Dear Paul,

Please see the attached Publication Strategy in respect of Op Quito (Trees) that [REDACTED] has very helpfully put together, she may need further information from you and vice versa. I hope that assists.

Gill,
I don't know if you have any comments in relation to the attached but please let us know if there is.

Kind Regards

Hi [REDACTED]

Attached is the publication strategy for trees as it currently stands. I could do with just clarifying some points around what decision making/reporting documents may be available that we can include next week. But as of today the publication strategy is in place so we are covered for any FOIs that come in next week.

Kind Regards
