Subject: Dreamland

Dear Lucy,

It was a pleasure to meet you recently, I write to briefly document our discussions as below.

Just to keep you informed of progress since our meeting we continue to be in negotiations with a prospective operator for the amusement park and I will keep you updated with progress.

We will continue to meet once per week as a project team, and forward action points to you for information, this will start from next week.

The remainder of the estate has now been put in the various advertising media to begin to find interest for the remainder of the units, they will have about two months to respond.

We have put in a CCF bid for external work facing the sea, the roof to this part of the structure, the common parts and first phase of the restaurant fit out, it is just under £2 million, we hope to hear back in November as to whether we have been successful.

In terms of rides we note your concern about ensuring that each ride is appropriate for the park, and you understand our pressures in terms of finances. What we will do is make sure that you have sufficient input into any variations from the original plans.

Grant will organise the reporting so that we catch up and keep up to date with reporting going forward.

I think that is the key points however if you have any further thoughts please let me know. As soon as we have some sort of certainty around the appointment of the operator I suggest we meet up again.

Kind regards

Edwina Crowley MRICS
