conduct Committee**

The Committee may, where it is appropriate to do so, adjourn consideration of a student's guilt or subsequent penalty in order to enable the student charged and/or their representative to be present. The Committee may adjourn a hearing in order to request that the Student Conduct Officer requires a witness to attend for cross-examination. The Committee may postpone its deliberations where a witness that the Committee considers to be a vital witness, fails to attend. The Committee may also adjourn where it is of the opinion that its

proceedings are being impeded by any circumstances beyond its control.

The Committee will meet to consider an adjourned case, as soon as it is feasible and not later than three months after the adjournment, although the case does not need to be determined at the resumed meeting. Where it is not reasonably practicable for the same members to attend the Committee reconvened to hear an adjourned case, the Student Conduct Officer may co-opt up to three additional members to replace those unable to attend and, if necessary, may appoint from among those co-opted members a new Chair. Where two or more additional members are co-opted, the reconvened hearing will proceed as a new hearing. Where only one additional member is co-opted and the student charged requests it, the reconvened hearing will take the form of a new hearing.

### Penalties

A Conduct Committee has the power, on behalf of the Senate, to make one or more of the following resolutions:

- a. That the charges against the student should be dismissed and no further action taken;
- b. To issue a formal written warning to the student;
- c. To require the student to make a written apology and/or restitution to the parties affected by the breach of Regulations;
- d. To confiscate without compensation, any item prohibited by the rules and regulations relating to the possession of offensive weapons on University premises;
- e. To require the student to have no contact, or restricted contact, with a specified person or persons;

- h. To require the student to attend a specified course or programme and to pay a reasonable costs for such a course or programme;
- i. To require the student to move to alternative University accommodation;
- j. To recommend to Accommodation Essex that the student should be refused University accommodation in the future;
- k. To exclude the student from the whole or any specified part or parts of the University and its precincts for a defined period or periods, including suspension of any University academic, residential, social or sporting facilities<sup>14</sup>;

<sup>14</sup> A student expelled or excluded as a result of conduct proceedings shall have no right to a refund.

- l. To expel the student from membership of the University<sup>15</sup>;

### Penalties Relating to Serious Criminal Convictions

In relation to a case referred to it as a consequence of a student being convicted of a serious, or repeated minor criminal offence(s) in a court of law or formally cautioned for a serious criminal offence by a police officer, a Committee will take into account the safety of persons and property and of good order in the University and its precincts, and make one or more of the following resolutions:

- a. That the charges against the student should be dismissed and no further action taken;
- b. To issue a formal written warning the student;
- c. To confiscate without compensation, any item prohibited by the rules and regulations relating to the possession of offensive weapons on University premises;

- g. To expel the student from membership of the University<sup>6</sup>.

Penalties will not last beyond the student's current programme of study. The imposition of a penalty, or part thereof, may be suspended pending any further breach of the same or all conduct regulations for a specified period of time.

### Formal Notification

Students will be formally notified in writing of the outcome of the committee's deliberations and decision and advised of the procedure for submitting an appeal.

## STUDENT CONDUCT APPEALS PROCESS

### Grounds for Appeal

A student has the right of appeal to a Conduct Committee of Appeal, against any resolution of the Proctor or a Student Conduct Committee on one or more of the following grounds:

- a. That there is material evidence now available which was not previously reasonably

<sup>15</sup> Expulsion from the University, is compulsory permanent withdrawal from the University and means that the student is no longer eligible to be registered for a programme of study or a component of a programme of study; or to be awarded a qualification from the University or to reside in University Accommodation.

- available to the Proctor or the Conduct Committee; or
- b. That the Proctor or Conduct Committee departed from the Student Conduct Procedures in a manner that may be prejudicial to the interests of the accused student; or
- c. That the facts set out in the findings of the Proctor or Conduct Committee do not warrant the resolution that there was a breach of regulations; or
- d. That the penalty imposed by the Proctor or Conduct Committee was unreasonable with regard to all the circumstances of the case.

### **Written Notice of Appeal**

A student may exercise their right to appeal by completing an Appeal Form, setting out concisely the grounds for appeal (as described above) and sending it to the Student Conduct Office at [studentconduct@essex.ac.uk](mailto:studentconduct@essex.ac.uk) within fifteen working days of the date on the letter containing the official notification of the outcome of conduct proceedings. The Student Conduct Officer has absolute discretion to extend this submission deadline to thirty working days from the date on the official outcome letter, providing that the student is able to show to the satisfaction of the Student Conduct Officer, that circumstances beyond his/her control prevented the standard time limit being adhered to and that injustice would result from adhering to it.

### **Convening a Student Conduct Committee of Appeal**

Upon receipt of an appeal, the Student Conduct Officer will determine whether the grounds set out in the appeal merit referral to a Student Conduct Committee of Appeal, or whether the appeal should be dismissed. The student will be informed of the Student Conduct Officer's decision within ten working days from receipt of the appeal.

On referring the case to a Conduct Committee of Appeal, the Student Conduct Officer will request from the Chair of the original Conduct Committee or the Proctor, against whose decision the appeal is made, a Statement of Case, which will include details of the charge or charges in respect of which the decision was made, a brief summary of the evidence and of the relevant findings, the decision, details of any penalty imposed, a brief comment as to the reason for such findings, decision and penalty and any further information which the Proctor or Committee Chair concerned considers to be relevant.

Within fifteen days of the notification of the Student Conduct Officer's decision to refer the appeal to a Student Conduct Committee of

Appeal, the Student Conduct Office will provide the student with a copy of the Statement of Case, details of the practical arrangements for the hearing and the names of members of the Student Conduct Committee of Appeal, together with a reply slip which must be returned to the Student Conduct Office, within five working days of the date of the letter. The student has the right to object to any member of the proposed Conduct Committee of Appeal and the grounds for any objection must be clearly stated and the Student Conduct Officer will rule whether the objection is valid.

### **Withdrawing an Appeal**

The student may, within five days of the despatch of the Statement of the Case by the Student Conduct Officer, withdraw the appeal. A student who fails to withdraw the appeal within this period must proceed with it unless the Student Conduct Committee of Appeal gives permission for its withdrawal.

### **Attendance at Student Conduct Committees**

Students are required to attend any meeting of a Student Conduct Committee of Appeal. Students who fail to attend a Student Conduct Committee of Appeal without good reason will be subject to a fine and the appeal will automatically be dismissed.

### **Advice, Support, Representation and Guidance**

All students are permitted to bring a student or employee of the University or Students' Union to help him/her in presenting their appeal to the Committee and are actively encouraged to do so.

### **Composition of a Student Conduct Committee of Appeal**

A Student Conduct Committee of Appeal will consist of two appointed members of the Student Conduct Panel (who shall constitute the quorum) and one student member of the University selected from a pool of trained student volunteers. One of the two appointed academic members of the Committee will act as Chair of the proceedings and will have an additional casting vote upon a tie. No member of the Student Conduct Committee of Appeal will be from the same Department/School/Centre as the student subject to proceedings. No member of the original Student Conduct Committee will be a member of the Student Conduct Committee of Appeal.

### **Order of Proceedings**

The order of proceedings for a Student Conduct Committee of Appeal will normally be as follows:

- a. Introduction of those present;

- b. The Chair determines on what grounds the student is appealing and which charges/penalties are being appealed;
- c. The Proctor sets out his/her view regarding the original resolution of the Proctor or Conduct Committee;
- d. The student presents the case for the appeal and is present with their representative whenever oral evidence is being heard by the Committee;
- e. The Committee has the opportunity to question both the Proctor and the student;
- f. Either party may call witnesses who shall attend only to present their evidence and to answer any questions that the Committee or the other party may put to them through the Chair. Once their evidence has been heard and there are no more questions, witnesses are required to withdraw;
- g. The Proctor and student are invited to provide a final summary;
- h. The Proctor and the student withdraw whilst the Panel reach their verdict upon guilt where this is being appealed;
- i. The Proctor and the student return for the delivery of the verdict upon guilt where this is being appealed;
- j. If the Committee confirms the decision to find the student guilty of a breach of the Conduct Regulations, the student is given the opportunity to put forward a case for mitigation of penalty;
- k. The Proctor informs the Committee of any previous breaches of the Student Conduct Regulations by the student;
- l. The Proctor and the student withdraw whilst the Committee consider whether the penalty under appeal appropriate;
- m. The decision of the Committee is then presented orally to the student.

### **Student Conduct Committee of Appeal Resolutions**

A Conduct Committee of Appeal will make one or more of the following resolutions:

- a. Rescind the resolution of the Proctor or Conduct Committee, that the student be found guilty and that any consequential penalties should also be rescinded;
- b. Confirm that the student be found guilty;
- c. Either confirm or amend a penalty issued by either a Conduct Committee or the Proctor, provided that any amendment is consistent with the powers of the Proctor or the Conduct Committee which made the original resolution. It should be noted that this means that penalties may be increased as well as decreased.

### **Procedural Irregularity**

Any appeal following the formal conclusion of the Student Conduct Committee of Appeal may be made on the grounds of procedural irregularity only, specifically that the Committee departed from the prescribed procedures. A student who wishes to appeal against the outcome of these procedures on the grounds of procedural irregularity should write to the Academic Registrar within four weeks of the date of the Student Conduct Committee of Appeal hearing, setting out in detail the nature of the evidence to support the claim that there were procedural irregularities in the process. If there is irrefutable evidence to support the claim then the case will be reviewed by the Pro-Vice-Chancellor (Education). If the Pro-Vice-Chancellor determines that there were procedural irregularities in the process then the case will be referred to a new Student Conduct Committee of Appeal.

### **The Office of the Independent Adjudicator (OIA)**

The Office of the Independent Adjudicator for Higher Education (OIA) provides an independent scheme for the review of student complaints or appeals. When the University's internal procedures for dealing with complaints and appeals have been exhausted, the University will issue a Completion of Procedures letter. Students wishing to avail themselves of the opportunity of an independent review by the OIA must submit their application to the OIA within three months of the issue of the Completion of Procedures letter. Full details of the scheme are available on request and will be enclosed with the Completion of Procedures letter.

### **Acquittal in a Court of Law**

A student acquitted in a court of law of an offence related to an incident for which a penalty has been already imposed under the arrangements set out in this document shall have the right of appeal to a Conduct Committee of Appeal provided that such appeal is lodged in writing with the Student Conduct Officer within thirty working days of the date on which the verdict in the court of law is delivered.

# Academic Offences Procedures

## A. Academic Offences

A1.

Academic offences include:

- a. plagiarism, that is, using or copying the work of others (whether written, printed or in any other form) without proper acknowledgement in any assignment, examination or other assessed work;
- b. using work previously submitted for another assignment without full acknowledgement.
- c. falsifying data or evidence;
- d. submitting a fraudulent claim of extenuating circumstances;
- e. assisting another student to commit an academic offence;
- f. submitting written work produced collaboratively unless this is explicitly permitted;
- g. copying the work of another candidate or otherwise communicating with another candidate in an examination;
- h. introducing any written, printed or electronically stored information into an examination other than material expressly permitted in the instructions for that examination;
- i. attempting to interfere with the assessment process.

This list is not exhaustive.

A2.

In submitting any piece of work (eg dissertation, thesis, essay, test or report) a student shall acknowledge any assistance received or any use of the work of others.

## GENERAL CONSIDERATIONS

A3.

A student may be found guilty of an academic offence whether or not there has been any intention to deceive; that is, **a judgement that negligence has occurred is sufficient to determine guilt.**

A4.

Students have a duty to inform themselves of the Academic Offences Policy and Procedures and of the academic conventions used in the University for correctly citing and acknowledging the work of others, including the correct use of quotation marks, and the regulations governing examinations. Further details and advice are to be found at: [www.essex.ac.uk/plagiarism/](http://www.essex.ac.uk/plagiarism/) For advice on correct referencing see also departmental handbooks and websites.

A5.

Depending on their nature and severity, alleged academic offences will be dealt with by the

relevant Head of Department or Executive Dean or his/her deputy or by an Academic Offences Committee. Head of Department shall also be taken to include Head of School, Director of Area, Centre or Institute or a nominated academic for a partner institution.

A6.

Plagiarism or cheating in work for a Masters dissertation/project or for a research degree is considered an especially severe offence since the explicit aim is to carry out independent investigative work.

A7.

