Dear Mr Whittaker

I am pleased to provide a response to your request for information, received on 27 June 2018:

**Q1) The digitised version / working copy of your Definitive Map of Public Rights of Way, e.g. as used to show the routes in the online map at <https://www.gloucestershire.gov.uk/roads-parking-and-rights-of-way/public-rights-of-way/rights-of-way-online-map/> . My preferred format for this GIS data would be one of KML, GeoJSON, MapInfo or Shapefile. (I realise that this data is not the actual Definitive Map, but just an unofficial representation of it, which may contain errors. But that is fine for my purposes.)**

**Q2) Your Definitive Statements of Public Rights of Way, assuming these are held in digital form (either scanned copies or native digital versions). I would prefer the information in a re-usable (computer readable) format. If the full Statement information is already contained in the GIS data supplied above, then that will satisfy this part of the request, and there is no need to provide anything separately.**

**Q3) Secondly, under the Re-Use of Public Sector Information Regulations, I would like to request permission to re-use the information above under the Open Government Licence v3 <http://www.nationalarchives.gov.uk/doc/open-government-licence/version/3/> . The purposes for which the information is to be re-used are: (a) to help improve the mapping of Rights of Way in OpenStreetMap, and (b) to convert the datasets to a more convenient format, and then make them available for others to re-use under an open licence.**

I am writing to inform you that we have searched our records and some of the information you requested is not held by Gloucestershire County Council. Please see our response to Q2 below.

Some information however is available, I have detailed below the information:

**Q1) I understand that you have been supplied this information in a digitised format by our ICT Programme Support Team.**

**Q2) The Definitive Statements of Public Rights of Way are not held in digitised form.**

**Q3) I understand the re-use permission was also granted when the digitised data was supplied.**

If you are unhappy with my response, you can complain or ask for a review of your request by writing to us within 40 working days of receiving this response. The full procedure is on our website at <http://www.gloucestershire.gov.uk/foi>. This should be addressed to:

We would like to hear your views on our service. If you'd like to tell us how we did, you can complete our feedback form online at <http://www.gloucestershire.gov.uk/foifeedback>

I will now close your request as of this date.

Yours faithfully
