Dear Mr Potter,

I am writing in response to your recent request made to NHS Blackpool under the Freedom of Information Act.

NHS Blackpool has four practices that are currently receiving payments for insulin initiation under a Locally Enhanced Service. They are as follows:-

Waterloo Medical Centre
Gorton Street Surgery
Highfield Surgery
Glenroyd Medical Centre

In 2012/13 twenty one of our practices may be eligible to claim; however this is an annual claim and therefore the information requested for 2012/13 will not be available until April/May 2013.

I hope that this information duly answers your request.

Yours sincerely

Linda J Cullen