When any academic offence is alleged, a student is required either to attend any meeting arranged to discuss the alleged offence with the relevant Head of Department, Executive Dean or his/her deputy, or Academic Offences Committee or if he or she does not wish to attend to submit a written response by the date of the meeting. If the student attends the meeting, he or she may bring a member of the University or Students' Union to help him or her in presenting his or her case. A meeting may proceed in the absence of the student (and their representative) provided that the Head of Department, Executive Dean or his/her deputy, or Chair of the Academic Offences Committee is satisfied that due notice has been given to the student.

A8.

In some instances, such as allegations relating to collusion or group submissions, it may be necessary and appropriate for the relevant Head of Department, Executive Dean or his/her deputy or Academic Offences Committee to see more than one student at a time.

A9.

If an allegation of an academic offence has been proven, the student will be invited to disclose any further cases which they wish to be taken into consideration as part of the same offence. Students are warned that all undisclosed offences which come to light will be treated as subsequent offences, potentially carrying heavier penalties.

A10.

In determining the penalty for an academic offence any previous confirmed academic offence will be taken into account. When more than one offence is considered at the same time the offences will normally all be considered as a first offence if the student has not previously been found guilty of an academic offence. A subsequent offence may occur from the point at which a student is found guilty of a first offence.

A11.

If a student is given an opportunity to resubmit work having been found to have committed an academic offence; any further allegations made about the resubmitted piece of work will be treated as a subsequent offence.

A12.

Students are reminded that the penalties for academic offences may be very severe, especially those for any subsequent offence (ie an offence identified after any previous offence has been confirmed), including requiring a student to withdraw or determining that a degree not be awarded. Students with a proven academic offence on record may be prevented from studying abroad under the Study Abroad scheme, and where necessary, the relevant Professional Body will also be informed.

A13.

Where a student who is in receipt of a University scholarship is found guilty of an academic offence by an Academic Offences Committee, the Chair may refer the matter to the appropriate Executive Dean or his/her deputy to determine whether there is good cause to terminate the scholarship.

A14.

Where a student has a penalised mark for work as a result of an academic offence the penalty will not be carried forward if the student repeats a year. However, the record of the offence is kept on the student's record and the academic offences database and any further offences will be classified as subsequent offences. Where necessary, the relevant Professional Bodies will be informed.

A15.

All information relating to suspected academic offences and their outcomes will be recorded on the academic offences database and in the student's file.

A16.

For students subject to the *Fitness to Practice Procedure*, an academic offence that affects professional suitability may also be referred to other relevant University authorities to be handled in accordance with the appropriate procedures.

A17.

Where the alleged offence involves an alleged breach of the University's disciplinary regulations, the case must first be referred to the Proctor.

A18.

Where an academic offence has been alleged and a student has withdrawn, or been required to withdraw, from the University for reasons not related to the allegation; the Academic Offences Procedures will be completed. If the student is found to have committed an academic offence, a notional penalty will be allocated and a record made of the outcome. The outcome will be communicated to the student in writing.

## **B. Alleged academic offences dealt with by Heads of Department**

### **ALLEGED OFFENCES DEALT WITH BY HEADS**

B1.

Heads of Department are responsible for the initial investigation of alleged academic offences relating to coursework submitted by any student

undertaking a module in his or her department, and relating to preliminary drafts of chapters or to papers for a Supervisory Board produced by a research student in his or her own department. Where a student is charged with committing an offence on a module which is not run by a Department, School or Centre, the Head responsible for the student's degree programme shall investigate the allegation.

B2.

All cases referred to a Head of Department must be investigated and dealt with on a formal basis.

B3.

Heads of Department can take decisions about all suspected academic offences relating to coursework where:

- a. the offence is a first or subsequent academic offence that if confirmed will result in a penalty that it is within the Head's powers to impose (see B8(b));
- b. the student does not request referral to the Executive Dean or his/her deputy;
- c. the alleged offence does not involve any breach of the University's disciplinary regulations.

B4.

Where an academic offence is alleged for a student studying for a Postgraduate Certificate in Higher Education Practice, the alleged offence will be referred to the relevant Executive Dean or his/her deputy.

B5.

All other cases, including all cases relating to formal examinations or involving research students and any allegation of an academic offence after the degree has been conferred, must be referred to the relevant Executive Dean or his/her deputy.

B6.

Where appropriate, a student is entitled to see a copy of paperwork relating to the alleged offence at least one day prior to the meeting with the Head of Department.

B7.

A Head of Department should not take a student's array of marks into consideration when allocating a penalty.

## **HEADS' POWERS**

B8.

Heads of Department acting on behalf of Senate shall have the power, taking into account the circumstances of the case, to:

- a. determine that no offence has been committed;
- b. determine that an offence has been committed and issue one of the following penalties;
  - i. a formal written warning only;
  - ii. unit of assessment to be referenced correctly/rewritten and assessed for an uncapped mark (students should only be

permitted to rewrite assignments where the offence does not simply involve referencing, and for those courses where the Rules of Assessment permit resubmission of failed work to the Exam Board);

- iii. unit of assessment to be referenced correctly/rewritten and assessed for the maximum of a capped pass mark (students should only be permitted to rewrite assignments where the offence does not simply involve referencing, and for those courses where the Rules of Assessment permit resubmission of failed work prior to the Exam Board);
- iv. unit of assessment to be referenced correctly/rewritten and assessed for credit purposes only with a mark of zero to be retained for all calculations, including degree classification (students should only be permitted to rewrite assignments where the offence does not simply involve referencing, and for those courses where the Rules of Assessment permit resubmission of failed work prior to the Exam Board);
- c. refer the case to the relevant Executive Dean or his/her deputy for further investigation.
- d. in some instances, where an academic offence has been committed in a unit of assessment which is worth a small part of the module aggregate (no more than 15%), it may be appropriate for a Head of Department to allocate a penalty of a mark of zero for the unit of assessment with no resubmission or second attempt allowed. This penalty may only be allocated following consultation with and approval by the relevant Executive Dean or his/her deputy.

B9.

No person shall perform the functions of a Head of Department regarding academic offences unless approved by the Executive Dean or his/her deputy. At the Head's request, the Executive Dean or his/her deputy may approve the appointment of named, normally senior members of the academic staff of the Department to perform all the functions of the Head of Department in respect of these procedures for all alleged offences in the Department.

B10.

Individual members of the academic staff are not permitted to make decisions about any case of suspected plagiarism and must refer these to the Head of Department or his/her nominee(s).

B11.

A Head should not be involved in the investigation of allegations for modules for which they are responsible or in relation to a research student where they are the student's supervisor, or a

member of the Supervisory Board. In such cases they should appoint a substitute who must be approved by the Executive Dean or his/her deputy.

## **HEADS' DUTIES**

B12.

The Head is required to:

- a. inform in writing each student whose case has been referred to him or her about the nature of the alleged offence;
- b. notify the relevant Executive Dean or his/her deputy of the alleged offence and determine whether there has been any previous confirmed academic offence;
- c. inform each student in writing of his or her decisions and the student's right to appeal against the decision;
- d. inform the Executive Dean or his/her deputy in writing of his or her decisions in respect of any case and the grounds for the decision (a copy must be kept both in the student's departmental file and in the central file);
- e. inform the Executive Dean or his/her deputy annually of the number of cases dealt with by him or her.

## **C. Alleged Academic Offences dealt with by the Executive Deans or his/her deputy**

### **ALLEGED OFFENCES DEALT WITH BY EXECUTIVE DEANS OR HIS/HER DEPUTY**

C1.

Executive Deans or his/her deputy investigate:

- a. all alleged offences relating to formal examinations.
- b. all alleged offences relating to coursework which the regulations indicate must be referred to them by Heads of Department.
- c. all alleged offences relating to research degrees referred to them by Heads of Department.

C2.

Executive Deans or his/her deputy can take decisions about the following alleged offences where:

- a. the student does not request that the case is referred to an Academic Offences Committee;
- b. the offence is a first or subsequent academic offence that could result in a penalty that it is within the Executive Dean's or his/her deputy's powers to impose (see C9.(b));
- c. any first offence by a research student where, if confirmed, the appropriate penalty would be no more than a formal written warning.

C3.

Executive Deans or his/her deputy must refer to an Academic Offences Committee:

- a. any case where the student requests that it be heard by an Academic Offences Committee;
- b. any case where the penalty would be more severe than it is within the Executive Dean's or his/her deputy's powers to impose (see C9.(b));
- c. in the case of research students: any allegation, if confirmed, where the appropriate penalty could be more than a formal warning and any allegation involving a subsequent offence (see also C5).

#### C4.

Executive Deans or his/her deputy must refer to the Proctor any cases involving breaches of the University's disciplinary regulations.

#### C5.

Where an offence is alleged by an Examiner during the examination process for a research degree, the examination must be suspended and the allegation referred to the Executive Dean or his/her deputy of the Graduate School. If plagiarism is alleged before the viva takes place, then the viva should be held over until the investigation has been completed. If plagiarism is identified during the viva, the Examiners should inform the candidate and suspend the viva. In both cases, the Examiners should prepare a written report for the Executive Dean or his/her deputy of the Graduate School. All allegations brought after the thesis has been submitted will be considered by an Academic Offences Committee.

#### C6.

Where an allegation of an academic offence arises after the degree has been conferred the Executive Dean or his/her deputy must consult the Vice-Chancellor who shall determine the procedures to be used in dealing with the case.

#### C7.

Where appropriate, a student is entitled to see a copy of paperwork relating to the alleged offence at least one day prior to the meeting with the Executive Dean or his/her deputy.

#### C8.

An Executive Dean or his/her deputy should not take a student's array of marks into consideration when allocating a penalty.

### **EXECUTIVE DEANS' OR HIS/HER DEPUTY POWERS**

#### C9.

Executive Deans or his/her deputy acting on behalf of Senate shall have the power to:

- a. determine that no offence has been committed;
- b. determine that an offence has been committed and impose one of the following penalties:
  - i. a formal written warning;
  - ii. unit of assessment to be referenced correctly/rewritten and assessed for an

uncapped mark (students should only be permitted to rewrite assignments where the offence does not simply involve referencing and for those courses where the Rules of Assessment permit resubmission of failed work prior to the Exam Board);

- iii. unit of assessment to be referenced correctly/rewritten and assessed for the maximum of a capped pass mark (students should only be permitted to rewrite assignments where the offence does not simply involve referencing, and for those courses where the Rules of Assessment permit resubmission of failed work prior to the Exam Board);
- iv. the student resit the examination for the maximum of a capped pass mark;
- v. unit of assessment to be referenced correctly/rewritten and assessed for credit purposes only with a mark of zero to be retained for all calculations, including degree classification students should only be permitted to rewrite the assignments where the offence does not simply involve referencing, and for those courses where the Rules of Assessment permit resubmission of failed work prior to the Exam Board).
- c. refer the case to an Academic Offences Committee for further consideration;
- d. in some instances, where an academic offence has been committed in a unit of assessment which is worth a small part of the module aggregate (no more than 15%), it may be appropriate for an Executive Dean or his/her deputy to allocate a penalty mark of zero for the unit of assessment with no resubmission or second attempt allowed.

#### C10.

For research students the Executive Dean or his/her deputy can issue a formal written warning only.

### **EXECUTIVE DEANS' OR HIS/HER DEPUTY DUTIES**

#### C11.

The Executive Dean or his/her deputy is required to:

- a. inform in writing each student whose case has been referred to him or her about the nature of the alleged offence.
- b. establish whether there has been a previous confirmed academic offence;
- c. inform in writing each student of his or her decision and the student's right to appeal against the decision;
- d. ensure that a note is kept on the student's central file of the decision and the reasons for it.
- e. inform the Head of Department of the decision;

- f. inform in writing each student whose case has been referred to an Academic Offences Committee the substance of such reference;
- g. report to the Academic Quality and Standards Committee annually the number of cases dealt with by Heads and the Executive Deans or his/her deputy.

## **D. Academic Offences Committees**

### **MEMBERSHIP**

D1.

An Academic Offences Committee is a Committee of Senate. Members of an Academic Offences Committee must be drawn from the Panel of potential Academic Offences Committee members.

D2.

An Academic Offences Committee shall consist of an Executive Dean or his/her deputy in the chair, and two members of staff from outside the student's department who have no connection with the case in question. The Committee shall be serviced by a Secretary.

