Dear Ms Mayall

**Re: Freedom of Information Act 2000
Contracted UDAs in Cheshire East Area**

Thank you for your information request indicated in bold below, which has now been considered under the Freedom of Information Act 2000 by NHS South Cheshire Clinical Commissioning Group (CCG), and I am able to provide you with the following information and responses.

You asked:

May I please request a list of the number of contracted UDAs for practices in the Cheshire East area; compared to how many UDAs were completed by each practice for the years 2014,2015, 2016, 2017.

NHS South Cheshire CCG is not the responsible commissioner for dental services. Dental services are commissioned by NHS England and in an attempt to assist you we would suggest that you redirect your enquiry to them using the following link:- england.contactus@nhs.net.

If you have any queries or concerns, wish to request a review of our response or are unhappy with the service you have received in relation to this Freedom of Information request, please do not hesitate to contact the Governance & Compliance team; details provided at the top of this letter.

If you request a review of our response and are not content with the subsequent outcome, you may apply directly to the Information Commissioner for a decision. Generally, the Information Commissioner cannot make a decision unless you have exhausted the Freedom of Information complaints procedure provided by NHS South Cheshire Clinical Commissioning Group.

The Information Commissioner can be contacted at:

Yours sincerely
