Thanks [REDACTED] that's great – yes I will be able to do that next week as we complete everything! If you let me know what date & time in Jan is good I can add to our list and include on the staff publication next week

Take care [REDACTED]

No problem with changing the Oct date. Can you suggest some Jan dates or shall I let you know?

Are you send a PO for the DC membership and training invoices?

I am just in the final stages of getting approval to proceed by doing an equality impact assessment. Looking at timings could we please shift the October date, into Jan and so effectively offer two then and start in Nov so we can complete all the comm's next week to get staff booked on to the courses?

I will be able to provide a po next week too

Many thanks

Hi Rachel.

We have a max capacity of 50 people for our training sessions so I don't think we can accommodate all staff. [REDACTED]

The session breakdown is below –

- Equality Act 2010
- Protected Characteristics
- Understanding identities
- Case studies
- What is Unconscious Bias

Further to our conversation regarding the digital training we are looking to run the general equality and diversity and unconscious bias modules. In order for me to share the detail with the staff group before we commission the work, is there any further detail you can provide me as to the course outline other than what I have below from the brochure? Also what is the quiz focused on? They will want to see further detail if we are not able to see a recorded version as we discussed recently.

Given that we have currently 270 staff if we were to have 2.5 hours max per session, would that allow us to hold the additional 2 sessions we would require for all our staff to attend this training and what dates do you have availability for starting first week in October, I was thinking of weekly for the specific number of sessions?

If you wish to discuss further please let me know

Many thanks

- First steps to Trans inclusion
- Being a better ally to LGBT People of Colour
- LGBT + Mental Health: Supporting your colleagues