D3.

If an Executive Dean or his/her deputy has previously made a judgement relating to the allegation in question, then another Executive Dean or his/her deputy must chair the Academic Offences Committee.

### **HEADS OF DEPARTMENT**

D4.

The Head of the Department in which the alleged offence has occurred will attend the Committee to set out evidence relating to the alleged offence (ie to act as prosecutor). The Head should not present any mitigating circumstances of which he/she is aware unless they relate to the Department's procedures or teaching. Neither should the Head propose or comment on any penalty that might be imposed.

D5.

The Head is not a member of the Committee and can only attend when the student is present (not before or after). The Head is not permitted to ask questions of the student during the meeting except through the Chair.

D6.

Heads may, if they wish, delegate their duties in relation to Academic Offences Committees to an appropriate member of the academic staff in their department.

## **THE SECRETARY OF THE COMMITTEE**

D7.

The Secretary of the Committee will notify the student in writing of the time and place in which the case will be heard.

D8.

The Secretary of the Committee will take notes of the meeting, taking particular care to record the reasons for the decision and the deliberation concerning the imposition of any penalty and the alternatives from the set of possible penalties that were considered.

## **STUDENT ATTENDANCE AND REPRESENTATION**

D9.

If the student admits to the charge by informing the Executive Dean or his/her deputy in writing within five working days of notification of the charge, he or she need not attend the Committee and the Committee shall be free to proceed in his or her absence. In such a case a student may submit a statement in mitigation.

D10.

The student charged will be invited to be present at the committee whenever oral evidence is being heard by the Committee. He or she may bring a member of the University or Students' Union to help him or her in presenting his or her case to the Committee.

D11.

Where appropriate, a student is entitled to see a copy of paperwork relating to the alleged offence at least one day prior to the Academic Offences Committee.

## **ORDER OF PROCEEDINGS**

D12.

The Chair of the Committee shall have the authority to determine the order of proceedings and exclude any material which appears irrelevant to the case.

D13.

The usual pattern of proceedings is:

- a. The members of the Committee have a preliminary discussion without the student, the student's representative or the Head being present.
- b. The student, the student's representative and the Head enter the room and the Chair introduces all those present.
- c. The Chair checks that the student has received details of the case and any supporting documentation.
- d. The Chair explains the order of proceedings to the student.
- e. The evidence relating to the alleged offence is then presented by the relevant Head, and

members of the Committee, the student and the student's representative are invited to put questions to the Head.

- f. The Chair then invites the student to put forward a case orally if he or she wishes to do so including any mitigation, and members of the committee (but not the Head) are invited to put questions to the student.
- g. The Chair invites the student's representative to put forward any additional statement.
- h. The Chair invites the student to make any final response.
- i. The student, the student's representative and the Head are then asked to leave the room.
- j. The Committee then deliberates and comes to a decision as to whether an offence has been committed.
- k. The Committee then determines the appropriate penalty from the set of penalties available to it, clarifying the reasons for the choice of penalty.
- l. The student is then recalled to the room to be told the decision as to whether the alleged offence is confirmed and, if so, the penalty and the reasons why this is the appropriate penalty. The Head of Department may be present during this final stage.

D14.

Where the student's case is being heard by an Academic Offences Committee because it is a subsequent offence this information will be included in the papers given to the Committee in advance of the meeting.

D15.

An Academic Offences Committee should not take a student's array of marks into consideration when allocating a penalty.

D16.

Only members of the Committee and the Secretary shall be present while a committee is reaching a decision of innocence or guilt, or on any penalty or other action.

## ADJOURNMENT

D17.

The Committee may adjourn:

- a. in order to enable the student or the student's representative to be present;
- b. where this is necessary to obtain further information.

D18.

The Committee shall meet to consider an adjourned case as soon as it is feasible and not later than three months after the adjournment, although the case need not be determined at the resumed meeting. If necessary, the Executive Dean or his/her deputy may co-opt additional members to replace any member not able to attend the reconvened meeting, including a new chair. If there are two new members the reconvened meeting shall proceed as a new hearing. If there is one new member the student

may request that the meeting proceed as a new hearing.

## POWERS OF THE COMMITTEE

D19.

An Academic Offences Committee shall have the power to:

- a. determine that an offence has not been committed.
- b. determine that an offence has been committed and impose one of the following penalties:
  - i. a formal written warning only;
  - ii. unit of assessment to be referenced correctly/rewritten and assessed for an uncapped mark (students should only be permitted to rewrite assignments where the offence does not simply involve referencing, and for those courses where the Rules of Assessment permit resubmission of failed work prior to the Exam Board);
  - iii. unit of assessment be referenced correctly/rewritten and assessed for the maximum of a capped pass mark (students should only be permitted to rewrite assignments where the offence does not simply involve referencing, and for those courses where the Rules of Assessment permit resubmission of failed work prior to the Exam Board);
  - iv. the student resit the examination for the maximum of a capped pass mark;
  - v. unit of assessment to be referenced correctly/rewritten and assessed for credit purposes only, with a mark of zero to be retained for all calculations, including degree classification (students should only be permitted to rewrite assignments where the offence does not simply involve referencing, and for those courses where the Rules of Assessment permit resubmission of failed work prior to the Exam Board);
  - vi. a mark of zero be awarded for the unit of assessment with no resubmission or second attempt permitted;
  - vii. a mark of zero be awarded for the entire module with no resubmission or second attempt permitted;
  - viii. a mark of zero be awarded for the module and the student be permitted to complete credits for an exit award only;
  - ix. a mark of zero be awarded for the module and the Exam Board be instructed to consider the student only for an exit award on the basis of credits already achieved; or
  - x. the student be required to withdraw without being awarded a degree or exit award (earned credits, that is credits

- which have already been ratified by a Board of Examiners, can be recorded).
- c. For research students an Academic Offences Committee shall have the power to:
- i. determine that an offence has not been committed;
  - ii. determine that an offence has been committed and impose one of the following penalties:
    - (a) a formal written warning and/or thesis be referenced correctly and resubmitted for assessment;
    - (b) where the alleged offence occurred prior to submission, the student's registration be downgraded and he or she can only be considered for a lower award;
    - (c) where the alleged offence occurred after submission, the Examiners be instructed to consider the thesis, based on the un plagiarised sections, for a lower award with the outcomes limited to those available for a referred thesis; or
    - (d) the student be required to withdraw (any earned credits can be recorded)

Where a research student is proven to have committed a second academic offence, having previously been issued with a formal written warning and/or allowed to reference the thesis correctly and resubmit for assessment; no further written warning will be issued or resubmission attempt allowed and an Academic Offences Committee will allocate either penalty D19.c.ii.b, D19.c.ii.c or D19.c.ii.d.

- d. In the case of a research student studying for a Professional Doctorate where the form of assessment is more akin to Postgraduate Taught assessment (not a thesis), the Academic Offences Committee shall have the power to allocate a penalty from those available for Postgraduate Taught students.

## **RECORD**

D20.

A note of the committee's meeting, including the decision and the grounds for it, will be taken by the Secretary.

## **CHAIR'S DUTIES**

D21.

The Chair shall ensure that:

- a. each student is informed in writing of the Committee's decision and of the student's right to appeal against the decision;
- b. a note is kept on the student's central file of the decision and the reasons for it;

- c. the Head of Department is informed of the decision.

## **E. Appeals against decisions by Heads, Executive Deans or his/her deputy or Academic Offences Committees**

### **RIGHT OF APPEAL**

E1.

A student shall have the right of appeal to an Academic Offences Appeal Committee against any decision of a Head of Department, Executive Dean or his/her deputy or Academic Offences Committee (hereafter 'the Initial Adjudicator') on the following grounds:

- a. that there is material evidence now available which was not previously available to the Initial Adjudicator and of such a nature as to cause reasonable doubt as to whether the result might have been different had the material been available;
- b. that the Initial Adjudicator departed from the provisions of sections B, C or D in a manner prejudicial to the interests of the student and causing reasonable doubt as to whether the result might have been different had this not occurred;
- c. that the facts set out in the findings of the Initial Adjudicator do not warrant the resolution that there was an academic offence as charged;
- d. that the penalty imposed by the Initial Adjudicator was unreasonable having regard to all the circumstances of the case.

### **LODGING AN APPEAL**

E2.

A student who wishes to appeal against the outcome of these procedures should write to the Academic Registrar within five working days of the date on which notification of the decision was sent to the student concerned by the Initial Adjudicator. If the student can show to the satisfaction of the PVC (Education) that circumstances beyond his or her control prevented this time limit being adhered to and that injustice would result from adhering to it, the Academic Registrar may extend the time limit in which an appeal may be lodged up to the period of thirty days from the date on which the notification of the decision was sent.

E3.

The written appeal shall set out in detail the grounds of the appeal.

E4.

The student may withdraw an appeal as of right at any time before the meeting of the Committee.

## **DUTIES OF THE PRO-VICE-CHANCELLOR (EDUCATION)**

E5.

On receipt of an Appeal the Pro-Vice-Chancellor (Education) shall nominate an Executive Dean or his/her deputy who has no previous involvement with the case (hereafter the Appointed Executive Dean or his/her deputy) to deal with the appeal.

## **DUTIES OF THE APPOINTED EXECUTIVE DEAN OR HIS/HER DEPUTY**

E6.

The Appointed Executive Dean or his/her deputy shall inform in writing each student who lodges a request for an appeal, normally within ten days of the receipt by him or her of that request, whether or not in his or her judgement the request discloses a proper ground for an appeal.

E7.

If there are proper grounds for an appeal the Appointed Executive Dean or his/her deputy shall request that the Initial Adjudicator against whose decision the appeal is made, write a Statement of the Case, which shall include:

- a. details of the charge or charges in respect of which the decision was made;
- b. a brief summary of the evidence and of the relevant findings;
- c. the decision;
- d. details of any penalty imposed;
- e. a brief comment as to the reason for such findings, decision and penalty; and
- f. any further information which the person or body concerned considers to be relevant.

E8.

The Appointed Executive Dean or his/her deputy must notify the student and the Initial Adjudicator of the time and place at which the appeal will be heard.

E9.

The Appointed Executive Dean or his/her deputy must inform the student of his or her right to bring a member of the University or Students' Union to help in presenting the appeal to the Committee.

E10.

The Appointed Executive Dean or his/her deputy will provide the student and the Initial Adjudicator with a copy of the statement of the case in advance of the meeting of the Academic Offences Appeal Committee.

## **MEMBERSHIP OF AN ACADEMIC OFFENCES APPEAL COMMITTEE**

E11.

An Academic Offences Appeal Committee is a committee of Senate. Members of the Committee must be drawn from the University Academic Offences Panel.

E12.

An Academic Offences Appeal Committee consists of the Appointed Executive Dean or

his/her deputy in the chair, and two members of staff from outside the student's Department who have had no connection with the case.

E13.

The Appeal Committee will be serviced by a Secretary.

## **ORDER OF PROCEEDINGS**

E14.

The Chair of the Committee shall have the authority to determine the order of proceedings and exclude any material which appears irrelevant to the case.

E15.

The usual pattern of proceedings is:

- a. The members of the Committee have a preliminary discussion without the student, the student's representative or the Initial Adjudicator being present.
- b. The student, the student's representative and the Initial Adjudicator enter the room and the Chair introduces all those present.
- c. The Chair checks that the student has received details of the case and any supporting documentation.
- d. The Chair explains the order of proceedings to the student.
- e. The evidence relating to the alleged offence is then presented by the Initial Adjudicator and members of the Committee are invited to put questions to the Initial Adjudicator.
- f. The Chair then invites the student to put forward a case orally if he or she wishes to do so including any mitigation, and members of the committee (but not the Initial Adjudicator) are invited to put questions to the student.
- g. The Chair invites the student's representative to put forward any additional statement.
- h. The Chair invites the student to make any final response.
- i. The student, the student's representative and the Initial Adjudicator are then asked to leave the room.
- j. The Committee then deliberates and comes to a decision as to whether an offence has been committed.
- k. The Committee then determines the appropriate penalty from the set of penalties available to it, clarifying the reasons for the choice of penalty.
- l. The student is then recalled to the room to be told the decision as to whether the alleged offence is confirmed and, if so, the penalty and the reasons why this is the appropriate penalty. The Initial Adjudicator may be present during this final stage.

E16.

The Committee may proceed in the absence of the student or the student's representative provided that the Chair is satisfied that due notice has been given to the student.

E17.

Only members of the Committee and the Secretary shall be present while a committee is reaching a decision of innocence or guilt, or on any penalty or other action.

## **ADJOURNMENT**

E18.

The Committee may adjourn:

- a. in order to enable the student or the student's representative to be present;
- b. where this is necessary to obtain further information.

E19.

The Committee shall meet to consider an adjourned case as soon as it is feasible and not later than three months after the adjournment, although the case need not be determined at the resumed meeting. If necessary, the Appointed Executive Dean or his/her deputy may co-opt additional members to replace any member not able to attend the reconvened meeting, including a new chair. If there are two new members the reconvened meeting shall proceed as a new hearing. If there is one new member the student may request that the meeting proceed as a new hearing.

## **POWERS OF AN ACADEMIC OFFENCES APPEAL COMMITTEE**

E20.

An Academic Offences Appeal Committee shall have the power to:

- a. rescind a resolution of a Head, Executive Dean or his/her deputy or Academic Offences Committee that the student has committed an offence and rescind all consequential penalties;
- b. confirm a resolution of a Head, Executive Dean or his/her deputy or Academic Offences Committee that the student has committed an academic offence;
- c. confirm or amend (increasing or decreasing) the penalty allocated by a Head, Executive Dean or his/her deputy or Academic Offences Committee, provided that any amendment is consistent with the powers of the original authority.

E21.

A note of the committee's meeting, including the decision and the grounds for it, will be taken by the Secretary.

E22.

The number of cases dealt with by an Academic Offences Appeals Committee under these procedures shall be reported by the Academic Registrar to Senate on an annual basis.

## **FURTHER APPEALS**

E23.

Any appeal following the formal conclusion of the appeals procedures set out above may be made on the grounds of procedural irregularities in the appeals process only. A student who wishes to appeal against the outcome of these procedures should write to the Academic Registrar within four weeks of the Appeal hearing setting out in detail the nature of the evidence to support the claim that there were procedural irregularities in the appeals process. If *prima facie* there is evidence to support the claim then the case will be reviewed by a Pro-Vice-Chancellor. If the Pro-Vice-Chancellor determines that there were procedural irregularities in the appeals process then the case will be referred to an Appeals Committee for consideration.

E24.

The Office of the Independent Adjudicator for Higher Education (OIA) provides an independent scheme for the review of student complaints or appeals. When the University's internal procedures for dealing with complaints and appeals have been exhausted, the University will issue a Completion of Procedures letter. Students wishing to avail themselves of the opportunity of an independent review by the OIA must submit their application to the OIA within three months of the issue of the Completion of Procedures letter. Full details of the scheme are available on request and will be enclosed with the Completion of Procedures letter.

## **ACADEMIC OFFENCES PENALTY GUIDELINES FOR HEADS, EXECUTIVE DEANS OR HIS/HER DEPUTIES AND ACADEMIC OFFENCES COMMITTEES**

### **PRINCIPLES**

F1.

In determining penalties Heads, Executive Deans or his/her deputies and Academic Offences Committees will take the following into account:

- a. the degree of severity of the offence
- b. whether it is a first or subsequent offence
- c. the academic stage the student has reached (first year u/g, Masters, etc)
- d. any mitigating circumstances (see the Guidelines for Penalties' tables for further guidance)

### **APPLICATION**

F2.

A Board of Examiners may not overturn any decision on a penalty given in relation to an academic offence by a Head of Department, an

Executive Dean or his/her deputy or an Academic Offences Committee.

F3.

If a student does not take the opportunity to submit a correctly referenced or rewritten unit of assessment, or resit the examination, then a mark of zero will be allocated and no further submission for credit or otherwise will be allowed.

F4.

If reassessment for the module is not on a like-for-like basis then the allocated penalty will be applied to the overall module mark in proportion to the weighting of the penalised unit of assessment.

F5.

In cases where the module mark is determined by either the aggregate of coursework and examination or examination only, whichever is the higher, then any penalty applied to an element of the coursework component will result in the student's final module mark being determined by the aggregate of coursework and examination:

the student will not be entitled to have their module mark determined by examination only.

F6.

In cases where a module mark is determined by the best grades of a student's work (for example the best three out of four units of assessments) the unit(s) of assessment to which a penalty has been applied must be included in the final aggregate. The student will not be entitled to have the module mark determined by discounting any such penalties.

#### **DEFINITION OF TERMINOLOGY**

F7.

An examination is to be defined as any assessment under controlled conditions, including an in-class test.

F8.

A unit of assessment is to be defined as any element of a module which contributes to a final module mark.

## GUIDELINES

The guidelines presented below are guidelines only and it is very important that those making decisions about penalties take the evidence with which they have been provided and any mitigating circumstances into account.

**Table 1: Guidelines for penalties for first offences in taught courses**

	Offence	Penalties graded by severity
<b>Band 1</b>	<u>Relatively minor offence</u> – eg plagiarising a few lines; taking a few notes into an examination that are not relevant to the examination.	<ol style="list-style-type: none"> <li>1. A formal written warning only</li> <li>2. Unit of assessment to be referenced correctly/rewritten and assessed for an uncapped mark (students should only be permitted to rewrite assignments where the offence does not simply involve referencing, and for those courses where the Rules of Assessment permit resubmission of failed work prior to the Exam Board)</li> </ol>
Band 2	<u>Rather more severe offence</u> – eg plagiarism is somewhat more extensive (but less than 25%), the sources plagiarised are not listed but there is still a substantial proportion of the student's own work; or the plagiarism is more extensive but the work submitted is <u>an early unit of assessment for a module</u> , and the evidence indicates that there has been a failure to understand the academic conventions.	<ol style="list-style-type: none"> <li>3. Unit of assessment to be referenced correctly/rewritten and assessed for the maximum of a capped pass mark (students should only be permitted to rewrite assignments where the offence does not simply involve referencing, and for those courses where the Rules of Assessment permit resubmission of failed work prior to the Exam Board)</li> </ol>
Band 3	<u>Severe offence</u> – eg plagiarism extending to a substantial proportion of the work (25% or more); falsifying some data or evidence; cheating in an examination; taking a small amount of relevant material into an examination.	<ol style="list-style-type: none"> <li>4. Student to resit the examination for the maximum of a capped pass mark</li> <li>5. Unit of assessment to be referenced correctly/rewritten and assessed for credit purposes only (students should only be permitted to rewrite assignments where the offence does not simply involve referencing, and for those courses where the Rules of Assessment permit resubmission of failed work prior to the Exam Board)</li> <li>6. Mark of zero be awarded for the unit of assessment with no resubmission or second attempt</li> <li>7. Mark of zero be awarded for the module with no resubmission or second attempt</li> </ol>
Band 4	<u>Very severe offence</u> – eg obtaining work from someone else; copying the work of another student almost in its entirety; falsifying the majority of data or evidence; taking a significant amount of relevant material into an examination; attempts to avoid detection by plagiarism software; impersonation of a student in an examination.	<ol style="list-style-type: none"> <li>8. Mark of zero be awarded for the module and student may complete credits for an exit award.</li> <li>9. # Progress and Appeals Procedures for Taught Programmes of Study

## To Whom do these Procedures apply?

These procedures apply to all students on taught programmes of study, including the following: students on undergraduate courses; students on University of Essex foundation-year courses taught on campus or away; students on postgraduate taught courses; students studying abroad as part of their degrees.

### 1.

#### MONITORING OF STUDENT PROGRESS AND ATTENDANCE <sup>16</sup>

- a. Student engagement with their programme of study is primarily measured by attendance and completion of term-time assessments, which are monitored in and by departments.
- b. Heads of Department are responsible for ensuring that an effective means of monitoring students' attendance and completion of assessments is established and maintained in each department in accordance with the requirements set out below.
- c. Departmental procedures should be communicated to all students taking modules in the Department.

#### Progress Procedures for Taught Students

- d. For all taught students, as a minimum, departments should:
  - (i) Monitor, and record, the attendance of students for a two week period during Weeks 5-7 and Weeks 19-21 (excluding reading weeks) at supporting tuition, ie classes, tutorials and laboratories.
  - (ii) Review the data for all students on their degrees (including joint courses for which they are responsible) including the data for outside options which the student is taking and any compulsory in-session English module, and any available information on assessment due to be completed by the end of week 7 and 21.
  - (iii) Monitor the submission of all coursework.
- e. Where attendance and/or completion of assessments is unsatisfactory, departments should take the following action:
  - (i) The Director of Undergraduate Studies/Graduate Director (or equivalent) (or his/her nominee) will meet all students

whose attendance/completion of assessed work has been identified as unsatisfactory. The student's attendance should be monitored for a further three-week period.

- (ii) If attendance/completion of assessed work remains unsatisfactory, the matter will be referred to the Head of Department who will arrange to meet the student.
- (iii) If a student does not attend the meeting with the Director of Undergraduate Studies/Graduate Director or Head of Department, or where a department's efforts to encourage a student to engage with their studies have been unsuccessful and/or where progress measured by the completion of the required assessments is such that the student is unlikely to complete the year successfully, the Head of Department should refer the student to the relevant Executive Dean or his/her deputy. The Executive Dean or his/her deputy will review each case and may refer a student to the Progress Committee. Examination Boards may consider students whose progress continues to be unsatisfactory, after the examination results are known.
- f. Where a student has not attended any supporting tuition and/or has not submitted any coursework then the matter will be referred directly to the Executive Dean or his/her deputy.
- g. Where attendance is unsatisfactory in the second monitoring period (weeks 19-21) and/or the student has not submitted any coursework, and attendance/completion of assessed work was unsatisfactory in the previous period, the matter will be referred directly to the Executive Dean or his/her deputy.
- h. Where a case is referred to the Executive Dean or his/her deputy, he/she may:
  - (i) Refer the case to a Progress Committee;
  - (ii) Arrange to meet the student;
  - (iii) Decide to take no further action/refer the case back to the department.
- i. The Executive Dean or his/her deputy may invite the student to a meeting to discuss their progress. Following this meeting the Executive Dean or his/her deputy may:
  - (i) Refer the case to a Progress Committee;
  - (ii) Permit the student to proceed with or without certain conditions, breach of which would automatically result in the student being referred to a Progress Committee;
  - (iii) Decide to take no further action.
- j. If a student does not attend a meeting with the Executive Dean or his/her deputy, and their attendance and/or submission of coursework has been unsatisfactory, then it

<sup>16</sup> There may be professional, regulatory or statutory requirements regarding attendance that have consequences for students beyond those outlined in this procedure.

will be assumed that they are no longer engaged in the course and they will be withdrawn.

- k. Departments operating joint degrees should liaise with the other departments involved to ensure that there is full co-ordination on the monitoring of progress. In the case of multidisciplinary courses the Director of the degree course should liaise with contributing departments.

## 2.

### **POLICY ON THE LATE SUBMISSION OF COURSEWORK**

#### **Undergraduate Students**

- a. Coursework deadlines are set by Departments. Departments must not set coursework submission deadlines beyond 4pm on the last working day before the main examination period.
- b. There is a single policy at the University of Essex for the late submission of coursework in undergraduate courses/modules:  
**Late submission policy:** All coursework submitted after the deadline will receive a mark of zero. The mark of zero shall stand unless the student submits satisfactory evidence of extenuating circumstances that indicate that the student was unable to submit the work prior to the deadline.
- c. No extensions will be granted. A student submitting coursework late will have the department's and the University's arrangements for extenuating lateness drawn to their attention. Details of the University's arrangements can be found at [www2.essex.ac.uk/academic/students/ug/crs/wk\\_pol.htm](http://www2.essex.ac.uk/academic/students/ug/crs/wk_pol.htm)
- d. For work submitted after the point at which a mark of zero is awarded, marking is at the discretion of the department *unless* there are extenuating circumstances, which have been accepted by the Extenuating Lateness Committee.
- e. Collaborative partner institutions will continue with their own uniform policies.

#### **Postgraduate Students**

- a. Coursework deadlines are set by Departments.
- b. Departments operate one of the University's approved policies for the late submission of coursework for the taught element of postgraduate and graduate programmes. Departments will publish details of the policy they operate. The University policies can be found at [www2.essex.ac.uk/academic/students/pgt/crs/wk\\_polPG.htm](http://www2.essex.ac.uk/academic/students/pgt/crs/wk_polPG.htm)

- c. Dissertations are not counted as coursework and are therefore not covered by the Policy on the Late Submission of Coursework. Students can request an extension to submit their dissertation if they find that, due to extenuating circumstances, they will be unable to submit the dissertation by the published deadline.

Such requests are considered and approved, if appropriate, by the Department and the Executive Dean or his/her deputy.

## 3.

### **University Regulations Governing Student Progress and Attendance**

#### **Regulation 5.19.**

Students following a final year undergraduate course will be permitted to intermit from the University only if the request has been made to the relevant Head of Department, or his or her nominee or the Executive Dean or his/her deputy, before the Monday of the sixth week of the Spring term (ie week 21) in the year in question. The final deadline to request permission to intermit in the first and second years is 4pm on Friday of week 30 (or the working day two weeks immediately prior to the first day of the examination period). Exceptionally the Executive Dean or his/her deputy may approve requests after this date. If permission is given, regulation 5.18 above applies.

If permission is not given, students must submit themselves, or will be deemed to have submitted themselves, for assessment in the main examination period in the normal way (see also Regulation 6.25. relating to the award of aegrotat degrees).

#### **Regulation 6.16.**

The progress of each student shall be reviewed at regular intervals during the academic year by academic departments. Where necessary Heads of Department or, in the case of students following joint degrees, the Director of the course, shall inform the Executive Dean or his/her deputy of any student whose progress gives cause for concern. The Executive Dean or his/her deputy may refer a student to the Progress Committee, which shall be appointed annually by the Board. In such cases the Progress Committee shall act on behalf of the Board and may require a student whose progress is unsatisfactory to withdraw from the University. First and Second Year Boards of Examiners may also require a student whose progress is unsatisfactory to withdraw from the University. A student who is required to withdraw from the University on the grounds of unsatisfactory progress has the right

of appeal in accordance with the procedures approved by the Senate.

#### **Regulation 6.17.**

Heads of Department or, in the case of students following joint degrees, the Director of the course, shall inform the Executive Dean or his/her deputy of any student whose performance suggests that *prima facie* the student will be unable to meet the requirements for obtaining a pass at the end of the year. The cases of such students will normally be dealt with by the Executive Dean or his/her deputy who will normally write to the students to warn them of the gravity of their situation and the likelihood that they will fail the year or the award for which they are registered.

Heads of Department or, in the case of students following joint degrees, the Director of the course, shall inform the Executive Dean or his/her deputy of any student whose performance suggests that *prima facie* the student will be unable to meet the requirements for obtaining a pass at the end of the year. The cases of such students will normally be dealt with by the Executive Dean or his/her deputy who will normally write to the students to warn them of the gravity of their situation and the likelihood that they will fail the year or the award for which they are registered.

#### **Regulation 6.18.**

A student who is prevented by ill health or other serious impediment from meeting the normal requirements of his or her programme of study for more than six consecutive weeks, may not, except with the permission of the Deputy Vice-Chancellor, count that term as part of the requirements of the programme of study for which he/she is registered.

#### **Regulation 7.1.**

Students are required to be regular and punctual in their attendance at such instruction as may be prescribed by the relevant department in relation to individual modules.

#### **Regulation 7.2.**

Students are required to see members of academic staff to discuss their attendance, conduct and progress when requested to do so.

#### **Regulation 7.3.**

A student who is absent from teaching for more than one week during term shall inform the Head of Department as soon as possible, in writing, giving the reason for his or her absence. A student who is absent for more than two consecutive weeks during term must provide medical evidence in the case of illness, or appropriate corroboration where there are other reasons for absence, which must be sent to Student Support at the earliest opportunity.

### **4.**

#### **REFERRAL TO PROGRESS COMMITTEE**

- a. If an Executive Dean or his/her deputy refers the case of a student to Progress Committee then the Registry will write to inform the student and will copy the letter to the student's department.
- b. The student should be given adequate time to seek advice and prepare his or her case before the meeting of the Progress Committee. The letter to the student will indicate the reason for the referral to the Progress Committee.
- c. The student will be invited to attend the meeting and may be accompanied by any member of the University or by a member of the full-time staff of the Students' Union.
- d. If the student is unable to attend the meeting of Progress Committee, the meeting will nevertheless take place and the decisions taken will be valid.
- e. A student who is unable to attend the meeting can ask a member of the University or a member of the full-time staff of the Student Union to attend on his or her behalf. No person can represent the student in his or her absence unless he or she has expressly been asked to do so by the student.
- f. The student will be invited to submit in advance the following documents:
  - (i) a written statement giving any facts or extenuating circumstances (see section 10 of this document) which the student thinks may have affected his or her performance;
  - (ii) documentary evidence to support any extenuating circumstances put forward, without which the Progress Committee may place lesser weight on the extenuating circumstances.

### **5.**

#### **COMPOSITION AND FORM OF PROGRESS COMMITTEES**

- a. Each Faculty will have a Progress Committee convened and chaired by an Executive Dean or his/her deputy. The quorum for a Progress Committee is three.
- b. A Progress Committee, for each student considered by that Committee, will normally consist of the relevant Executive Dean or his/her deputy and one other member from outside the student's department, selected by the Executive Dean or his/her deputy from a panel approved annually together with
  - (i) for undergraduates, normally the Course Director or nominee,
  - or
  - (ii) for graduates, the Director of Graduate Studies or his/her nominee.

The member of staff from the student's department should have no previous experience of hearing the progress issue.

## 6.

### CONDUCT OF PROGRESS COMMITTEES

- a. The Progress Committee will consider each case referred by an Executive Dean or his/her deputy.
- b. The Committee should receive papers fully setting out the case. The Head of Department or nominee (or Course Directors for Joint or multidisciplinary degrees) should be responsible for gathering the required information.
- c. The Progress Committee may take into account performance in any remedial work and tests prescribed for overseas students following a test of proficiency in written and spoken English taken on arrival at the University; the Progress Committee may also take into account failure to attend the module or take the test.
- d. The student should receive copies of all the papers that are presented to Progress Committee, unless the confidentiality of a document precludes showing it to the student, in which case the Executive Dean or his/her deputy may inform the Committee and the student of the existence and general import of the document without divulging the details. The papers will be available to the student when they are available to members of the Progress Committee, normally in advance of the meeting.
- e. When the student is accompanied by his or her adviser or another member of academic staff, it must be noted that the staff member is present to act as the student's advocate and for no other reason.
- f. Meetings of Progress Committees will be conducted in accordance with the Order of Proceedings.
- g. The decision of the Progress Committee may be communicated orally to the student at the conclusion of the meeting. Formal notification of the outcome will be sent to the student in every case.

### Progress Committee: Order of Proceedings

#### NOTE:

*This document, which is derived from the Progress Procedures has no formal standing. It is issued to members of Progress Committees and students appearing before them as a guide to the order of proceedings.*

The Proceedings are likely to follow the pattern outlined below, although there may be some variation.

1. The Chair opens the meeting by introducing himself/herself and establishing the names and functions of those in the room.
2. Check that the student has received the details of the case and any supporting documentation.
3. Explain the order of proceedings to the student.
4. Outline the case for referral to Progress Committee.
5. Invite the student to put forward a case orally, if he/she wishes to do so.
6. Invite the members of the committee to put questions to the student.
7. Invite the student's representative to put forward any additional statement.
8. Invite the student to respond and state what his/her preferred outcome would be.

The student and his/her representative will then be asked to leave the room. The decision of the Progress Committee will be communicated to the student orally either immediately after the meeting, or at another pre-arranged time. Students will be sent written confirmation of the decision of the Progress Committee.

## 7.

### POWERS OF PROGRESS COMMITTEE

- a. After consideration of the case, the Progress Committee will make one of the following decisions:
  - (i) that the student be permitted to proceed, with or without specific conditions;
  - (ii) that the student be permitted to proceed with a suspended withdrawal, with the withdrawal taking effect if the student's engagement continues to be unsatisfactory within a specified period;
  - (iii) that the student be required to withdraw permanently.
- b. In certain circumstances the Progress Committee may deem it appropriate to:
  - (i) permit the student to repeat an appropriate period of study, including all or part of a period of study abroad.
  - (ii) permit the student to transfer to another appropriate degree course.
  - (iii) require the student to intermit for a period of time before proceeding.
- c. Progress Committee may also attach such conditions as seem likely to assist the future progress of the student.

## 8.

### THE TIMING AND ROLE OF THE BOARDS OF EXAMINERS

- a. There are University Rules of Assessment that set out what constitutes passing for each stage of study and eligibility for an overall award.
- b. A Board of Examiners' meeting will be held after the main summer examination period and after the resit examination period in September. However, for some courses it may be necessary to hold Board of Examiners' meetings at other points during the year.
- c. The Board of Examiners sees the marks of each student and in the light of these marks, and any other relevant information, makes a decision about the student's progress in accordance with the Rules of Assessment.
- d. The Board of Examiners shall consider matters of extenuating circumstances. If the extenuating circumstances are of such a nature that a final decision cannot be reached without further investigation then the Board of Examiners should refer the case to the Executive Dean or his/her deputy and empower the Executive Dean or his/her deputy to act on its behalf within the terms of the Rules of Assessment.
- e. A student may appeal against the decision of a Board of Examiners in accordance with the procedures set out in section 12 of this document.

## 9.

### PROGRESS PROCEDURES FOR STUDENTS ON COURSES WITH A YEAR ABROAD

- a. All courses for which the Year Abroad comprises part of the assessment for the degree must have a meeting of a Sub-committee of the Board of Examiners following the year spent abroad. The meeting should consider Year Abroad marks and extenuating circumstances affecting the year abroad work and confirm marks to be forwarded to the Final Year Board of Examiners.
- b. The Sub-committee has the power to make progress decisions, subject to consultation with the relevant External Examiner, within the terms of paragraph 8 c) above in the case of unsatisfactory progress or if the student's Year Abroad results are such that he or she would not be able to obtain a degree at the end of the final year.
- c. A student may appeal against the decision of a Sub-committee of a Board of Examiners in accordance with the procedures set out in section 12 of this document.

## 10.

### EXTENUATING CIRCUMSTANCES

- a. Extenuating circumstances are formally defined as: "circumstances beyond the student's control which cause the student to perform less well in his or her coursework or examinations than he or she might otherwise have been expected to do (on the basis of other work). In general, extenuating circumstances will be of a medical or personal nature affecting the student for any significant period of time and/or during the examination period."
- b. As a result of the policy on the late submission of coursework, the University-wide Extenuating Submission of Coursework Policy will be applied in cases where students are unable to submit coursework by the deadline as a result of acceptable extenuating circumstances. Extenuating circumstances in relation to the late submission of coursework are formally defined as: "the inability to submit work by the deadline (or to attend the in-class test/presentation) due to circumstances beyond the student's control, of a medical, practical or personal nature which affects the student for the period *immediately preceding* the time of the deadline. Genuine emergencies and circumstances which could not reasonably have been expected will be accepted as extenuating." Full details of the policy can be found at :  
[www2.essex.ac.uk/academic/students/ug/crs/wk\\_pol.htm](http://www2.essex.ac.uk/academic/students/ug/crs/wk_pol.htm)
- c. At the time of examination entry the Notes to Students will remind students of the policy for submitting an Extenuating Circumstances Form, about extenuating circumstances which may have affected work during the year. Students should be warned that failure to submit an Extenuating Circumstances Form may mean that the circumstances may not be taken into account by the examiners.
- d. If a student informs a member of staff that extenuating circumstances have affected a piece of coursework he or she is submitting, the member of staff should tell the student to submit an Extenuating Circumstances Form, failing which the extenuating circumstances may not be taken into account by the examiners.

# Appeals Procedures for Taught Programmes

## 11.

### PROCEDURE FOR APPEALS BY AN UNDERGRADUATE OR TAUGHT-COURSE POSTGRADUATE STUDENT AGAINST THE DECISION OF AN EXECUTIVE DEAN OR HIS/HER DEPUTY OR PROGRESS COMMITTEE

- a. A student who wishes to appeal against the decision of an Executive Dean or his/her deputy or a Progress Committee must do so in writing to the Academic Registrar, stating fully the grounds of the appeal, within five working days of the date of the letter sent informing the student of the decision.
- b. The grounds on which a student may appeal are:
  - (i) that there were procedural irregularities in the arrangements for the meeting with the Executive Dean or his/her deputy or conduct of the Progress Committee (including alleged administrative error) of such a nature as to cause reasonable doubt as to whether the outcome might have been different had they not occurred;
  - (ii) that there was evidence of extenuating circumstances which could not reasonably have been made available to the Executive Dean or his/her deputy or Progress Committee, of such a nature as to cause reasonable doubt as to whether the result might have been different had they not occurred.
- c. The Academic Registrar will refer to the Pro-Vice-Chancellor (Education) any appeal that meets the criteria stated above (b.1 and b.ii).
- d. Any such appeal shall be forwarded to the appropriate Pro-Vice-Chancellor, who may consult such persons as he or she thinks fit, including the appellant, in arriving at a decision as to whether or not the appeal is well-founded.
- e. If the Pro-Vice-Chancellor decides that the appeal is not well-founded, he or she shall inform the student in writing, stating his/her reasons for so deciding. The communication of this decision shall, in such cases, constitute the formal dismissal of the appeal.
- f. If the Pro-Vice-Chancellor decides that the appeal is well-founded then the case shall be referred to the Progress Appeal Panel.
- g. The Progress Appeal Panel shall consist of an Executive Dean or his/her deputy and two

members of staff from outside the student's department who have no connection with the case.

- h. The student shall be invited to attend the meeting and may be accompanied by any member of the University, or by a member of the full-time staff of the Students' Union.
- i. If the student is unable to attend the meeting of the Progress Appeal Panel, the meeting will go ahead and the decisions taken will be valid.
- j. The members of the Progress Appeal Panel will have the papers that were made available to the original Executive Dean or his/her deputy/Progress Committee, together with the student's written statement of the appeal, and any documentary evidence to support any extenuating circumstances put forward. It will be open to the Progress Appeal Committee to call such witnesses as it thinks fit. The Executive Dean or his/her deputy who took the decision/chaired the original committee will have the right to appear before the Progress Appeal Panel.
- k. After consideration of the case the Progress Appeal Panel shall either dismiss the appeal or decide on one of the courses of action defined under the Powers of Progress Committees listed in section 7 of the Progress Procedures.
- l. The decision of the Progress Appeal Panel may be communicated orally to the student at the conclusion of the meeting. Formal notification of the outcome will be sent to the student in every case.
- m. The decision of the Progress Appeal Panel will be final.
- n. Any appeal following the formal conclusion of the appeals procedures set out above may be made on the grounds of procedural irregularities in the appeals process only. A student who wishes to appeal against the outcome of these procedures should write to the Academic Registrar within four weeks setting out in detail the nature of the evidence to support the claim that there were procedural irregularities in the appeals process. If *prima facie* there is evidence to support the claim then the case will be reviewed by an alternate Pro-Vice-Chancellor. If the Pro-Vice-Chancellor determines that there were procedural irregularities in the appeals process then the case will be referred to an appeals panel for consideration, and paragraphs h—m above will apply. The panel would be comprised of academic staff with no previous involvement in the case and would be chaired by an appropriate member of senior academic staff.

- o. The Office of the Independent Adjudicator for Higher Education (OIA) provides an independent scheme for the review of student complaints or appeals. When the University's internal procedures for dealing with complaints and appeals have been exhausted, the University will issue a Completion of Procedures letter. Students wishing to avail themselves of the opportunity of an independent review by the OIA must submit their application to the OIA within three months of the issue of the Completion of Procedures letter. Full details of the scheme are available on request and will be enclosed with the Completion of Procedures.

## 12.

### PROCEDURE FOR APPEALS AGAINST THE DECISIONS OF BOARD OF EXAMINERS FOR ALL TAUGHT PROGRAMMES

- a. A student who wishes to appeal against the decision of a Board of Examiners must do so in writing on the Form of Appeal, stating fully and precisely the grounds for appeal. A student appealing against the progress decision of a First or Second Year Board of Examiners must submit a formal appeal within two weeks of the publication of results. In all other cases the appeal must be submitted within four weeks of publication of the results.
- b. A student appealing against the progress decision of a First or Second Year Board of Examiners may consult the Executive Dean or his/her deputy in advance of submitting a formal appeal (see below).
- c. Forms of Appeal are available from the Academic Registrar, Registry or Departmental Offices.
- d. The main legitimate grounds for appeal are the following:
  - i. Extenuating circumstances of which the Board of Examiners was unaware and of which the student could not reasonably have been expected to inform the Board of Examiners in advance, of such a nature as to cause reasonable doubt as to whether the result might have been different had they not occurred.
  - ii. Procedural irregularities in the conduct of the Board of Examiners (including alleged administrative error) of such a nature as to cause reasonable doubt as to whether the result might have been different had they not occurred.
- e. Other grounds will be considered on their merits.
- f. The following are not considered legitimate grounds on which to appeal, and any appeals based exclusively on one or more of these grounds will be rejected automatically:
  - i. Disagreement with a mark or grade and/or appeals against the academic judgement of internal or external examiners. Coursework and examinations cannot be remarked, except in cases of procedural irregularities.
  - ii. Any provisional mark or informal assessment of the student's work by a member of staff that is not the final mark approved by the Board of Examiners.
  - iii. The retrospective reporting of extenuating circumstances which a student might reasonably have been expected to disclose to the Board of Examiners before their meeting.
  - iv. Appeals against the judgement of the Board of Examiners in assessing the significance of extenuating circumstances, and whether and to what extent they affected academic performance.
  - v. Marginal failure to attain a higher class of degree.
  - vi. Appeals where the grounds of complaint concern the inadequacy of teaching or other arrangements during the period of study; such complaints must be raised, in writing, before the examination board meets.
- g. Any other officer of the University who receives a formal appeal from a student concerning his/her result shall forward it to the Academic Registrar.
- h. The Academic Registrar will acknowledge the appeal within five working days of receipt.
- i. The Academic Registrar will refer to the Appeals Officer any appeal that meets the criteria stated above (d and e).
- j. Any such appeal will be considered by the Appeals Officer, who may consult such persons as he/she thinks fit, including the student who has lodged the appeal, in arriving at a decision as to whether or not the appeal is well-founded.
- k. The Appeals Officer will conduct the investigation as quickly as possible but, particularly during the summer vacation, there may be unavoidable delays. The Academic Registrar will write to the student within six weeks of receipt about the progress of the appeal and will let the student know when he or she can expect to receive a decision.

### The Appeals Officer dismisses the appeal

- l. If the Appeals Officer decides that there are not sufficient *prima facie* grounds for putting the case to the Board of Examiners, the Academic Registrar will inform the student in

writing, stating the reasons for the decision. The communication of this decision shall, in such cases, constitute the formal dismissal of the appeal.

- m. Any appeal following the formal conclusion of the appeals procedures set out above may be made on the grounds of procedural irregularities in the appeals process only. A student who wishes to appeal against the outcome of these procedures should write to the Academic Registrar within four weeks setting out in detail the nature of the evidence to support the claim that there were procedural irregularities in the appeals process. If *prima facie* there is evidence to support the claim then the case will be reviewed by the Pro-Vice-Chancellor (Education). If the Pro-Vice-Chancellor determines that there were procedural irregularities in the appeal process then the case will be referred to an alternate Appeals Officer for consideration, and paragraphs h-s will apply.

### **The Appeals Officer upholds the appeal**

- n. If the Appeals Officer decides there are sufficient *prima facie* grounds for putting the case to the Board of Examiners, he/she will forward it, together with his/her written comments, to the relevant Executive Dean or his/her deputy/Head of Department. The Academic Registrar will inform the student, and will subsequently inform the student when the Board of Examiners will meet to reconsider the case. On receipt of the appeal and the Appeals Officer's comments, the Executive Dean or his/her deputy/Head of Department shall cause the Board of Examiners responsible for the assessment against which the student has appealed to reconvene and put before the Board the student's submission, the Appeals Officer's comments and any material relevant to the original assessment. The Executive Dean or his/her deputy/Head of Department will then formally ask the Board to review its decision. The Appeals Officer will have the right to attend and to address the meeting of the Board of Examiners.
- o. If the Appeals Officer decides to uphold an appeal by a Second Year student on the grounds of extenuating circumstances of which the Board of Examiners was unaware and of which the student could not reasonably have been expected to inform the Board of Examiners in advance, the Appeals Officer will decide whether it is appropriate to ask the Executive Dean or his/her deputy to reconvene the Board of Examiners. If it is the

Appeals Officer's view that the likely outcome of such a meeting would be that the Board of Examiners would decide either that the extenuating circumstances should be carried forward to the final year Board, or that the extenuating circumstances would not have a material effect on the results, then the Appeals Officer will not ask the Executive Dean or his/her deputy to reconvene the Board. However s/he will ensure that the Executive Dean or his/her deputy is fully apprised of the extenuating circumstances so that they can be placed before the Board of Examiners in the student's final year.

- p. In causing a Board of Examiners to reconvene, the Executive Dean or his/her deputy/Chair may, at his or her discretion, consult by telephone or in writing any internal or external examiner who is unable to attend the reconvened meeting of the Board.
- q. If, following review of its decision, the Board of Examiners is satisfied that there is no reason to amend its original decision the Executive Dean or his/her deputy/Chair will so inform the Academic Registrar in writing, giving the Board's reasons for reaffirming its original decision and its comments, if any, on the grounds for appeal stated by the student.
- r. If, following review of its decision, the Board of Examiners concludes that its original decision was wholly or partly incorrect to the extent that it decides on a new outcome, the Executive Dean or his/her deputy/Chair will so inform the Academic Registrar in writing and advise him/her of any amended mark or classification.
- s. The decision of the Board of Examiners following review will be communicated in writing to the student by the Academic Registrar stating the grounds for the decision. The communication of the decision shall in all cases constitute the formal conclusion of action taken in accordance with these procedures.

### **All Appeals**

- t. The Office of the Independent Adjudicator for Higher Education (OIA) provides an independent scheme for the review of student complaints or appeals. When the University's internal procedures for dealing with complaints and appeals have been exhausted, the University will issue a Completion of Procedures letter. Students wishing to avail themselves of the opportunity of an independent review by the OIA must submit their application to the OIA within three months of the issue of the Completion of Procedures letter. Full details of the

scheme are available on request and will be enclosed with the Completion of Procedures.

### **Consultation with an Executive Dean or his/her deputy**

Consultation on progress decisions of a Foundation, First or Second Year Board of Examiners (ie requirement to withdraw permanently, repeat the year, repeat individual modules, resit exams).

- (i) The Executive Dean or his/her deputy of the relevant faculty shall take the actions described under these procedures whether or not the Executive Dean or his/her deputy is Chair of the Board of Examiners responsible for the decision against which the student is appealing. A student who is considering an appeal against a progress decision of the Board of Examiners should write to the Executive Dean or his/her deputy, giving full details of his or her case. Pro-formas are available to help students present their case. Students may wish to consult the Students' Advice Centre for advice about their circumstances before completing the form. The Executive Dean or his/her deputy has the power to take action on behalf of the Board of Examiners to change the original decision if the student presents appropriate new evidence to support his or her case.

- (ii) The Executive Dean or his/her deputy may wish to consult members of the Board of Examiners or other members of academic staff before reaching a final decision. The Executive Dean or his/her deputy will contact the student if any additional information or evidence is required from the student. The Executive Dean or his/her deputy will then decide whether or not to change the original decision of the Board of Examiners and will inform the student accordingly. If, after consultation with the Executive Dean or his/her deputy, the student still wishes to appeal, and believes he or she has grounds, the student must submit a formal appeal in writing in accordance with the procedure set out above.

# Progress and Appeals Procedures for Research Degree Students

## Progress Procedures for Research Students

### 1.

#### MONITORING OF STUDENT PROGRESS

- a. Supervisory meetings, ongoing interaction with one's supervisor, and submission of work to Supervisory Boards and/or Research Students' Progress Committees are the primary means by which research student progress is monitored in and by departments.
- b. Heads of Department (and his/her nominee) are responsible for ensuring that an effective means of monitoring students' progress and attendance is established and maintained in each department in accordance with the requirements set out below.
- c. Heads of Department (or his/her nominee) are responsible for any additional progress monitoring procedures the Department may decide to operate.
- d. Departmental procedures, including norms for formal face-to-face meetings between students and their supervisor(s), should be communicated to all students in the Department.
- e. Students and supervisors are required to communicate, whether face-to-face or by electronic means, to engage in discussion/review of the student's work and progress at least once per month. For part-time students contact should be at least bi-monthly. A record of this monthly contact should be kept in the department.
- f. Supervisors are responsible for making contact with their student if the student fails to meet/communicate with them as expected each month. If the student fails to meet/communicate with the supervisor for three consecutive months, the supervisor should refer the student to the Graduate Director who will arrange a meeting with the student to discuss their progress. If the student continues to fail to meet/communicate with the supervisor, their progress remains unsatisfactory, or they fail to attend the meeting with the Graduate Director, the matter should be considered by the Research Students' Progress Committee.
- g. The Research Students' Progress Committee will arrange an ad hoc meeting with the student to assess their progress and determine whether they should be permitted to continue with their studies.
- h. If a student is co-supervised by staff in two different departments, the lead supervisor should liaise with the second supervisor to ensure that there is full co-ordination on the monitoring of progress.

## Appeals Procedure against a Progress Decision – Postgraduate Research Students

1. A research student who wishes to appeal against the recommendation of a Research Students' Progress Committee that they be downgraded or discontinued must do so in writing on the Form of Appeal, stating fully and precisely the grounds for appeal, within two weeks of receiving notification of the recommendation. Forms of Appeal are available from the Registry or online.
2. An MPhil/PhD registered student whose PhD status has not been confirmed and who wishes to appeal against the recommendation of a Research Students' Progress Committee that their registration be changed to MPhil or Masters by Dissertation, may appeal using this procedure only after the Research Students' Progress Committee has considered their case twice and has recommended a change of status. There is no right of appeal following a decision of a Research Students' Progress Committee not to confirm PhD status following the first supervisory board meeting.
3. A research student on the first year of an Integrated PhD (a 4-year programme) who wishes to appeal against a progress decision of the Research Students' Progress Committee (eg being downgraded or discontinued) should do so in accordance with the procedures for Appeals against the Decisions of Board of Examiners for all taught programmes.
4. The main legitimate grounds for appeal are the following:
  - (i) Extenuating circumstances of which the Research Students' Progress Committee was unaware and of which the student could not reasonably have been expected to inform the Committee in advance, of such a nature to cause reasonable doubt as to whether the result might have been different had they not occurred.
  - (ii) Procedural irregularities in the conduct of either the Supervisory Board and/or the Research Students' Progress Committee

- (including alleged administrative error) of such a nature as to cause reasonable doubt as to whether the result might have been different had they not occurred.
- (iii) That there is *prima facie* evidence of prejudice, bias, or inadequate assessment on part of one or more of the members of the Supervisory Board/Research Students' Progress Committee.
5. Other grounds will be considered on their merits.
  6. The following are not considered legitimate grounds on which to appeal, and any appeals based exclusively on one or more of these grounds will be rejected automatically:
    - (i) Prior informal assessments of the student's work by the supervisor.
    - (ii) The retrospective reporting of extenuating circumstances which a student might reasonably have been expected to disclose to the Research Students' Progress Committee before their meeting.
    - (iii) Appeals where the grounds of complaint concern the inadequacy of supervision or other arrangements during the period of study; such complaints must be raised, in writing, before the Research Students' Progress Committee meets.
  7. Any other officer of the University who receives a formal complaint from a research student concerning his/her progress shall forward it to the Academic Registrar.
  8. The Academic Registrar will acknowledge the appeal within five working days of receipt.
  9. The Academic Registrar will refer to the Executive Dean or his/her deputy of the Graduate School any appeal that meets the criteria stated above (4 and 5), who may consult such persons as he/she thinks fit, including the student who has lodged the appeal. The Executive Dean or his/her deputy will determine whether or not the appeal is well-founded.
  10. In some cases, where the circumstances of the case merit it, the Executive Dean or his/her deputy may arrange a formal hearing to consider the appeal.
  11. Such an Appeal Committee shall consist of the Executive Dean or his/her deputy (as Chair), and two members from outside the student's department who had no previous connection with the student. The Committee shall be serviced by a Secretary.
  12. The Appeal Committee may consult such persons, including the student and his or her supervisor, and take such advice as it thinks fit.
  13. The student will be invited to be present at the committee whenever oral evidence is being heard by the Committee, and will receive all the papers. He/she may bring a

student or other member of the University or Students' Union to help him/her in presenting their appeal to the Committee.

14. All decisions of the Executive Dean or his/her deputy/Review Committee must be notified to the student, the supervisor and the Director of Research Students in writing, together with a statement of any conditions that are attached to the decision. A copy must also be sent to the Head of Department. If a student's status is altered, a copy of the relevant written statement of arrangements for supervision must be included and the supervisor requested to ensure that the student fully understands these.
15. An appeal following the formal conclusion of the procedures set out above may be made on the grounds of procedural irregularities in the appeal process only. A student who wishes to appeal against the outcome of these procedures should write to the Academic Registrar within four weeks setting out in detail the nature of the evidence to support the claim that there were procedural irregularities in the appeal process. If *prima facie* there is evidence to support the claim then the case will be reviewed by the Pro-Vice-Chancellor (Education). If the Pro-Vice-Chancellor determines that there were procedural irregularities in the appeal process, an Appeal Committee will be established, and paragraphs 11-14 above will apply. No member of the Committee will have had any previous involvement in the case.
16. The Office of the Independent Adjudicator for Higher Education (OIA) provides an independent scheme for the review of student complaints or appeals. When the University's internal procedures for dealing with complaints and appeals have been exhausted, the University will issue a Completion of Procedures letter. Students wishing to avail themselves of the opportunity of an independent review by the OIA must submit their application to the OIA within three months of the issue of the Completion of Procedures letter. Full details of the scheme are available on request and will be enclosed with the Completion of Procedures.

### **Appeals Procedure against an Examination Decision – Postgraduate Research Students (Thesis)**

1. A candidate for a research degree whose examination result is 'fail', or 'referred', or is the award of, or option to resubmit for a lower degree, may submit an appeal against that decision on one or more of the following grounds:
  - (i) that there were procedural irregularities in the conduct of the examination (including alleged administrative error) of such a

- nature as to cause reasonable doubt as to whether the result might have been different had they not occurred; or
- (ii) that there is *prima facie* evidence of prejudice, bias, or inadequate assessment on the part of one or more of the examiners.
2. In addition, a student may appeal against a decision not to allow resubmission for the degree for which he or she was being examined, on the following grounds:  
that there existed circumstances materially affecting the student's performance of which the examiners were not aware when their decision was taken and of which the student could not reasonably have been expected to inform the examiners in advance.
  3. An appeal may not be submitted where the grounds of complaint concern the inadequacy of supervisory or other arrangements during the period of study; such complaints must be raised, in writing and preferably during the minimum period of study and research, with the Executive Dean or his/her deputy of the Graduate School.
  4. Failed candidates shall be informed of their right of appeal. A candidate who wishes to appeal must submit the appeal in writing to the Academic Registrar not later than eight weeks after the notification to him/her of the result of the examination. The candidate's submission must state fully the grounds on which it is based. The Academic Registrar will dismiss any appeals which do not meet the criteria stated above (1 and 2). All other appeals will be referred to the Pro-Vice-Chancellor (Education) to determine where *prima facie* there is evidence to support the claim.
  5. The Pro-Vice-Chancellor (Education) shall consider the appeal and may decide that the case is not well-founded, in which case the appeal or complaint is dismissed and the candidate shall be informed of the reasons.
  6. In those cases where the Pro-Vice-Chancellor decides that there is a *prima facie* case, it will be considered by a Committee appointed by the Pro-Vice-Chancellor, consisting of a Pro-Vice-Chancellor as Chair, not fewer than two Executive Deans or his/her deputy, but excluding the Executive Dean or his/her deputy of the Graduate School, and a student member appointed by the President of the Students' Union.
  7. The candidate shall be informed by the Secretary to the Appeal Committee of the date for consideration of the appeal not less than two weeks in advance. Candidates may present their case to the Committee in person, but, if they choose not to or are unable to, the Committee may proceed in their absence. Candidates may be accompanied by a member of the University of Essex, or of the permanent staff of the Students' Union of the University of Essex, or may nominate a member of the University to appear for them.
  8. The onus shall be on the candidate to produce evidence before the Appeal Committee which substantiates the grounds of appeal set out in the original submission to the Pro-Vice-Chancellor.
  9. The Appeal Committee, having considered the evidence, and taken such advice as may be necessary, may:
    - (i) reject the appeal, in which case the result originally recommended by the examiners shall stand;
    - (ii) ask the examiners to reconsider their decision for reasons specified by the Appeal Committee; the examiners' report shall be submitted to the Executive Dean or his/her deputy of the Graduate School together with the Appeal Committee's statement of the reasons for reconsideration;
    - (iii) determine that the unamended thesis shall be re-examined by new examiners.

#### **EXAMINERS' RECONSIDERATION OF THEIR INITIAL DECISION**

10. Where the Appeal Committee determines that the examiners should be asked to reconsider their decision under paragraph 9(ii), the Executive Dean or his/her deputy of the Graduate School shall do the following on receipt of the examiners' report and the Appeal Committee's statement of the reasons for reconsideration:
  - (i) Where the examiners agree to amend their decision, accept the amended decision as the revised result of the examination and issue a new results letter to the candidate;
  - (ii) Where the examiners decline to amend their decision, accept that the examiners' original recommendation stands and confirm the original result in a letter to the candidate.

#### **RE-EXAMINATION**

11. Where the Appeal Committee determines on a re-examination under paragraph 9(iii), the new examiners shall be appointed under the normal procedures. In number they should not be fewer than the original number of examiners nor fewer than two external examiners and one internal examiner. The new examiners shall be given no information

about the previous examination except the single fact that they are conducting a re-examination on appeal. The new examiners shall write independent reports on the thesis and shall then examine the candidate orally. Any such re-examination should be chaired by an Independent Chair.

12. The Executive Dean or his/her deputy of the Graduate School shall receive the report of the new examiners.
13. The candidate's supervisor shall not be appointed as an examiner.

#### **ALL APPEALS**

14. An appeal following the formal conclusion of the appeals procedures set out above may be made on the grounds of procedural irregularities in the appeals process only. A student who wishes to appeal against the outcome of these procedures should write to the Academic Registrar within four weeks setting out in detail the nature of the evidence to support the claim that there were procedural irregularities in the appeals process. If *prima facie* there is evidence to support the claim then the case will be reviewed by a Pro-Vice-Chancellor. If the Pro-Vice-Chancellor determines that there were procedural irregularities in the appeals process and that the appeal is well-founded, a new Committee will be established, and paragraphs 6-13 above will apply. The Committee will be comprised of Executive Deans or his/her deputy or former Deans or his/her deputy and will be chaired by a Pro-Vice-Chancellor. No member of the Committee will have had any previous involvement in the case.
15. The Office of the Independent Adjudicator for Higher Education (OIA) provides an independent scheme for the review of student complaints or appeals. When the University's internal procedures for dealing with complaints and appeals have been exhausted, the University will issue a Completion of Procedures letter. Students wishing to avail themselves of the opportunity of an independent review by the OIA must submit their application to the OIA within three months of the issue of the Completion of Procedures letter. Full details of the scheme are available on request and will be enclosed with the Completion of Procedures.

#### **Appeals against a Progress Decision – Professional Doctorate Students**

1. A student who wishes to appeal against the recommendation of a Research Students' Progress Committee that they be discontinued or downgraded must do so in writing on the Form of Appeal, stating fully and precisely the grounds for appeal, within

two weeks of receiving notification of the recommendation. Forms of Appeal are available from the Registry or online.

2. The main legitimate grounds for appeal are the following:
  - (i) Extenuating circumstances of which the Examination Board/Research Students' Progress Committee was unaware and of which the student could not reasonably have been expected to inform the Committee in advance, of such a nature to cause reasonable doubt as to whether the result might have been different had they not occurred.
  - (ii) Procedural irregularities in the conduct of either the Supervisory Board and/or the Examination Board/Research Students' Progress Committee (including alleged administrative error) of such a nature as to cause reasonable doubt as to whether the result might have been different had they not occurred.
  - (iii) That there is *prima facie* evidence of prejudice, bias, or inadequate assessment on part of one or more of the members of the Supervisory Board/Examination Board/Research Students' Progress Committee.
3. Other grounds will be considered on their merits, but the following are not considered legitimate grounds on which to appeal, and any appeals based exclusively on one or more of these grounds will be rejected automatically:
  - (i) Prior informal assessments of the student's work by the supervisor.
  - (ii) The retrospective reporting of extenuating circumstances which a student might reasonably have been expected to disclose to the Research Students' Progress Committee before Appeals where the grounds of complaint concern the inadequacy of supervision or other arrangements during the period of study; such complaints must be raised, in writing, before the Research Students' Progress Committee meets.
4. Any other officer of the University who receives a formal complaint from a research student concerning his/her progress shall forward it to the Academic Registrar. The Academic Registrar will refer to the Executive Dean or his/her deputy of the Graduate School any appeal that meets the criteria stated (see 2-3 above). The Academic Registrar will acknowledge the appeal within five working days of receipt.
5. Any such appeal will be considered by the Executive Dean or his/her deputy of the Graduate School, who may consult such persons as he/she thinks fit, including the student who has lodged the appeal. The Executive Dean or his/her deputy will

- determine whether or not the appeal is well-founded.
6. In some cases, where the circumstances of the case merit it, the Executive Dean or his/her deputy may arrange a formal hearing to consider the appeal.
  7. Such an Appeal Committee shall consist of the Executive Dean or his/her deputy (as Chair), and two members from outside the student's department who had no previous connection with the student. The Committee shall be serviced by a Secretary.
  8. The Appeal Committee may consult such persons, including the student and his or her supervisor, and take such advice as it thinks fit.
  9. The student will be invited to be present at the committee whenever oral evidence is being heard by the Committee, and will receive all the papers. He/she may bring a student or other member of the University or Students' Union to help him/her in presenting their appeal to the Committee.
  10. All decisions of the Executive Dean or his/her deputy /Review Committee must be notified to the student, the supervisor and the Director of Research Students in writing, together with a statement of any conditions that are attached to the decision. A copy must also be sent to the Head of Department. If a student's status is altered, a copy of the relevant written statement of arrangements for supervision must be included and the supervisor requested to ensure that the student fully understands these.
  11. An appeal following the formal conclusion of the procedures set out above may be made on the grounds of procedural irregularities in the appeal process only. A student who wishes to appeal against the outcome of these procedures should write to the Academic Registrar within four weeks setting out in detail the nature of the evidence to support the claim that there were procedural irregularities in the appeal process. If *prima facie* there is evidence to support the claim then the case will be reviewed by the Pro-Vice-Chancellor (Education). If the Pro-Vice-Chancellor determines that there were procedural irregularities in the appeal process, an Appeal Committee will be established, and paragraphs 7-10 above will apply. No member of the Committee will have had any previous involvement in the case.
  12. The Office of the Independent Adjudicator for Higher Education (OIA) provides an independent scheme for the review of student complaints or appeals. When the University's internal procedures for dealing with complaints and appeals have been exhausted, the University will issue a Completion of Procedures letter. Students wishing to avail themselves of the opportunity of an independent review by the OIA must submit their application to the OIA within three months of the issue of the Completion of Procedures letter. Full details of the scheme are available on request and will be enclosed with the Completion of Procedures.

# Complaints Procedure for Students

## Introduction

The University is a large community engaged in many activities of both an academic and non-academic kind. From time to time a student may feel dissatisfied with some aspect of his or her dealings with the University and when that happens it is important that the issue is dealt with as quickly as possible. Complaints might be about, for example:-

- an aspect of University policy;
- the provision of a service;
- the way a student has been treated by a member of staff.

The key principles of the Complaints Procedure are:

- iii. The student should try to resolve the matter informally in the first instance. Dissatisfaction often arises from misunderstanding, which is why the best starting point is with the person whose actions are the cause of dissatisfaction, or with the manager of the office responsible for the provision of the service or implementation of the policy. If you explain to someone what the problem is then they can often provide an immediate explanation or solution.
- iv. Once it is clear that it cannot be resolved by informal means, a complaint should be made as soon as possible. It is much more likely that the matter will be resolved to the student's satisfaction if it is raised at an early stage.
- v. Complaints should be dealt with quickly and complainants kept informed of progress if the investigation is prolonged.
- vi. Staff are under an obligation not to allow a complaint by a student to have any bearing on the way that the student is treated or assessed.

This procedure is designed to deal with any complaint a student might have that cannot be resolved by informal means, except for those matters for which there are separate established procedures such as academic appeals, or a general complaint about an academic matter (eg a particular module) which should be referred to the Departmental Staff/Student Liaison Committee. Any student who wishes to complain but is uncertain of the appropriate procedure should seek advice from Student Support or the Students' Union Advice Centre.

There are two stages to the Complaints Procedure: Formal and Review.

## Formal Procedure

If, in the student's view, a complaint cannot be resolved informally then he or she may make a formal complaint within a reasonable period of time.

1. Complete a Complaints Form setting out clearly the nature and origin of the complaint detailing what steps have been taken to resolve it informally and explaining why the outcome of the informal procedure is not considered satisfactory. Complaints Forms are available from Student Support, Students' Union Advice Centre, the Registry, Accommodation Office and Departmental Offices. The completed form should be returned to the Academic Registrar, room 6.111.
2. The Academic Registrar will acknowledge the complaint within five working days of receipt and will let the student know who will be dealing with the complaint. This will normally be the appropriate Head of Department or Centre, or Head of Administrative Section, or the relevant Executive Dean or his/her deputy.
3. The person dealing with the complaint will, within two weeks of the referral from the Academic Registrar, contact the complainant and indicate what action they plan to take, and the date by which they expect any investigation to be complete. If the investigation cannot be completed by the expected date, the person dealing with the complaint will advise the student of the delay.
4. The person dealing with the complaint will respond in writing to the complainant when any investigation is complete with details of the findings, and if the complaint is upheld will indicate what the outcome will be.
5. The response to the complaint will be copied to the Academic Registrar who will maintain a central record of complaints and who will report termly to the Vice-Chancellor.
6. If the Academic Registrar or his or her office is the subject of the complaint then a student should follow the same procedure except that the form should instead be sent to the Registrar and Secretary.

## Review Procedure

The formal procedure outlined above should ensure that a complaint is investigated thoroughly. However, occasionally a student may not be satisfied, and in that case he or she can request a formal review by the Pro-Vice-Chancellor (Education).

1. The student should write to the Academic Registrar to request a review, setting out clearly the basis of dissatisfaction with the findings of the formal investigation. The request for review must be submitted within

two weeks of the written response to the formal complaint.

2. The Academic Registrar will acknowledge the request within five working days of receipt and will refer the case to the relevant Pro-Vice-Chancellor.
3. If the Pro-Vice-Chancellor considers that the case for review is not well-founded then he or she will dismiss the case and will inform the complainant accordingly, normally within two weeks.
4. If the Pro-Vice-Chancellor considers that the case for review is well-founded then he or she will initiate an appropriate investigation and will let the complainant know, normally within two weeks, when he or she can expect a response.
5. The Pro-Vice-Chancellor will respond to the complainant in writing with details of the findings indicating, if the complaint is upheld, what the outcome will be. The Pro-Vice-Chancellor's decision will be final.
6. The response to the complaint will be copied to the Academic Registrar who will maintain a central record of complaints and who will report termly to the Vice-Chancellor.

### **The Office of the Independent Adjudicator**

The Office of the Independent Adjudicator for Higher Education (OIA) provides an independent scheme for the review of student complaints or appeals. When the University's internal procedures for dealing with complaints and appeals have been exhausted, the University will issue a Completion of Procedures letter. Students wishing to avail themselves of the opportunity of an independent review by the OIA must submit their application to the OIA within three months of the issue of the Completion of Procedures letter. Full details of the scheme are available on request and will be enclosed with the Completion of Procedures.

## SECTION D: MODULAR STUDY

### a) Undergraduate

Fees for modules taken on an individual basis by students registered part-time in order to complete modules for reassessment, will be charged by credit value pro rata to the relevant full-time fee, e.g. a 30 credit module will cost  $\frac{1}{4}$  of the relevant full-time fee.

Fees for modules taken on an individual basis by students **concurrently** studying for a degree are determined on an individual basis, but are normally charged by credit value pro rata to the relevant full-time fee that the particular student is paying for their year of entry.

### b) Essex Modern Language Certificates

The former Open Language Programme has been relaunched for 2013-14:

Members of the public:

- £865 per 30 credit module (£1,730 per 60 credit double module).
- Members of the University (ie registered students/members of staff):
- £540 per 30 credit module (£1,080 per 60 credit double module)

Note, costs of the study abroad element of intensive language courses will be charged separately.

### c) Languages for All Programme

All students wishing to learn a language in addition to their main course of study, can do so at no additional cost through Languages for All. Students who wish to undertake a second language course can do so for a fee as follows:

- i. Language Express - £220
- ii. Language Portfolio - £205

### d) Postgraduate Taught

Budget Sub-Committee previously approved the following principles for calculating modular PGT fees:

- (a) fees are calculated pro rata to the full-time fee for a Masters in the relevant department in the given year;
- (b) the dissertation should always cost 20% of the total, so that is calculated first;
- (c) the remaining fee is then divided equally by the number of modules that would be taken by a full-time student;
- (d) where a combination of 15 or 20 and 30 or 40 credit modules may be taken, this is reflected in the fee calculations.

PGT modular fees for 2013-14 are calculated on the basis of approved HEU fees for 2013-14.

## SECTION E: POSTGRADUATE VISITING RESEARCH STUDENTS

The University has a tariff for visiting students seeking research attachments to departments and/or individual members of academic staff. This is intended to reflect the cost of providing a research attachment for an occasional student. These fees are calculated as a proportion of the standard PhD fees. The monthly rate is calculated as a quarter of a "four month" term.

	Home/EU	Overseas	
	All	Classroom	Lab
Full year	£1950	£5,750	£6,750
2 terms*	£1,300	£3,835	£4,500
1 term*	£650	£1,915	£2,250
Monthly (3 months max.)	£162	£480	£565

\* includes vacation subsequent to final term, eg 1 term would be c.1 October to c.15 January.

The fee will include contact time with academic staff which would not exceed that delivered to a registered research degree student and occasional lecture attendance. Full module attendance would still require separate registration and payment in order to be registered for classes, examinations and to receive credit at the conclusion of the module.

## SECTION F: PREPARATORY ENGLISH AND PRE-SESSIONAL ENGLISH COURSES

The International Academy fees for students on Preparatory English and Pre-Sessional English courses are not set in tandem with academic courses for the same academic year owing to the nature of the market. The following fees apply to courses in the academic years 2013-14 and 2014-15.

#### Notes

1. These fees are for **Home/EU** students only. Fees for international students, who would normally be unable to study part-time because of their immigration status, would be determined on an individual basis by the Head of Graduate Admissions, using the relevant overseas fee.
2. Students declaring at the outset that they will not undertake assessments are entitled to 10% reduction, rounded to the nearest £5. There are no refunds for intended assessments which are not completed.

**General Notes:**

1. The amounts set out in this document for academic tuition are composite fees which include admission, registration, examination and graduation fees as well as an obligatory contribution towards the cost of student societies, sports activities and other amenities. The fees identified in this document do not include accommodation, or the cost of meals, or special or re-examination fees.
2. Late payment penalties are charged if tuition fee payments are late. Home and EU undergraduates are charged £25 per term – all other students are charged interest at 12.5% pa.
3. Once registered at the University, all students, regardless of funding source and fee status, are liable for their fees for the relevant degree course or research degree. If for any reason a student withdraws from their course, information on tuition fee payment and liability can be found on our website at: [www.essex.ac.uk/fees/policies.aspx](http://www.essex.ac.uk/fees/policies.aspx).
4. Liability for payment of overseas fees is determined by reference to the Education (Fees and Awards) Regulations. The Admissions Officer is responsible for determining the fee status of applicants to the University; following admission, an appeal by a student against an overseas classification is considered by Student Support. In the event of a disagreement between the Admissions Officer and Student Support, the matter will be referred to the Academic Registrar.
